Item 2

Consider a resolution ordering a General Election to be held on Saturday, May 10, 2014, for the election of one councilmember for District 2, one councilmember for District 4, and one councilmember for District 6 for a three year term; providing for the publication and posting of notice; and providing for early voting dates, times and locations.

This request supports the City Council 2013-2014 Policy Agenda.

Goal: Civic Engagement

Background

The municipal General Election for City officers this year includes councilmembers for Districts 2, 4 and 6. The designated uniform Election Day is Saturday, May 10, 2014.

Considerations

- **Operational** - To conduct the election, Lancaster will participate in a joint election with other governing entities in Dallas County administered by Dallas County Elections. Participating in a joint election with other cities and school districts greatly reduces election costs for all participants. The joint election agreement is a companion item to this agenda item.

Early voting will be held at the Lancaster Veterans Memorial Library. This location best serves the election process by offering sufficient space for the voters, easy entry/exit from the room (without entering the Library itself) and offers the necessary technology access for use by Dallas County Elections personnel. This location is familiar to our voters and has consistently been used in recent elections for early voting as well as for Election Day voting. The Library is one of about thirty-five early voting locations designated by Dallas County. During early voting, registered voters may vote at any Dallas County early voting polling location.

There will be three polling locations for Lancaster citizens on Election Day. Voters from precincts 3800, 3801, 3802, and 3803 will cast a ballot at the Lancaster Veterans Memorial Library. Voters from precincts 3805, 3807 and 3808 will cast a ballot at the Lancaster Elsie Robertson Middle School. Voters must vote by precinct on Election Day.

- **Legal** – The City Attorney has reviewed the resolution ordering the election. The statutory last day for City Council to order the election is February 28, 2014.

Pursuant to state and federal laws, the resolution (Election Order) is provided in English and Spanish. In addition, the caption on the City's agenda for this meeting for both the election order and the joint election agreement is in English and Spanish.

The 82nd Texas Legislature revised the requirements for notice of early voting locations contained in the election order. Now election law only requires the main early voting location to be listed in the election order. The main early voting location (Dallas County Records Building) and the Lancaster early voting location (Veterans Memorial Library) are included in the election order.

- **Financial** – The estimated cost for the election is \$8,168.74. The City's final actual cost will depend on the number of entities contracting with Dallas County for election services. There are further details regarding estimated election costs in the agenda item on the joint election agreement. If a run-off election is required, the City will incur additional costs.
- **Public Information** – All requirements for the posting and publishing of the election order will be completed as outlined in the election order.

Recommendation

Staff recommends approval of the resolution as presented ordering the General Election for municipal officers on Saturday, May 10, 2014.

Agenda Communication

February 24, 2014

Item 3

Consider a resolution approving the terms and conditions of a Joint Election Contract and Election Services Agreement with Dallas County Elections to conduct a municipal General Election for the election of one councilmember for District 2, one councilmember for District 4, and one councilmember for District 6 to be held on Saturday, May 10, 2014.

This request supports the City Council 2013-2014 Policy Agenda.

Goal: Financially Sound City Government

Background

On May 10, 2014, the City will conduct a municipal General Election to elect councilmembers for Districts 2, 4 and 6 for a three-year term.

Considerations

- **Operational** – Dallas County Elections has the staff, equipment, and expertise to efficiently conduct elections. Participating with other municipalities and school districts helps defray the cost of the election and streamlines the voting process for residents.
- **Legal** – The election services agreement is attached without Exhibits “C”, “D” and “F” which are unavailable at this time. The City Attorney has reviewed and approved the resolution as to form.
- **Financial** – Dallas County Elections has indicated the estimated cost for the City’s share of this year’s election is \$8,340.52. The City’s final cost depends on how many entities contract with Dallas County for election services. Recent general municipal election costs are outlined below.

May 2013 \$14,520 (higher than anticipated cost due to withdrawal of County wide portion by Dallas County Schools)

May 2012 \$9,428

May 2011 \$7,406 (does not include June run-off election cost of \$4,312)

May 2010 \$9,069

May 2009 no election held; transition to three-year council terms

Estimated costs for the City's election are calculated by Dallas County Elections based on various factors including shared polling locations and total number of governing entities that participate in the election. If a run-off election is required, the City will incur additional costs.

\$14,500 was budgeted for election expenses this fiscal year.

- **Public Information** - There are no public information requirements for this matter.

Options/Alternatives

1. City Council may approve the resolution as presented.
2. City Council may deny the resolution and direct staff.

Recommendation

Staff recommends approval of the resolution as presented contracting with Dallas County Elections for election services.

2 ADMINISTRATION AND STATUTORY AUTHORITY

- 2.1 Antoinette "Toni" Pippins-Poole ("Toni Pippins-Poole") is the duly appointed County Elections Administrator ("Elections Administrator") of Dallas County, Texas ("County") and the Department Head of the Dallas County Elections Department ("DCED"). As such, Mrs. Pippins-Poole is the County Election Officer of Dallas County, Texas and is authorized by Subchapter D of Chapter 31 of Title 3 of the Texas Election Code to enter into this Election Services Contract with the contracting authorities of the Participating Political Subdivisions listed in Section 1 of this Election Services Contract.

2.2 THE CONTRACTING AUTHORITIES OF THE PARTICIPATING POLITICAL SUBDIVISIONS LISTED IN SECTION 1 OF THIS ELECTION SERVICES CONTRACT ARE HEREBY PARTICIPATING WITH EACH OTHER IN THE JOINT ELECTION TO BE HELD IN DALLAS COUNTY, TEXAS ON MAY 10, 2014

UNDER CHAPTER 271 OF TITLE 16 OF THE TEXAS ELECTION CODE ("JOINT ELECTION") AND ARE HEREBY CONTRACTING WITH THE ELECTIONS ADMINISTRATOR OF DALLAS COUNTY, TEXAS TO PERFORM THE ELECTION SERVICES SET FORTH IN THIS ELECTION SERVICES CONTRACT UNDER SUBCHAPTER D OF CHAPTER 31 OF TITLE 3 OF THE TEXAS ELECTION CODE.

- 2.3 DCED will coordinate, supervise, and handle all aspects of administering the Joint Election in accordance with the provisions of the Texas Election Code and as outlined in this Election Services Contract. Each contracting authority of each Participating Political Subdivision will pay DCED for the equipment, supplies, services, and administrative costs outlined in this Election Services Contract. The Elections Administrator and DCED will administer the election; however, each Participating Political Subdivision will be responsible for the lawful conduct of their own election.

3 LEGAL DOCUMENTS

- 3.1 Each Participating Political Subdivision will prepare, adopt, and publish all legally required election orders, resolutions, notices, and other documents that are required by, or of, their governing bodies. Each Participating Political Subdivision must send DCED a copy of any election order, resolution, or notice related to this Joint Election within three business days of publishing, adopting, or ordering it.
- 3.2 Each Participating Political Subdivision is responsible for having its own election orders, resolutions, notices, or official ballot wording translated into the Spanish language.

4 VOTING SYSTEMS

- 4.1 Each Participating Political Subdivision agrees that, during this Joint Election, voters will cast their ballots on three different kinds of voting systems, each of which must be approved by the Texas Secretary of State in accordance with the Texas Election Code and the Texas Administrative Code: Direct recording electronic voting machines ("DRE"); an optical scanner voting system ("optical scan"); and a voting system accessible to voters with physical disabilities ("ADA Terminals"). On Tuesday, April 22, 2014 at 10:00 A.M., at the County Elections Department at 2377 N. Stemmons Frwy, Suite 820, Dallas, Texas, DCED will test the DRE voting system and the automatic tabulating equipment used for counting ballots at the central counting station. On Monday, April 7, 2014 at 10:00 A.M. at the County Election Equipment Warehouse at 1506 East Langdon Road, Hutchins, Texas, DCED will test the optical scan voting system. At least 48 hours before the date and hour of each test, DCED will publish a newspaper notice with the date, hour, and place of the testing. DCED will establish nine regional collection sites and a central counting station to receive and tabulate the regular ballots that are cast in this Joint Election and receive the provisional ballots as outlined in Section 9 of this Election Services Contract.
- 4.2 DCED agrees to provide DREs, precinct ballot counters, and voting booths for the Joint Election. Each polling place will have at least one Americans with Disabilities Act ("ADA") Terminal. During the early voting period, each early voting polling place will have no more than two master personal electronic ballot ("PEB") devices and eight iVotronic

DRE machines. On Election Day, voting booths will be allocated to the polling places using a formula of one voting booth for each 300 registered voters per election precinct or partial election precinct, but no more than six voting booths per polling place. Each election day polling place will have at least one precinct ballot counter.

- 4.3 The costs for this Joint Election are specified in "Attachment A". DCED estimates that 1,300 voting booths, 380 precinct ballot counters, 290 iVotronics, 380 ADA Terminals, and Master PEB's will be needed to conduct the May 10, 2014 Joint Election. The cost of the direct record voting system for the election will be determined by multiplying the total number of iVotronics by \$250.00 each, and ADA Terminals by \$300.00 each. There will be no charge for Master PEBs. The cost for the use of the Gemini voting booths will be \$35.00 each. The cost for the use of the precinct tabulators will be \$468.00 each. All of the Participating Political Subdivisions agree that ADA Terminals will be used during the Joint Election under the Help America Vote Act of 2002 ("HAVA") and that the ADA Terminals will be part of this Election Services Contract.

5 POLLING PLACES

- 5.1 "Attachment B" contains the proposed polling places for this Joint Election. DCED will select and arrange for the use of and payment for all polling places, subject to the approval of each Participating Political Subdivision. Whenever possible, polling will be in the usual polling places for the election precincts and partial election precincts. Election precincts and partial election precincts may be combined by mutual agreement between the Participating Political Subdivisions that would be affected by the combination. If a polling place is not available, then DCED will arrange for an alternate polling place, with the approval of each Participating Political Subdivision affected by the change. DCED will notify each Participating Political Subdivision of any changes to the polling places listed in "Attachment B".
- 5.2 DCED will send each Participating Political Subdivision a final version of "Attachment B", that specifies the actual polling places for Election Day on May 10, 2014. For polling places that have changed since the most recent election ordered by a Participating Political Subdivision, DCED will mail registered voters affected by the changes notice of their new polling place location.

6 ELECTION JUDGES, ALTERNATE ELECTION JUDGES, ELECTION CLERKS, AND OTHER ELECTION PERSONNEL

- 6.1 DCED will be responsible for the appointment of the presiding election judge and alternate election judge for each polling place, subject to the approval of each Participating Political Subdivision. DCED will arrange for the training of all of the presiding election judges and alternate election judges. The proposed presiding election judges and alternate election judges are listed in "Attachment C" of this Election Services Contract. If a person is unable or unwilling to serve as a presiding election judge or an alternate election judge, DCED will name a replacement presiding election judge or alternate election judge for the polling place and notify each Participating Political Subdivision affected by the change.
- 6.2 In compliance with the Federal Voting Rights Act of 1965, as amended, precincts

containing more than 5% Hispanic population, according to the 2010 census statistics, are required to have interpreter assistance. If a presiding judge of such a precinct is not bilingual and is unable to hire a bilingual clerk, DCED may recommend an individual to provide interpreter assistance. If DCED is unable to recommend an individual to provide interpreter assistance for such a precinct, DCED will notify the participating political subdivision, which will then be responsible for recommending an individual to provide interpreter assistance for such a precinct. In the event that a bilingual clerk is hired by DCED for a precinct required to have interpreter assistance, the bilingual clerk will be paid according to a rate set by DCED. DCED will charge that expense to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in Section 1 of this Election Services Contract. A Participating Political Subdivision may pay a greater amount of money to a bilingual clerk than the rate set by DCED, however that expense will be borne by that Participating Political Subdivision individually and that expense will not be charged to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in Section 1 of this Election Services Contract.

- 6.3 DCED is responsible for notifying all of the presiding election judges and alternate election judges about the eligibility requirements of Subchapter C of Chapter 32 of Title 3 of the Texas Election Code and Section 271.005 of the Texas Election Code. DCED will take the necessary steps to insure that all of the presiding election judges and alternate election judges appointed to serve during the Joint Election are eligible to serve and qualified to serve in this Joint Election. Under Section 32.031 of the Texas Election Code, the presiding election judge for each election precinct shall appoint the election clerks to assist the presiding election judge in the conduct of the election at the polling place served by the presiding election judge on Election Day.
- 6.4 If a Participating Political Subdivision recommends a person not listed in "Attachment C", and that recommendation conflicts with the recommendation from any of the other Participating Political Subdivisions involved in the election in that precinct, DCED will conduct a drawing by lot from the recommendations to determine the election judge. Once a person has been notified of his or her selection as an election judge, no changes may be made by any of the Participating Political Subdivisions, unless that person becomes ineligible to serve as an election judge in the Joint Election.

DCED will send each of the joint Participating Political Subdivisions an updated version of "Attachment C" which reflects the names of judges who were sent the letter requesting service for this election. A final version for "Attachment C" which reflects the name of the judges who actually presided on the day of the election will be sent to each Participating Political Subdivision.

- 6.5 DCED will hold two (2) public schools of instruction on the use of optical scan card voting equipment, ADA terminals and election laws on Saturday, May 3, 2014 from 10am – 12pm, and Thursday, May 8, 2014, from 7pm - 9pm in the Central Jury Room, Frank Crowley Courthouse, 133 N. Industrial Blvd, Dallas, Texas 75207. Election Judge training labs are scheduled for Thursday, May 1, 2014 from 10am – 4pm, Saturday, May 3, 2014 from 9am – 4pm, Tuesday, May 6, 2014 6pm – 9pm, Friday, May 9, 2014 from 10am – 2pm at 2377 N. Stemmons Frwy. 8th Floor, Dallas, Texas 75207. No election judge will be appointed unless he/she has attended an election judge training session and a mandatory Voter ID law training session taught by DCED in the past eighteen (18) months and on the optical scan and direct record systems. However, participating political subdivisions may request that judges appointed for the Joint Election should attend one of the scheduled training sessions.

The election judges are responsible for picking up election supplies at the time and place determined by DCED (which will be set forth in the election judge letter requesting service for this election). Each election judge will receive \$9.00 per hour and each clerk will receive \$8.00 per hour (for a maximum of 14 hours). The election judge will receive an additional \$25.00 for picking up the election supplies prior to Election Day and for delivering election returns and supplies to their designated regional drop off site.

Any entity electing to pay their election workers for attending a training class or lab must bear that expense separately from the funds deposited into the Joint Election account.

- 6.6 DCED will employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies and equipment assistance during the period of Early Voting and on Election Day, and for the efficient tabulation of ballots at the central counting station and regional sites. Part-time personnel will be paid an amount agreed to by the Participating Political Subdivisions as specified in "Attachment A".

Part-time personnel working in support of the central counting station and regional sites on election night will receive pay for at least four hours, minimum call for service, regardless of the actual hours worked. ("Attachment F)

7 SUPPLIES AND PRINTING

- 7.1 DCED will obtain and distribute all of the election supplies and election printing necessary for this Joint Election, including, but not limited to, all forms, signs, and other materials used by the election judges and clerks at the polling places.
- 7.2 DCED will provide maps, if necessary, instructions, and other information that the election judges need to conduct this Joint Election.
- 7.3 Each Participating Political Subdivision must deliver a list to DCED of candidates and propositions for their elections. The list must be in English and Spanish. The list must include the ballot positions for the candidates and the propositions. The list must include the correct spelling of each candidate's name and the precise wording of all of the propositions. DCED will email each Participating Political Subdivision a Microsoft

Word format form for their use to create the required list. As soon as possible after each Participating Political Subdivision has determined its ballot positions for the candidates and propositions in its election, the Participating Political Subdivision must email the completed Microsoft Word format form to DCED. DCED will use these electronic forms received from the Participating Political Subdivisions to create the ballot styles for the Joint Election. DCED will deliver the proposed ballots to the Participating Political Subdivisions for approval. Each Participating Political Subdivision will be responsible for proofreading the proposed ballots and notifying DCED of any corrections that are required for their particular ballots. DCED is responsible for implementing the corrections made by the Participating Political Subdivisions to their ballots and then producing the ballots for this Joint Election, subject to Section of the Texas Election Code.

8 OPTICAL SCAN CARD BALLOTS

- 8.1 DCED will allocate ballots for this Joint Election by determining the approximate voter turnout for comparable elections in each election precinct or partial election precinct and then adding 35% to that number for each election precinct or partial election precinct. However, the minimum ballot allocation for each election precinct or partial election precinct will be 25% of the registered voters in each election precinct or partial election precinct.
- 8.2 Approximately 5,000 additional ballots will be available for Early Voting by Mail and for use on Election Day to respond to any polling place that requests additional ballots.

9 RETURNS OF ELECTIONS

- 9.1 DCED will establish and operate a central counting station to receive and tabulate ballots cast in this Joint Election under Chapter 127 of Title 8 of the Texas Election Code.
- 9.2 The Participating Political Subdivisions hereby, in accordance with Sections 127.002, 127.003 and 127.005 of the Texas Election Code, appoint the following central counting station officials:

Counting Station Manager: Toni Pippins-Poole

DCED

- 9.3 The Counting Station Manager or her representative will deliver timely, cumulative reports of the election results as election precincts are tabulated. The Counting Station Manager will be responsible for releasing cumulative totals and election precinct returns from the election to the Participating Political Subdivisions, candidates, press, and the general public by the distribution of hard copies or electronic transmittals (where

accessible). DCED will operate an election result center to release election results in the Health and Human Services Building, 2377 N. Stemmons Frwy., Suite 820, Dallas, Texas. Any Participating Political Subdivision, upon request, may require release of returns be given only at a specified location other than from the result center. Any participating entity that would like the DCED web-site linked to their web-site must provide their web-site address to the Tabulation Supervisor.

- 9.4 DCED will prepare the unofficial canvass report after all precincts have been counted, and will email a copy of the unofficial canvass to each Participating Political Subdivision as soon as possible after all returns, provisional ballots, and late overseas ballots have been tabulated, but in no event no later than 10:00 A.M. Monday, May 19, 2014. All Participating Political Subdivisions will be responsible for the official canvass of their respective elections.
- 9.5 DCED will be responsible for conducting the post-election manual recount, unless the Texas Secretary of State grants a waiver under Section 127.201 of the Texas Election Code. If no such waiver is given, DCED will provide notice and copies of the recount to each Participating Political Subdivision and the Secretary of State's Office. Each Participating Political Subdivision must notify DCED if such a waiver has been granted or denied as soon as possible, but no later than Monday, April 23, 2014.

10 ELECTION EXPENSES

- 10.1 The Participating Political Subdivisions agree to share the costs of administering the May 10, 2014 Joint Election. A general supervisory fee not to exceed 10% of the total cost of the election will be assessed as authorized by the Texas Election Code, Sec. 31.100. Allocation of costs, unless specifically stated otherwise, is mutually agreed to be shared according to a formula which is based on average cost per polling place ("Unit Cost") as determined by adding together the overall expenses and dividing expenses equally among the total number of polling places. Any Participating Political Subdivisions requesting a combination of polling places which exceeds the Unit Cost, will be billed directly for any excess expenditures (e.g. supplies, equipment, personnel, etc.). **The cost of any special request from a Participating Political Subdivision, which is not agreed upon by all Participating Political Subdivisions, will be borne by the Participating Political Subdivision making the special request.** Each Participating Political Subdivision agrees that no Participating Political Subdivision will be billed less than the minimum of one full unit cost as specified in "Attachment A".
- 10.2 The expenses for early voting by mail and personal appearance will be paid equally by each Participating Political Subdivision, unless otherwise agreed by the Participating Political Subdivisions and the Dallas County Elections Department.
- 10.3 DCED will determine the final election expenses within 120 business days after the canvass of this Joint Election. DCED will provide each Participating Political Subdivision with a final, written accounting of all money that was deposited into, and payments that were made from, the Joint Election account maintained by the Dallas County Treasurer for this Joint Election.
- 10.4 If DCED requires additional money to perform its obligations under this Election Services

Contract, then DCED will bill each Participating Political Subdivision using the same cost audit that determined each Participating Political Subdivision's required deposit in section 11 of this Election Services Contract. After all of the expenses of this Joint Election are paid, any monies that remain in the account maintained by the Dallas County Treasurer for this Election Services Contract will be refunded to the Participating Political Subdivisions.

11 DEPOSIT OF FUNDS

11.1 Each Participating Political Subdivision hereby agrees to deposit with the Dallas County Treasurer's Office the full balance of money listed in the next section of this Election Services Contract by Friday, April 4, 2014. The Dallas County Treasurer's Office will place the money deposited by the Participating Political Subdivisions in a Joint Election account. DCED will only draw money from this Joint Election account to pay for election expenses that are included in this Election Services Contract and for other expenses that the Participating Political Subdivisions agree to in writing. If a Participating Political Subdivision withdraws completely from the Joint Election by Wednesday, March 5, 2014, then DCED will refund that Participating Political Subdivision's deposit, less any money already expended before the withdrawal. However, DCED will not make partial refunds to a Participating Political Subdivision if any candidate(s) or propositions will appear on the ballot for that Participating Political Subdivision.

- 12.2 Access to the election records will be available to each Participating Political Subdivision as well as to the public in accordance with the Texas Public Information Act, Chapter 552, Government Code, at the Elections Department, 2377 N. Stemmons Frwy, Suite

820, Dallas, Texas, at any time during normal business hours. DCED will ensure that the records are maintained in an orderly manner, so that records are clearly identifiable and retrievable per records storage container. However, access to election records that contain confidential information that must be redacted pursuant to federal or state law may be provided at the offices of the Civil Division of the Criminal District Attorney's Office of Dallas County, Texas at 411 Elm Street, 5th Floor, Dallas, Texas.

The Joint Election records will then become the responsibility of Dallas County Record Storage for the remainder of the 6 month preservation period. Dallas County Record Storage will be responsible for the destruction of the Joint Election records after the preservation period. DCED will provide each entity a letter of destruction.
- 12.4 The Participating Political Subdivisions must notify DCED in writing within three calendar days after any official or employee of any Participating Political Subdivision becomes aware of any election contest in connection with this Joint Election. The election records must be preserved until any election contest is completed and a judgment, if any, becomes final. See Section 1.013 of the Texas Election Code.

13 EARLY VOTING

- 13.1 Under Sections 31.094 and 271.006 of the Texas Election Code, the Participating Political Subdivisions hereby appoint the Elections Administrator to be the early voting clerk for all of the political subdivisions participating in this Joint Election. If a Participating Political Subdivision recommends a person not listed in "Attachment D", and that recommendation conflicts with the recommendation from any of the other Participating Political Subdivisions involved in the election in that precinct, DCED will conduct a drawing by lot from the recommendations to determine the deputy early voting judge/clerk.

Once a person has been notified of his or her selection as deputy early voting judge or clerk, no changes may be made by any of the Participating Political Subdivisions.

The recommended deputy early voting judges and clerks for the main and branch early polling places are listed in "Attachment D". DCED will request the Dallas County Human Resource Department to conduct a criminal background check of election officials, staff and temporary workers who are hired to work in this election.

LANCASTER CITY COUNCIL

Agenda Communication

February 24, 2014

Item 4

Consider a resolution approving the terms and conditions of an Interlocal Agreement by and between the City of Dallas and the City of Lancaster to provide certain biomedical on-line services.

This request supports the City Council 2013-2014 Policy Agenda.

Goal: Healthy, Safe & Vibrant Neighborhoods

Background

Texas law requires each Advanced Life Support (ALS) ambulance provider to have a qualified medical control system. This medical control agency provides day-to-day on-line medical direction for paramedics in the field. The City of Lancaster has used the Dallas Biomedical On-Line Supervision system for these services since the inception of our paramedic program in 1986. Other Cities that participate in the system are Carrollton, Cedar Hill, Dallas, DeSoto, Duncanville, Farmers Branch, Highland Park, Garland, Irving, Sunnyvale, Mesquite, University Park, and Wills Point. All Cities share the cost of running the system. The system has been recognized as one of the best in the Nation.

Considerations

- **Operational** – Without On-Line Supervision, the City of Lancaster will not be able to provide Ambulance Services to the Citizens of Lancaster.
- **Legal** – The City Attorney has reviewed the agreement and resolution and approved as to form.
- **Financial** – The cost to the City of Lancaster is calculated on a per capita basis for an amount not to exceed \$14,491.00 annually.
- **Public Information** – This item is being considered at a regular meeting of the City Council noticed in accordance with the Texas Open Meetings Act.

Options/Alternatives

1. Approve the resolution as presented.
2. Reject the resolution and discontinue paramedic ambulance services.

Recommendation

Staff recommends that City Council approve the resolution authorizing the City of Lancaster to participate with the City of Dallas for Biomedical On-Line Supervision services.

Item 5

Consider a resolution approving the terms and conditions of the City owned T-Hangar non-commercial lease from building 670 at the Lancaster Regional Airport.

This request supports the City Council 2013-2014 Policy Agenda.

Goal: Sound Infrastructure

Background

The City owns and leases five rows of T-hangars (buildings 660-700) of three different sizes based off aircraft wingspan. There are 92 units that the City rents for aircraft storage with end cap commercial spaces on the east end of each hangar row. The City T-hangars are near full occupancy most of the time. This agenda item brings forward a non-commercial lease agreement for T-hanger 670-116 (1,018 sqft) for a tenant, Mr. Darin Divinia.

Considerations

- **Operational** - The City T-hangar non-commercial lease is used for private aircraft owners.
- **Legal** - The lease agreement was reviewed and approved by the City Attorney.
- **Financial** - Lease rates vary based on size of the hangar. All rates were approved in the City's Master Fee Schedule. The monthly rate for this medium size T-hangar is \$205.00 per month.
- **Public Information** - This item is being considered at a regular meeting of the City Council noticed in accordance with the Texas Open Meetings Act.

Options/Alternatives

1. Council may approve the resolution as presented.
2. Council may reject the resolution.

3. **Compliance with Applicable Laws:** LESSEE shall comply with all applicable laws, ordinances, rules, regulations, and orders of any Federal, State, and City law governing the conduct of LESSEE'S activities on or about the premises.

4. **Alterations.** LESSEE shall make no structural or electrical changes or alterations, or construct any permanent additions or improvements, or do any work in connection therewith, on or about the premises without the prior written consent of the LESSOR'S Airport Manager, whose decision shall be final, and which consent shall not be unreasonably withheld. In lieu of an airport lock/key, LESSEE shall provide a copy of a key or lock combination to airport office.

6. **Services Furnished by LESSOR:** LESSOR shall furnish adequate utility power service for night time lighting. act or omission of LESSEE, its officers, agents, employees, or invitees related to or association with the use and occupancy of the Leased Premises and airport facilities including, but not limited to, claims or damage related to or associated with the storage or maintenance of LESSEE's aircraft upon Airport, or from injury or damage caused to any person's property by reason of the operations of said aircraft. LESSEE further covenants and agrees that LESSEE shall not hold LESSOR or any of its officers, agents, or employees responsible for any loss to LESSEE'S aircraft, automobile, personal property, parts, or supplies that may be located or stored in, on, or about the Leased Premises, where such loss is caused by Natural Disaster fire, rain, windstorm, hail.

9. **Disclaimer:** LESSEE agrees to accept all facilities and the leased premises in the condition in which they are found. LESSOR disclaims and LESSEE accepts LESSOR'S disclaimer of any warranty, express or implied, of the conditions or fitness for the use of the leased premises.

10. **Default:** The following events shall be deemed to be events of default by LESSEE under this Lease Agreement:

a. LESSEE shall fail to pay any installment of rent, and such failure shall continue for a period of ten (10) days following the due date of said installment.

b. LESSEE shall fail to comply with any term, provision or covenant of this Lease Agreement, other than the payment of rent, and shall not cure such failure within twenty (20) days after written notice thereof to LESSEE.

c. LESSEE shall fail to provide lock combination or key to lock on assigned hangar to airport administration.

d. LESSEE shall fail to provide accurate and correct contact information as set forth in paragraph 18 – "Notices".

Upon the occurrence of any event of default specified above, LESSOR shall have the option to pursue any one or more of the following remedies without any notice or demand whatsoever:

e. Terminate this Lease Agreement in which event LESSEE shall immediately surrender the premises to LESSOR; and if LESSEE fails to do so, LESSOR may, without prejudice to any other remedy which it may have for possession or arrearages in rent, enter upon and take possession and expel or remove LESSEE, any other person who may be occupying said premises or any part thereof, and contents therein, including LESSEE'S aircraft, by force if necessary, without being liable for prosecution or any claim of damages therefor; and LESSEE agrees to pay to LESSOR on demand the amount of all loss and damage which LESSOR may suffer by reason of such termination, whether through inability to re-let the premises on satisfactory terms or otherwise.

f. Enter upon and take possession of the premises and expel or remove LESSEE and any other person who may be occupying the premises or any part thereof, by force if necessary, without being liable for prosecution or any claim of damages therefor; and if LESSOR so elects, re-let the premises on such terms as LESSOR shall deem advisable and receive the rent thereof; and LESSEE agrees to pay to LESSOR on demand

any deficiency that may arise by reason of such re-letting.

g. Enter upon the premises, by force if necessary, without being liable for prosecution or any claim of damages therefor and do whatever LESSEE is obligated to do under the terms of this Lease Agreement; and LESSEE agrees to reimburse LESSOR on demand for any expenses which LESSOR may incur in thus effecting compliance with LESSEE's obligations under this Lease Agreement; and LESSEE further agrees that LESSOR shall not be liable for any damages resulting to LESSEE from such action.

No reentry or taking possession of the premises by LESSOR shall be construed as an election on its part to terminate this Lease Agreement, unless a written notice of such intention be given to LESSEE. Notwithstanding any such re-letting or reentry or taking possession, LESSOR may at any time thereafter elect to terminate this Lease Agreement for a previous default. Pursuit of any of the foregoing remedies shall not preclude pursuit of any of the other remedies herein provided or any other remedies provided by law, nor shall the pursuit of any remedy herein provided constitute a forfeiture or waiver of any rent due to LESSOR hereunder or of any damages accruing to LESSOR by reason of the violation of any of the terms, provisions and covenants herein contained. LESSOR's acceptance of rent following an event of default hereunder shall not be construed as LESSOR's waiver of such event of default. No waiver by LESSOR of any violation or breach of any of the terms, provisions and covenants herein contained shall be deemed or constitute a waiver of any other violation or breach of any of the terms, provisions and covenants herein contained. Forbearance by LESSOR to enforce one or more of the remedies herein provided upon an event of default shall not be deemed or construed to constitute a waiver of such default. The loss or damage that LESSOR may suffer by reason of termination of this Lease Agreement or the deficiency from any re-letting as provided for above shall include the expense of repossession and any repairs or remodeling undertaken following possession. Should LESSOR at any time terminate this Lease Agreement for any default, in addition to any other remedy LESSOR may have, LESSOR may recover from LESSEE all damages LESSOR may incur by reason of such default, including cost of recovering the premises and reasonable attorney's fees expended by reason of default.

11. **Assignment, Encumbrances, and Subletting:** LESSEE shall not assign, pledge, or otherwise encumber this lease or the premises covered thereby. LESSEE shall not sublet the premises or any part thereof, or furnish to any other person any ground space, office space, aircraft storage space, or other right or privilege in or on any Airport property without the prior written consent of the LESSOR's Airport Manager. Said consent shall not be unreasonably withheld. The rental rate paid by the SUBLESSEE shall not be greater than that paid by LESSEE to LESSOR.

It is understood that consent of the LESSOR to any subletting in one instance shall not constitute consent of the LESSOR to any other subletting. Any assignment, sublease, or other such agreements consented to shall be in writing and shall be approved as to form by LESSOR'S City Attorney.

12. **Surrender of Premises:** Upon termination of this lease by either party, or by reason of default or otherwise, LESSEE shall remove itself, aircraft, and all other personal property, debris and equipment stored by LESSEE in and upon the premises. LESSEE shall, at its own expense, repair any damage cause by LESSEE'S use. LESSEE shall, upon termination of this lease, surrender the premises to LESSOR in the same condition as received, ordinary

wear and tear excepted. LESSOR will charge a reasonable fee for cleaning and/or disposal of any items left behind upon the premises.

13. **Rules and Regulations:** LESSEE shall faithfully observe and comply with all rules and regulations of LESSOR, including any rules and regulations promulgated by LESSOR'S Airport Manager, not inconsistent with the provisions of this lease. Such rules and regulations shall be communicated by LESSOR'S Airport Manager, in writing, to LESSEE and necessary for the reputation, safety, care, or appearance of the building, or preservation of good order, the operation or maintenance of equipment, or the comfort or safety of other Airport tenants.

14. **Successors and Assigns:** The terms, covenants, agreements, and conditions contained herein shall be binding upon LESSEE'S heirs, successors, executors, administrators, and assignees. This provision shall not in any way affect the requirements set forth in section II, paragraph 9.

17. **Chemicals and other Toxic Substances:** No chemicals or other toxic substances shall be stored unless in compliance with adopted Lancaster Regional Airport rules and regulations, as amended, which are incorporated herein as is set forth in full and on file with the City Manager or his/her designee.

Agenda Communication

Item 6

Consider an Ordinance of the City of Lancaster, Texas, Amending the Code of Ordinances by Amending Chapter 8, Article 8.08 “Peddlers, Solicitors, Itinerant Vendors and Handbill Distributors”, Section 8.08.042 “Depositing Or Distributing in Public Place” to Provide for the Distribution of Handbills for Religious or Political Purposes on Public Property at Times and in Areas Which Have Been Designated by the City as Reasonable and Appropriate for Such Action; and by Amending Section 8.08.046, “Permit Required; Duration; Hours of Operation” By Adding Subsection (d) to Provide an Exception to the Permit Requirement for Those Individuals Distributing Handbills or Other Written Material with a Political or Religious Purpose; Providing a Penalty of Fine Not to Exceed Five Hundred Dollars (\$500.00).

This request supports the City Council 2013-2014 Policy Agenda.

Goal: Healthy, Safe and Vibrant Neighborhoods

Background

A concern was raised regarding enforcement of the Code of Ordinance; Chapter 8, Article 8.08 “Peddlers, Solicitors, Itinerant Vendors and Handbill Distributors”, Section 8.08.042 “Depositing Or Distributing in Public Place” to Provide for the Distribution of Handbills for Religious or Political Purposes on Public Property at Times and in Areas Which Have Been Designated by the City as Reasonable and Appropriate for Such Action; and by Amending Section 8.08.046, “Permit Required; Duration; Hours of Operation” By Adding Subsection (d) to Provide an Exception to the Permit Requirement for Those Individuals Distributing Handbills or Other Written Material with a Political or Religious Purpose. The City Attorney reviewed the current ordinance and determined that additional language was necessary to address political and religious handbill distribution.

Considerations

- **Operational** – In compliance with the requirements of Chapter 8, the Lancaster Police Department (PD) has an application that solicitors complete prior to soliciting within the community. This registration process allows for greater awareness when individuals, peddlers, solicitors and itinerant vendors are within the community. There are state exemptions available to religious and political organizations and the ordinance was silent

in this regard. This amendment will specifically provide an exception for those individuals distributing handbills or other written material with a political or religious purpose.

- **Financial** – There are no financial implications related to the amendment of this ordinance.
- **Legal** – The City Attorney has prepared an ordinance and has approved it as to form.
- **Public Information** – This item is being considered at a regular meeting of the City Council noticed in accordance with the Texas Open Meetings Act.

Options/Alternatives

1. Council may approve the ordinance amendment as presented.
2. Council may reject the ordinance amendment and direct staff.

Recommendation

Staff is recommending approval of the amendment.
