4. **Consider a Resolution awarding RFP 2015-10 "Rights-of-Way Maintenance Interstate 35E & 20" for an annual maintenance contract providing mowing and litter control services of the Interstate 35E and 20 corridors that border the City of Lancaster to Lawn Patrol Service, Inc.**

Councilmember Morris pulled item 2.

Deputy Mayor Pro Tem Jaglowski pulled items 3 and 4.

MOTION: Mayor Pro Tem Strain-Burk made a motion, seconded by Deputy Mayor Pro Tem, to approve consent items excluding items 2 through 4. The vote was cast 7 for, 0 against.

2. **Consider a resolution approving the terms and conditions of a Professional Service Agreement with BKD CPAs & Advisors, LLP to provide audit services of the Financial Statements for the City of Lancaster.**

Councilmember Morris inquired if the agreement would be with the current auditors. City Manager Mauldin-Robertson confirmed that the auditing services are provided by the same firm. Also, she confirmed the contract approves the terms of the agreement for the audit of the City's Financial Statements for three years with two one year renewal options.

Councilmember Hervey inquired the cost of the contract. Finance Director Sauls stated it is not to exceed eighty thousand dollars on an annual basis. The cost will not exceed four hundred thousand dollars over the three-year period including the two-year renewal options. Councilmember Hervey stated that Article 5 reads the amount not to exceed sixty-eight thousand two hundred dollars. Director Sauls replied that the compensation amount was for the prior contract.

Mayor Knight advised the current contract is for the remainder of 2017 and the proposed contract is for a maximum of five years, but not to exceed eight thousand dollars per year. He shared that the Renewal Request Form represents the request for additional years at a modified rate. The renewal contract is under the same terms and conditions.

Councilmember Hervey inquired the status under the contract. City Manager Mauldin-Robertson replied that the cost of sixty-eight thousand dollars was exceeded since there are processes and procedures that the auditors have advised in order to increase our performances which have been documented. As a result of the additional work, staff has worked with the firm and the cost will not exceed eighty thousand dollars. The firm continues to document their recommendations to prepare for the annual audit season in order to improve our performance. City Manager Mauldin-Robertson confirmed that the firm has been visiting and executing pre-audit work through the course of the year in order for staff to be prepared.

MOTION: Councilmember Morris made a motion, seconded by Councilmember Hairston, to approve consent item 2. The vote was cast 7 for, 0 against.

3. **Consider a resolution ratifying the terms and conditions of an agreement with Highway Intelligent Traffic Solutions, Inc. for the repair of median lighting on North Interstate Highway 35 from south of Pleasant Run Road to the southern city limits in an amount not to exceed fifty-six thousand five hundred thirty-eight dollars and thirty-three cents \$56,538.33.**

Deputy Mayor Pro Tem Jaglowski requested additional comments on item 4.

Equipment and Facilities Services Director Sapp shared that In July 1997 the City of Lancaster entered into an Agreement for the Construction, Maintenance and Operation of Continuous Highway Lighting Systems

within a Municipality with the Texas Department of Transportation. This agreement requires the City to maintain the median lighting from south of Pleasant Run Road to the southern city limits. The City subsequently amended the agreement in 2004 and 2006. Theft of copper wire increased this expense to seventy-five thousand dollars. This information was presented to the City Council members of the City of Glenn Heights who contributed about eighteen thousand dollars. The City's share is fifty-six thousand dollars. Deputy Mayor Pro Tem inquired when the repairs would be complete. Director Sapp shared that this portion of the project is complete which leaves twelve light bulbs that need to be replaced.

Director Sapp confirmed Mayor Knight's inquiries that other than replacing the light bulbs, the street lights have been repaired and copper wiring has been completed. Also, we will only provide regular maintenance on the Lancaster side of the Interstate 35.

Mayor Knight inquired if the City could file a claim with insurance. City Attorney Hager stated if it occurred in the City's right-of-way, we may be able to file a claim. City Manager Mauldin-Robertson disclosed that an attempt to file a claim has been made and due to it not being in our right-of-way we could not, the wiring of the boxes face the west side.

MOTION: Councilmember Hairston made a motion, seconded by Deputy Mayor Pro Tem Jaglowski, to approve consent item 3. The vote was cast 7 for, 0 against.

4. Consider a Resolution awarding RFP 2015-10 "Rights-of-Way Maintenance Interstate 35E & 20" for an annual maintenance contract providing mowing and litter control services of the Interstate 35E and 20 corridor that borders the City of Lancaster to Lawn Patrol Service, Inc.

Deputy Mayor Pro Tem Jaglowski requested a discussion on item 4.

City Manager Mauldin-Robertson shared that in May 2015, Staff met with the Area Engineer to address ongoing concerns related to litter, debris and mowing along Interstates 35E and 20. Council received a presentation in June, 2015. In December 2015, Council approved a resolution authorizing a landscape maintenance agreement with TxDOT for the landscaping at Houston School Road and Interstate 20 (installed by the City of Dallas). The State will only pick up litter and mow the rights-of-way along Interstates 35E and 20 three cycles per year in May, August and November. The City continues to experience litter accumulation and growth of grass and weeds in the area that affects the cleanliness of our community. This item is to authorize a bid awarding to the lowest and most qualified bidder to Lawn Patrol Service. The contract will require mowing 9 times per year and litter removal monthly and the City will be reimbursed by the State of Texas for a maximum of three times per year mowing cycles and up to twelve times per year for litter cycles.

Deputy Mayor Pro Tem Jaglowski inquired of City Manager Mauldin-Robertson that the rights-of-way are along Interstates 35E and 20. She confirmed and stated that there are approximately 72 acres of TxDOT rights-of-way within the City of Lancaster.

Councilmember Hairston asked if the additional expense was not covered in the contract. City Manager Mauldin-Robertson shared that TxDOT will reimburse the City for mowing and cleaning up litter on certain roads for a maximum of 3 mowing cycles per year and up to 12 litter cycles per year.

Mayor Knight reiterated that by approval of item 4 the City will get an increase of mowing and increase of litter collection.

Councilmember Hervey complimented the City Manager and staff on the aggressive attempt in trying to maintain the beautification of our roads and streets.

MOTION: Councilmember Hairston made a motion, seconded by Deputy Mayor Pro Tem Jaglowski, to approve consent item 4. The vote was cast 7 for, 0 against.

LANCASTER CITY COUNCIL

City Council Regular Meeting

Item 2.

Meeting Date: 02/13/2017

Policy Statement: This request supports the City Council 2016-2017 Policy Agenda

Goal(s): Civic Engagement

Submitted by: Sorangel O. Arenas, City Secretary

Agenda Caption:

Consider a resolution ordering a General Election to be held on Saturday, May 6, 2017, for the election of one councilmember for District 2, one councilmember for District 4, and one councilmember for District 6 for a three year term; providing for the publication and posting of notice; and providing for early voting dates, times and locations.

Background:

The municipal General Election for City officers this year includes councilmembers for Districts 2, 4 and 6. The designated uniform Election Day is Saturday, May 6, 2017.

Operational Considerations:

To conduct the election, City of Lancaster will participate in a joint election with other governing entities in Dallas County administered by Dallas County Elections. Participating in a joint election with other cities and school districts greatly reduces election costs for all participants. The joint election agreement is a companion item to this agenda item.

Early voting will be held at the Lancaster Veterans Memorial Library. This location best serves the election process by offering sufficient space for the voters, easy entry/exit from the room (without entering the Library itself) and offers the necessary technology access for use by Dallas County Elections personnel. This location is familiar to our voters and has consistently been used in recent elections for early voting as well as for Election Day voting. The Library is one of about forty-nine early voting locations designated by Dallas County. During early voting, registered voters may vote at any Dallas County early voting polling location.

There will be three polling locations for Lancaster citizens on Election Day: Lancaster Veterans Memorial Library, Lancaster Elsie Robertson Middle School, and Wilmer Community Center. Voters must vote by precinct on Election Day.

Legal Considerations:

The City Attorney has reviewed the resolution ordering the election. The statutory last day for City Council to order the election is February 17, 2017.

Pursuant to state and federal laws, the resolution (Election Order) is provided in English and Spanish. In addition, the caption on the City's agenda for this meeting for both the election order and the joint election agreement is in English and Spanish.

The 82nd Texas Legislature revised the requirements for notice of early voting locations contained in the election order. Election law only requires the main early voting location to be listed in the election order. The main early voting location (Dallas County Records Building) and the Lancaster early voting location (Veterans Memorial Library) are included in the election order.

Public Information Considerations:

All requirements for the posting and publishing of the election order will be completed as outlined in the election order.

Fiscal Impact:

The City's cost will depend on the number of entities contracting with Dallas County for election services. There will be further details regarding estimated election costs in the future agenda item on the joint election agreement. If a run-off election is required, the City will incur additional costs.

Recommendation:

Staff recommends approval of the resolution as presented ordering the General Election for municipal officers on Saturday, May 6, 2017.

LANCASTER CITY COUNCIL

City Council Regular Meeting

Item 3.

Meeting Date: 02/13/2017

Policy Statement: This request supports the City Council 2016-2017 Policy Agenda

Goal(s): Financially Sound Government

Submitted by: Sorangel O. Arenas, City Secretary

Agenda Caption:

Consider a resolution approving the terms and conditions of a Joint Election Contract and Election Services Agreement with Dallas County Elections to conduct a municipal General Election for the election of one councilmember for District 2, one councilmember for District 4, and one councilmember for District 6 to be held on Saturday, May 6, 2017.

Background:

On May 6, 2017, the City will conduct a municipal General Election to elect councilmembers for Districts 2, 4, and 6 for a three-year term.

Operational Considerations:

Dallas County Elections has the staff, equipment, and expertise to efficiently conduct elections. Participating with other municipalities and school districts helps defray the cost of the election and streamlines the voting process for residents.

Legal Considerations:

The election services agreement is attached. At this writing, the finalized agreement is not available. The City Attorney has reviewed and approved the resolution as to form.

Public Information Considerations:

This item is being considered at a meeting of the City Council noticed in accordance with the Texas Open Meetings Act.

Fiscal Impact:

Dallas County Elections has indicated the estimated cost for the City's share of this year's election is \$9,331.78. The City's final cost depends on how many entities contract with Dallas County for election services. Recent general municipal election costs are outlined below.

Election Year	Costs
August 2016 Special	\$0.00 (election canceled)
May 2016	\$0.00 (election canceled)
May 2015	\$6,205.77
May 2014	\$9,050.26

May 2013	\$14,520 (higher than anticipated cost due to withdrawal of County wide portion by Dallas County Schools)
May 2012	\$9,428

Estimated costs for the City's election are calculated by Dallas County Elections based on various factors including shared polling locations and total number of governing entities that participate in the election. If a run-off election is required, the City will incur additional costs.

Options/Alternatives:

1. City Council may approve the resolution as presented.
2. City Council may deny the resolution and direct staff.

Recommendation:

Staff recommends approval of the resolution as presented contracting with Dallas County Elections for election services.

As such, Toni Pippins-Poole is the County's Voter Registrar and the Election Officer of Dallas County, Texas and is authorized by Subchapter D of Chapter 31 of Title 3 of the Texas Election Code to enter into this Election Services Contract with the contracting authorities of the Participating Political Subdivisions listed in "Attachment F" of this Election Services Contract. DCED acts at the direction of the Elections Administrator.

The Participating Political Subdivisions acknowledge that they are participating in this Joint Election with each other and with Dallas County, Texas and the State of Texas, to the extent that Dallas County, Texas and the State of Texas have candidates on the ballot in this Joint Election.
- c) The Elections Administrator will coordinate, supervise, and handle all aspects of administering this Joint Election in accordance with the provisions of the Texas Election Code and as outlined in this Election Services Contract. Each contracting authority of each Participating Political Subdivision will pay its share of the Election Costs to the Elections Administrator for the equipment, supplies, services, and administrative costs outlined in this Election Services Contract. The Elections Administrator will administer the election; however, each Participating Political Subdivision will be responsible for the duties directly administered by the Participating Political Subdivision.
- d) In the event a runoff election is necessary, the date of the runoff for this Joint election would be **June 10, 2017**. This Elections Services Contract and its terms will be automatically extended to cover the Joint Runoff Election, unless a Participating Political Subdivision states in writing before **May 17, 2017** that it does not wish to participant in a joint runoff election contemplated herein. DCED will provide each Participating Political Subdivision in the Joint Runoff Election with an estimated cost required to be deposited into a special and separate Joint Runoff Election account. The funds must be deposited no later than five (5) days after the Joint Runoff Election's estimated figures

are received from DCED.

- 2) **ATTACHMENTS** The following attachments are hereby incorporated into this Election Services Contract as if set forth herein in their entirety. - a) **"Attachment A"** is an itemized list of the estimated election expenses for this Joint Election and the amounts that each Participating Political Subdivision must deposit with the Dallas County Treasurer. It also includes the Deposit Detail for each entity. The Elections Administrator will amend "Attachment A" to reflect the changing estimates of election expenses that are caused by changing circumstances and by the withdrawal of Participating Political Subdivision(s), if any, from this Election Services Contract.
 - b) **"Attachment B"** is a list of the early voting polling places for this Joint Election.
 - c) **"Attachment C"** is a list of the Election Day polling places for this Joint Election.
 - d) **"Attachment D"** is a list of the people that the Dallas County Elections Administrator will appoint as deputy early voting clerks for this Joint Election.
 - e) **"Attachment E"** is a list of the presiding election judges and alternate election judges for Election Day for this Joint Election.

"Attachment F" will also contain, for each Participating Political Subdivision, the full name of the person serving as a point of contact, the physical address, the mailing address, a facsimile number, and an email address. "Attachment F" will be amended if any of the Participating Political Subdivisions withdraw from this Election Services Contract. "Attachment F" will be amended to reflect the number of registered voters in each election precinct and partial election precinct as of the statutory deadline (Thursday, April 6, 2017) for voters to submit applications to register to vote or changes of address in this Joint Election. In this Election Services Contract, the phrase "election precinct" is synonymous with the phrase "voting precinct."
 - g) **"Attachment G"** is a list of the Participating Political Subdivisions & Ballot Details
 - h) Within five (5) business days after any of the foregoing attachments are amended by the Elections Administrator, the Elections Administrator will send each Participating Political Subdivision an amended version of the amended attachment by email to the email address provided by each Participating Political Subdivision in "Attachment F."

- a) Each Participating Political Subdivision will prepare, adopt, and publish all legally required election orders, resolutions, notices, and other documents that are required by, or of, their governing bodies. Each Participating Political Subdivision must send the Elections Administrator a copy of any election order, resolution, or notice related to this Joint Election within three (3) business days of publishing, adopting, or ordering it. Such documents can be sent to the attention of: **Robert Heard, Assistant Elections Administrator, 2377 North Stemmons Freeway, Suite 820, Dallas, Texas 75207; or, emailed to Robert.Heard@DallasCounty.org.** Alternatively, these documents may be sent to: Daniel Bradley at Daniel.Bradley@DallasCounty.org.
- b) Each Participating Political Subdivision is responsible for having its own election orders, resolutions, notices, or official ballot wording translated into the Spanish language.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

4) VOTING SYSTEMS

- a) Each Participating Political Subdivision agrees that, during this Joint Election, voters will cast their ballots on three different kinds of voting systems, each of which has been approved by the Texas Secretary of State in accordance with the Texas Election Code and the Texas Administrative Code: Direct Recording Electronic voting machines ("DRE"); an optical scanner voting system ("optical scan"); and a voting system accessible to voters with physical disabilities ("ADA Terminals"). On **April 18, 2017 at 10:00 A.M.**, at the County Elections Department at 2377 N. Stemmons Frwy, Suite 820, Dallas, Texas, the Elections Administrator will test the DRE voting system and the automatic tabulating equipment used for counting ballots at the central counting station. From **April 12th – 14th, 2017, at 10:00 A.M.** at the County Election Equipment Warehouse at 1506 East Langdon Road, Hutchins, Texas, the Elections Administrator will test the optical scan voting system. At least 48 hours before the date and hour of each test, the Elections Administrator will publish a newspaper notice with the date, hour, and place of the testing. The Elections Administrator will establish regional collection sites within the county and a central counting station to receive and tabulate the regular ballots that are cast in this Joint Election and receive the provisional ballots.
- b) The Elections Administrator will provide DREs, precinct ballot counters, and voting booths for this Joint Election. Each polling place will have at least one voting terminal that complies with the Americans with Disabilities Act ("ADA"). During the early voting period, each early voting polling place will have master Personal Electronic Ballot ("PEB") devices and iVotronic DRE machines. For Election Day, the Elections Administrator will allocate voting booths to all of the polling places in amounts reasonably anticipated to be sufficient for the anticipated turnout of voters. Each Election Day polling place will have at least one precinct ballot counter and one (1) ADA iVotronic machine.

5) POLLING PLACES

- a) The Elections Administrator will select and arrange for the use of and payment for all of the early voting polling places listed in "Attachment B" and the Election Day polling places listed in "Attachment C" subject to the approval of each Participating Political Subdivision. Polling locations identified in Attachments "B" and "C" cannot be changed by a Participating Political Subdivision, but the Elections Administrator may consider changes requested by a Participating Political Subdivision.

- b) Whenever possible, previously used polling places that voters are accustomed to using will be used for the election precincts and partial election precincts in this Joint Election; however, the Participating Political Subdivisions acknowledge that sometimes previously used polling places are not available or appropriate for every election. Accessibility under the Americans with Disabilities Act is an important consideration for all polling places in this Joint Election.
 - c) For polling places that have changed since the most recent election ordered by a Participating Political Subdivision, the Elections Administrator will mail registered voters affected by the changes notice of their new polling place location.
- 6) **PRESIDING ELECTION JUDGES, ALTERNATE PRESIDING ELECTION JUDGES, ELECTION CLERKS, AND OTHER ELECTION DAY PERSONNEL**

 - b) **This sub-paragraph applies only to an election with no partisan candidate on any ballot.** If a Participating Political Subdivision requests that a person not listed in "Attachment E" be appointed to serve in a specific polling place, but another Participating Political Subdivision requests that a different person be appointed to serve that same polling place, then the Elections Administrator will conduct a drawing by lot from the recommendations, no later than **Monday, March 6, 2017** to resolve the conflict and notify each Participating Political Subdivision affected of the resolution. After the Elections Administrator notifies a person so selected by lot of the polling place where the person will serve, the Elections Administrator is not required to act on further such requests from the Participating Political Subdivisions for that specific polling place.
 - c) If a person appointed as a presiding election judge or alternate election judge becomes ineligible to serve as such in this Joint Election, then the Election Administrator will appoint a replacement presiding election judge or alternate election judge, amend "Attachment E" accordingly, and send each Participating Political Subdivision the amended "Attachment E" by email within five (5) business days.
 - d) If a person is unable or unwilling to serve as a presiding election judge or an alternate election judge, then the Elections Administrator will name a replacement presiding election judge or send each Participating Political Subdivision the amended "Attachment E" by email within five (5) business days.
 - e) The Elections Administrator will provide county training programs, in keeping with Section 32.114 of the Texas Election Code, for all of the presiding election judges, alternate election judges, and election clerks for this Joint Election. The presiding election judges are responsible for notifying the alternate presiding judge and the election clerks for the presiding election judge's polling place of the time and place of each training session. Pursuant to Section 32.114(b), the training programs will be open to the public free of charge.

- f) To serve in this Joint Election, each presiding election judge and alternate election judge must have attended an election judge training session, a mandatory Voter ID law training session, and optical scan training session taught by the Elections Administrator for this Joint Election within the last 6 months. New judges and election clerks that have not attended a mandatory Voter ID Law training session taught by the Elections Administrator for this Joint Election may not serve in this Joint Election.
- g) The Elections Administrator will notify the Participating Political Subdivisions by email and post on the DCED's website the dates, times, and locations of training classes and labs for both Early Voting and Election Day Workers.
- h) To comply with the Federal Voting Rights Act of 1965, as amended, precincts containing more than 5% Hispanic population, according to the 2010 census statistics, are required to have interpreter assistance. If a presiding election judge of such a precinct is not bilingual and is unable to hire a bilingual election clerk, the Elections Administrator may recommend an individual to provide interpreter assistance. If the Elections Administrator is unable to recommend an individual to provide interpreter assistance for such a precinct, the Elections Administrator will notify the Participating Political Subdivision and request assistance in identifying an interpreter. In the event that a bilingual election clerk is hired by the Elections Administrator for a precinct required to have interpreter assistance, the bilingual clerk will be paid according to a rate set by the Elections Administrator. The Elections Administrator will charge that expense to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in this Election Services Contract. A Participating Political Subdivision may pay more money to a bilingual clerk than the rate set by the Elections Administrator, however that expense will be borne by that Participating Political Subdivision individually and that extra expense will not be charged to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in this Election Services Contract.
- i) The Elections Administrator will notify all of the presiding election judges and alternate election judges about the eligibility requirements of Subchapter C of Chapter 32 of Title 3 of the Texas Election Code and Section 271.005 of the Texas Election Code. The Elections Administrator will take the necessary steps to insure that all of the presiding election judges and alternate election judges appointed to serve during this Joint Election are eligible to serve and qualified to serve in this Joint Election. Under Section 32.031 of the Texas Election Code, the presiding election judge for each election precinct shall appoint the election clerks to assist the presiding election judge in the conduct of the election at the polling place served by the presiding election judge on Election Day.

- j) The presiding election judges are responsible for picking up election supplies at the time and place determined by the Elections Administrator, which will be set forth in the letter to the presiding election judges requesting service for this election. Payments for the presiding election judge will be specified in "Attachment A."
- k) Any Participating Political Subdivision electing to pay their election workers for attending a training class or lab must bear that expense separately from the funds deposited into this Joint Election account.
- l) The Elections Administrator will employ and or contract for other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of services, supplies and equipment assistance during the period of Early Voting and on Election Day, and for the efficient tabulation of ballots at the central counting station and regional sites. Part-time personnel will be paid an amount specified in "Attachment A." Part-time personnel working in support of the administration of the Election, including Central Counting Station, regional sites on election night will received pay for at least four (4) hours, minimum call for service, regardless of the actual hours worked.

- b) The Elections Administrator will provide maps, if necessary, instructions, and other information that the presiding election judges need to conduct this Joint Election.
- c) Each Participating Political Subdivision must deliver a list to the Elections Administrator of candidates and propositions for their elections. The list must be in English and Spanish. The list must include the ballot positions for the candidates and the propositions. The list must include the correct spelling of each candidate's name and the precise wording of all of the propositions. The Elections Administrator will email each Participating Political Subdivision a Microsoft Word format form for their use to create the required list. As soon as possible after each Participating Political Subdivision has determined its ballot positions for the candidates and propositions in its election, the Participating Political Subdivision must email the completed Microsoft Word format form to the Elections Administrator. The Elections Administrator will use these electronic forms received from the Participating Political Subdivisions to create the ballot styles for this Joint Election. The Elections Administrator will deliver the proposed ballots to the Participating Political Subdivisions for approval. Each Participating Political Subdivision will be responsible for proofreading the proposed ballots and notifying the Elections Administrator of any corrections that are required for their particular ballots. The Elections Administrator is responsible for implementing the corrections made by the Participating Political Subdivisions to their ballots and then producing the ballots for this Joint Election.

8) **OPTICAL SCAN CARD BALLOTS**

- a) The Elections Administrator will allocate ballots for this Joint Election by determining the approximate voter turnout for comparable elections in each election precinct or partial election precinct and then adding **25%** to that number for each election precinct or partial election precinct. However, the minimum ballot allocation for each election precinct or partial election precinct will range from **25-50%** of the registered voters in each election precinct or partial election precinct depending on election type and authorized by the political subdivision (50% is recommended for local liquor elections).
- b) Additional ballots will be available for Early Voting by Mail and for use on Election Day to respond to any polling place that requests additional ballots and printed on an a needed basis. Cost per ballot will be forty-five cents (.45¢).

Alternate Presiding Judge: **Dallas Independent School District Representative**

- c) The Central Count Station Manager or her representative will deliver timely, cumulative reports of the election results as election precincts are tabulated. The Central Count Station Manager will be responsible for releasing cumulative totals and election precinct returns from the election to the Participating Political Subdivisions, candidates, press, and the general public by the distribution of hard copies or electronic transmittals (where accessible). The Elections Administrator will operate an election result center to release election results in the Health and Human Services Building, 2377 N. Stemmons Frwy., Suite 820, Dallas, Texas.

- d) The Elections Administrator will link any Participating Political Subdivision's website to

DCED's website. Participating Political Subdivisions that want such website linkage should deliver their website address to the Tabulation Supervisor at DCED.

- e) The Elections Administrator will prepare the unofficial canvass report after all precincts have been counted, and will email a copy of the unofficial canvass to each Participating Political Subdivision as soon as possible after all returns, provisional ballots, and late overseas ballots have been tabulated, but in no event no later than **May 15, 2017**. All Participating Political Subdivisions will be responsible for the official canvass of their respective elections.
- f) The Elections Administrator will be responsible for conducting the post-election manual recount, unless the Texas Secretary of State grants a waiver under Section 127.201 of the Texas Election Code. If no such waiver is given, the Elections Administrator will provide notice and copies of the recount to each Participating Political Subdivision and the Secretary of State's Office. Each Participating Political Subdivision must notify the Elections Administrator if such a waiver has been granted or denied as soon as possible, but no later than five (5) calendar days before Election Day.

10) ELECTION EXPENSES

- a) The Participating Political Subdivisions agree to share the costs of administering this Joint Election as specified in "Attachment A." The Election Administrator will charge a general supervisory fee not to exceed ten (10%) percent of the total cost of this Joint Election as authorized by Section 31.100 of the Texas Election Code. In no event will the ten (10%) percent general supervisory fee be refunded to any Participating Political Subdivision.
- b) Allocation of costs among the Participating Political Subdivisions will be according to a formula based on the average cost per polling place and the allocation of election day tabulators (hereinafter "M100's") in that polling place ("Unit Cost"). The Unit Cost will be determined by dividing the total of the itemized list of estimated election expenses by the total number of polling places. A "Polling Place" will be identified by and defined based on the presence and number of M100's and/or Election Supply Carts ("ESC"). Any Participating Political Subdivision that requests a different combination of precincts in polling places that exceeds the Unit Cost will be billed directly for any excess expenditures (e.g. supplies, equipment, personnel, etc.). **The cost of any special request from a Participating Political Subdivision, which is not agreed upon by all Participating Political Subdivisions, will be borne by the Participating Political Subdivision making the special request.** Each Participating Political Subdivision agrees that no Participating Political Subdivision will be billed less than the minimum of one full Unit Cost as specified in "Attachment A."
- c) The expenses for early voting by mail and personal appearance will be paid by each Participating Political Subdivision as set forth in "Attachment A."
- d) The Elections Administrator will determine the final election expenses to the extent practicable within one hundred and eighty (180) business days after the final canvass of this Joint Election or the runoff election, if any. The Elections Administrator will provide

each Participating Political Subdivision with a final, written accounting of all money that was deposited into, and payments that were made from, the Joint Election account(s) maintained by the Dallas County Treasurer for this Joint Election and the runoff election, if any.

- e) If the Elections Administrator requires additional money to perform its obligations under this Election Services Contract, then the Elections Administrator will bill each Participating Political Subdivision using the same method used to determine each Participating Political Subdivision's required deposit in "Attachment A" of this Election Services Contract ("Final Bill"). The Participating Political Subdivision shall pay the Final Bill within thirty (30) days of receipt except for any amount the Participating Political Subdivision files a timely good faith dispute under Section 17 of this Election Services Contract. After all of the expenses of this Joint Election are paid and disputes, if any, resolved, any monies that remain in the account maintained by the Dallas County Treasurer for this Election Services Contract will be refunded to the Participating Political Subdivisions (the "Refund") as soon as practicable.

11) DEPOSIT OF FUNDS

- a) Attachment A: Cost Audit details the cost and expenses anticipated for this election; Participating Political Subdivisions will initially receive an estimate cost audit. The Final Bill will be distributed as soon as all cost and expenses for the election can be determined. Each Participating Political Subdivision hereby agrees to deposit with the Dallas County Treasurer's Office either half or the full balance of money listed in "**Attachment A: Deposit of Funds Detail**" of this Election Services Contract by the first deposit due date of **Friday, March 3, 2017**. If the Participating Political Subdivision makes a partial initial deposit on or by **March 3, 2017**, a full and final deposit must be made to the Dallas County Treasurer's office by **Friday, March 31, 2017**. The Dallas County Treasurer's Office will place the money deposited by the Participating Political Subdivisions in a Joint Election account.
- b) The deposit of funds by each Participating Political Subdivision is an express condition precedent to the participation of each Participating Political Subdivision in this Election Services Contract. A Participating Political Subdivision may seek an extension from the Elections Administrator as to the due date for the deposit of funds. Such an extension must be sought in writing and prior to due date for such deposit by the Participating Political Subdivision. Any decision(s) made by the Elections Administrator will be provided in writing to the Participating Political Subdivision. The Elections Administrator, however, shall not be required to grant an extension for the deposit of funds by a Participating Political Subdivision. For any Participating Political Subdivision that fails to deposit the total amounts specified in "Attachment A" by the dates specified in this Election Services Contract or any extension granted by the Elections Administrator, the Elections Administrator will be relieved from the responsibility to perform under this Election Services Contract for such Participating Political Subdivision.
- c) The Elections Administrator will only draw money from this Joint Election account to pay for election expenses that are included in "Attachment A" to this Election Services

Contract and for other expenses that the Participating Political Subdivisions agree to in writing.

- d) If a Participating Political Subdivision withdraws completely from this Joint Election by **Wednesday, February 22, 2017**, or, by **Friday, March 10, 2017** for Special Elections, then the Elections Administrator will refund (as soon as practicable) that Participating Political Subdivision's deposit, less any money already expended before the withdrawal and less the general supervisory fee authorized by Section 31.100 of the Texas Election Code. In the event of a partial withdrawal from this Joint Election, deposits will not be refunded to the Participating Political Subdivisions.
- e) The Elections Administrator will not make partial refunds to a Participating Political Subdivision if any candidate(s) or propositions do not appear on the ballot for that Participating Political Subdivision.
- f) Deposits should be made out to Dallas County Elections Department and delivered within the mandatory time frame to:

**Pauline Medrano

- b) Access to the election records will be available to each Participating Political Subdivision as well as to the public in accordance with the Texas Public Information Act, Chapter 552, Government Code, at the Elections Department, 2377 N. Stemmons Frwy, Suite 820, Dallas, Texas, at any time during normal business hours. If a Participating Political Subdivision recommends a person not listed in "Attachment D" and that recommendation conflicts with the recommendation from any of the other Participating Political Subdivisions involved in the election in that polling place, the Elections Administrator will conduct a drawing by lot from the recommendations to determine the deputy early voting judge/clerk. Once a person has been notified of his or her selection as deputy early voting judge or deputy early voting clerk, no changes may be made by any of the Participating Political Subdivisions.
- c) Any qualified voter for this Joint Election may vote early by personal appearance at the main early voting polling place or at one of the early voting branch polling places listed in Attachment B. Stemmons Frwy., Dallas, Texas 75207 for processing. Persons voting by mail must send their voted ballots to the Dallas County Elections Department.
- e) All early voting ballots will be prepared for counting by an Early Voting Ballot Board appointed under Subchapter A of Chapter 87 of the Texas Election Code. Each Participating Political Subdivision will appoint one member to the Early Voting Ballot Board and will prepare a list notifying DCED of the appointee's name, telephone number, mailing address, and email address, if any, no later than **Friday, March 24,**

2017. The Participating Political Subdivisions agree to appoint David Morris as the presiding judge of the early voting ballot board. A list of Early Voting Ballot Board members will be furnished to each Participating Political Subdivision no later than **Tuesday, April 4, 2017.**

14) CRIMINAL BACKGROUND CHECKS

The Elections Administrator, her agent or assignee will conduct a criminal background check (in accordance with statutory requirements) of any person who is expected to or scheduled to serve or work in this Joint Election. Any person that does not satisfactorily pass the criminal background check will be ineligible to serve or work in this Joint Election. Failure to obtain a criminal background check does not release the participating entity's obligation to pay for service rendered in good faith.

15) ELECTION REPORTS

During the early voting period for this Joint Election, the Elections Administrator will deliver daily reports to each Participating Political Subdivision of the Early Voting Location Turnout Totals and Early Voting Roster. The day after the early voting period ends, the Elections Administrator will deliver to each Participating Political Subdivision, a Daily Early Voting Roster by precinct report that includes the entire Early Voting period. Pursuant to the Texas Election Code §87.121, the Elections Administrator will deliver these election reports by website posting, e-mail, or facsimile.

16) WITHDRAWAL FROM CONTRACT

- a) No deposits will be refunded after the deadline to withdraw from this Election Services Contract has passed.
- b) In order to withdraw from this Election Services Contract, a Participating Political Subdivision must deliver to the Elections Administrator any certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.
- c) The Elections Administrator will bill any Participating Political Subdivision that withdraws from this Election Services Contract for any expenses incurred prior to the Elections Administrator receiving copies of the certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.
- d) If there are any withdrawals from this Joint Election, within ten (10) business days after the deadline for Participating Political Subdivisions to make declarations under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code, said deadline being **February 25, 2017** the Elections Administrator will amend the attachments to this Election Services Contract as appropriate and provide updated copies of the amended attachments to all of the remaining Participating Political

Subdivisions.

- e) The general supervisory fee authorized by Section 31.100 of the Texas Election Code will not be refunded.

17) AUDITING AND PROHIBITION ON WITHHOLDING OF DEPOSITS

- a) The Dallas County Auditor will conduct a review of the deposits and expenditures related to this Election Services Contract before the Final Bill or Refund is submitted to the Participating Political Subdivisions. Refunds will be submitted as soon as practicable.
- b) The Participating Political Subdivisions may request a financial audit of the Final Bill or Refund or dispute the Final Bill or Refund under this Section, if: 1) the Final Bill exceeds ten percent (10%) of the amount of the Participating Political Subdivision's initial deposit as required in "Attachment A" to this Election Services Contract; or 2) the accounting accompanying the Refund is ten percent (10%) less than the amount the Participating Political Subdivision determines, should be refunded, after its good faith review. The request for a financial audit or dispute must be done in accordance with Section 17 (d) below.
- c) Should the events in Section 17 (b) occur, in lieu of an audit or dispute, the Participating Political Subdivision may make a request that the Elections Administrator ask the Dallas County Auditor to review the cost allocation methodology for the Participating Political Subdivision's Final Bill or Refund ("Review Request"). Participating Political Subdivisions must submit a Review Request to the Elections Administrator within five (5) business days of receipt of the Final Bill or the Refund, whichever is later. The Review Request must set forth, in detail, the basis for any challenge to the Final Bill or Refund. Corrections to the Participating Political Subdivision's Final Bill or the Refund, based on a Review Request, will be determined at the sole discretion of the Elections Administrator. A Review Request does not extend the timeframe in Section 17(d).
- d) Should the circumstances giving rise to an audit or dispute in Section 17 (b) occur, the Participating Political Subdivision may send a formal written notice of dispute of the Final Bill or Refund ("Dispute Notice") to the Elections Administrator. This Dispute Notice must be received by the Elections Administrator no later than thirty (30) calendar days from the date the Participating Political Subdivision receives the Final Bill or Refund. This Dispute Notice must provide: 1) an itemization of the disputed charge(s) by the Participating Political Subdivision; 2) the basis for the dispute; 3) the methodology showing how the Participating Political Subdivision arrived at the amount disputed; and 4) documentation in support thereof. The Participating Political Subdivision will have no right to withhold any undisputed amounts set forth in this Election Services Contract or reflected in the Final Bill. Payment of undisputed amounts in the Final Bill must be made by the Participating Political Subdivision as set forth in Section 10 (e) of this Election Services Contract.
- e) Failure of the Participating Political Subdivision to submit a timely Dispute Notice, as set

forth in Section 17(d), shall waive any and all disputes, claims, or challenges to the Final Bill or Refund by the Participating Political Subdivision. The entire amount of the Participating Political Subdivision's Final Bill shall be due immediately; or, any estimated refund amounts will become final.

- f) If the Participating Political Subdivision files a timely Dispute Notice in compliance with Section 17(d), the Participating Political Subdivision will have the right to conduct a good faith financial audit ("Financial Audit") for the deposits and expenditures related to this Elections Services Contract. In conducting the Financial Audit, the Participating Political Subdivision will have no greater right to demand access to or copies of the County's governmental or election records than those rights specified in the Texas Election Code and the Texas Public Information Act. The cost of any Financial Audit conducted by the Participating Political Subdivision shall be borne by the requesting Participating Political Subdivision and may not be paid for with funds deposited with the Dallas County Treasurer under this Election Services Contract. Further, the Participating Political Subdivision conducting the Financial Audit shall pay the Elections Administrator the reasonable costs for time expended and copies provided in order to perform the Financial Audit. If the Financial Audit identifies overcharges by the Elections Administrator of more than ten percent (10%) of the initial deposit amount required by "Attachment A", the Elections Administrator will review and assess the findings of the Financial Audit and will negotiate, in good faith, to resolve any disputes for overcharges with the Participating Political Subdivision. The Elections Administrator shall not be bound by the findings or recommendations of the Participating Political Subdivision's Financial Audit. The financial records will be retained at the County Election Administrator's office until the conclusion of the Financial Audit and resolution of all outstanding audit disputes.
- g) In the event the representatives of the Participating Political Subdivision and the Elections Administrator cannot agree on the amount of the disputed Final Bill as set forth in this Section, then the Parties may agree to submit to non-binding mediation. If mediation is acceptable to both parties to resolve a dispute concerning the disputed Final Bill, the parties will agree to use a mutually agreed-upon mediator. Unless the parties come to a written agreement at mediation, the mediation will not constitute a final and binding resolution of the dispute.
- h) The Participating Political Subdivision acknowledges that the practical effect of the Participating Political Subdivision withholding undisputed funds that are required under this Election Services Contract would result in breach of this Elections Services Contract and the other Participating Political Subdivisions' taxpayers subsidizing the withholding Participating Political Subdivision's election expenses.

The Contract for maintenance of properties in violation of code compliance expires February 28, 2017. This is an annual contract that has renewal options to allow staff the opportunity to evaluate performance and ensure contract compliance. The contract addresses items such as high grass, dilapidated fences, accumulation of trash and debris, tree trimming, overhanging tree limbs, securing vacant structures and abating stagnant water from pools or hot tubs.

This item is for consideration to award a bid 2016-25 for mowing, trimming, trash/debris removal, draining of pools/spas, removal of dilapidated fencing, graffiti removal, and securement of doors/windows of private properties in violation of City codes where the owner fails to comply voluntarily.

Operational Considerations:

The contract is awarded for a period of one year with the option to renew for an additional year. Pricing shall remain firm for the first year, the vendor will have the option to request a price adjustment based on the Dallas / Fort Worth Consumer Price Index. Approval of this bid will allow staff to process orders for mowing services in a timely manner, as it alleviates the need for staff to obtain quotes and locate a vendor.

Legal Considerations:

The bid was processed in accordance with all local and state purchasing statutes. Five bids were received. The top two candidates were selected based on pricing, experience, equipment, and number of employees. The contract term will be for a year with the option to renew for an additional year pending review.

Public Information Considerations:

Bids were advertised in the Focus Daily News on December 11th and 18th of 2016. Bids were posted on the City's electronic procurement system and a pre-bid meeting was held on November 9, 2016.

Fiscal Impact:

Funding for this contract is approved in the current year's budget and reimbursed from invoicing the owners of the properties in violation. Funds will be committed at the time of invoice from the contractor. The contract total is \$110,720.00 for the first contract term.

Options/Alternatives:

1. Council may award the bid as presented.
2. Council may reject the bid.

Recommendation:

Staff recommends awarding the bid to Weldon's Lawn and Tree LLC.

LANCASTER CITY COUNCIL

City Council Regular Meeting

Item 5.

Meeting Date: 02/13/2017

Policy Statement: This request supports the City Council 2016-2017 Policy Agenda

Goal(s): Healthy, Safe & Vibrant Community
Sound Infrastructure

Submitted by: Rona Stringfellow, Assistant City Manager

Agenda Caption:

Consider a resolution approving the terms and conditions of an agreement by and between Oncor Electric Delivery Company LLC and the City of Lancaster for street lighting service.

Background:

Oncor Electric Delivery is providing street lighting service within the City in accordance with the Tariff charged for Retail Delivery Service. The tariff is charged through the City of Lancaster's Energy Providers (T-CAP) and is included in the monthly electric energy invoices for street lights. The tariff for street lighting service (a copy is attached) requires an agreement for delivery of street lighting service between Oncor Electric Delivery and the City for a term of not less than ten years.

This agreement is standard practice for all municipalities operating through Oncor Electric Delivery for installation, maintenance and repair of street lights. The agreement details how requests for additional street lights as well as removals will be addressed. No additional street lights can be added without execution of this formal agreement.

Operational Considerations:

Oncor has designed and applied an associated cost to install streetlights along Beltline Road from I-35E to Bluegrove. The cost for the project is estimated at \$185,048.39 and includes civil work. Additionally, the price includes the installation of 68 - 30 foot tall galvanized standard streetlights with 2 - 200 watt fixtures. An exhibit is attached showing satellite view of the lights and road. The design distance is approximately 150 feet staggering where there are existing lights on either the north or south side of the roadway.

Legal Considerations:

The City Attorney has reviewed the resolution and approved as to form.

Public Information Considerations:

There are no public information requirements other than the requisite 72 hour notice in conformance with the Texas Open Meetings Act.

Fiscal Impact:

The cost of the construction of the streetlights is \$185,048.39, with an average cost per standard fixture of \$1,100.00. Beltline Lighting was included in the 2007 Street Bonds.

Options/Alternatives:

1. The City Council may approve the resolution, as presented.
2. The City Council may deny the resolution and direct staff.

Recommendation:

Staff is recommending approval of the resolution, as presented by Staff.

AGREEMENT FOR STREET LIGHTING SERVICE

BY AND BETWEEN

The City of Lancaster, Texas

A MUNICIPAL CORPORATION

AND

ONCOR ELECTRIC DELIVERY COMPANY LLC

DATE

10.27.08

**AGREEMENT FOR STREET LIGHTING SERVICE
BY AND BETWEEN
ONCOR ELECTRIC DELIVERY COMPANY LLC AND
[INSERT NAME OF CITY]**

The City of Lancaster, Texas, a Municipal Corporation ("Customer"), and Oncor Electric Delivery Company LLC, for and in consideration of the mutual covenants set forth in this Agreement for Street Lighting Service (the "Agreement"), agree as follows:

1. **Definitions.** For purposes of this Agreement, the following terms shall have the meanings indicated:
 - a. "Company's Tariff" shall mean the Company's approved Tariff for Retail Delivery Service, as may be revised from time to time during the term of this Agreement, on file with the Public Utility Commission of Texas;
 - b. Customer shall be the "Retail Customer" as such term is used in Company's Tariff.
 - c. "Facility" or "Facilities" shall mean the electrical facilities or equipment, including but not limited to, pole(s), luminaire(s), wires, and appurtenances, owned by Company or Customer, through which Company will provide service to Customer pursuant to this Agreement.

2. **Term and Termination.** Consistent with the requirements of section 6.1.1.6 - Lighting Service of Company's Tariff, this Agreement shall be effective as of the 27th day of October, 2008, and, unless terminated early in accordance with the terms of this Agreement, shall remain in effect for an initial term of ten (10) years and from year to year thereafter until canceled by either party consistent with the terms of this Agreement. After the expiration of the initial ten year term, this Agreement may be terminated by either party upon ninety (90) days written notice to the other party. Notwithstanding any provision of this Agreement to the contrary, this Agreement may be terminated at any time under the following conditions.

- (a) If Company begins installation of any requested Facilities prior to receiving full payment of any contribution-in-aid-of-construction provided for in section 6.1.1.6 - Lighting Service of Company's Tariff or any subsequently approved similar provision, from Customer or Customer's agent or representative ("Customer's Agent") as appropriate, and Customer or Customer's Agent thereafter fails to make such payment in full, then: ~~(i) Company may immediately terminate this Agreement by providing written notice of such termination to Customer, (ii) Company may remove all such Facilities, and (iii) Customer shall pay Company all cost incurred by Company in removing such Facilities, less the salvage value of such Facilities, within 30 days of Company's removal of the subject Facilities.~~
- (b) If Customer discontinues taking electric service from Customer's designated competitive retailer at Facilities, for purposes other than to allow the Customer to begin receiving service from another competitive retailer at such Facilities, then: (i) Company may immediately terminate this Agreement by providing written notice of such termination to Customer, (ii) Company may remove all such Facilities owned by Company, and (iii) Customer shall pay Company all cost incurred by Company in removing such Facilities, less the salvage value of such Facilities, within 30 days of Company's removal of the subject Facilities.
- (c) If Customer purchases Facilities owned by Company.

3. **Contribution-In-Aid-Of-Construction.** Section 6.1.1.6 - Lighting Service of Company's Tariff provides for the installation or construction by Company of a base level of Facilities with no contribution-in-aid-of-construction required from Customer. For example, Schedule A provides for the installation or construction of wood poles of a type normally used by Company served overhead without the payment of contribution-in-aid-of-construction by Customer. Schedule B provides for the installation or construction of steel or other ornamental poles of a type normally used by Company served overhead or underground without the payment of a contribution-in-aid-of-construction, but requires the payment of a higher monthly charge by Customer. Requested Facilities that exceed such base level require a contribution-in-aid-of-construction to be paid by Customer to Company and

Schedule A shall apply. Company will begin work on the requested Facilities prior to receipt of full payment of any required contribution-in-aid-of-construction from Customer or Customer's Agent. However, Customer or Customer's Agent shall pay to Company any required contribution-in-aid-of-construction prior to Company energizing the requested Facilities or within 90 days from the receipt of a contribution-in-aid-of-construction invoice, whichever is earlier. If Customer has arranged for Customer's Agent to pay to Company any required contribution-in-aid-of-construction, then Customer's Agent shall execute a Supplement to this Agreement, the form of which is attached hereto as Exhibit A, for the sole purpose of establishing such agent's agreement to pay such contribution-in-aid-of-construction.

4. Service Subject to Company's Tariff. This Agreement is subject to the terms and conditions of Company's Tariff, and all services provided by Company shall be pursuant to and consistent with Company's Tariff. To the extent any provision of this Agreement conflicts with or is inconsistent with Company's Tariff, then the provisions of Company's Tariff shall control.

5. Material Change. In the event that a judicial decision, order, new law or regulation, or a change in any law or regulation, materially and directly affects a party's ability to perform its obligations hereunder, then the party that is negatively affected shall have the right to notify the other party, within 30 days after becoming aware of such detrimental event. The parties shall use their best efforts to negotiate a modification to the terms of this Agreement so as to mitigate the impact of the event. If, after twenty (20) days beyond the notice, the parties have been unable to negotiate a mutually satisfactory modification to the terms of this Agreement, then either party shall have the right to terminate this agreement upon ten (10) days written notice to the other party. If such right to terminate is not exercised within forty-five (45) days after the date of the original notice, then the right to terminate this Agreement shall be waived with respect to the particular event.

6. Type of Service and Applicable Rate Schedule. The type of service provided and rate schedule applicable at each Facility or group of Facilities shall be agreed to by the Parties and specified on the form entitled Request for Street Lighting Service, attached hereto as Exhibit "B," which may be amended or supplemented as necessary, at any time, by mutual agreement of the parties.

7. Installation/Construction. All requests for installation or construction of Facilities subject to this Agreement shall be made on the form entitled Request for Street Lighting Service, attached hereto as Exhibit "B" and incorporated into this Agreement by execution of the form Supplement to the Agreement attached hereto as Exhibit "A." All such installation or construction shall be performed by Company pursuant to and consistent with section 6.1.1.6 - Lighting Service of Company's Tariff, and all other applicable provisions of such Tariff.

8. Relocation of Facilities. Nothing contained herein modifies section 37.101 of PURA, which provides that "the governing body of a municipality may require an electric utility to relocate the utility's facility at the utility's expense to permit the widening or straightening of a street by: (1) giving the electric utility 30 days' notice; and (2) specifying the new location for the facility along the right-of-way of the street." Notwithstanding the foregoing, issues regarding the relocation of Facilities should, if possible, be resolved by the parties prior to the execution of this Agreement and may require the execution of a separate agreement.

9. Billing and Payment. Company will invoice Customer directly for the contribution-in-aid-of-construction specified on the form entitled Request for Street Lighting Service, attached hereto as Exhibit "B" and any other charges for which Company's Tariff provides for direct billing by Company to Customer. Federal income taxes are due on contributions-in-aid-of-construction, pursuant to current Internal Revenue Service ("IRS") rulings and regulations, unless Customer is eligible for an exemption available under applicable IRS regulations. To the extent such IRS rulings and regulations are modified in a manner that impacts the obligation of Customer to pay such federal income taxes, then the Parties shall implement such modified rulings and regulations on a prospective basis. All other charges associated with the Services provided by Company to Customer will be included on the bill or invoice that Customer receives from Customer's designated competitive retailer.

10. No Delegation of Authority. Customer does not by this Agreement delegate its authority or responsibility for the Facilities covered by this Agreement to Company but shall continue to hold full discretion to determine the policies and procedures regarding such Facilities.

11. Obstructions. Customer is responsible for removing all obstructions and trimming all trees that may interfere with the installation or construction of requested Facilities. After installation, Company is responsible for

removing or trimming all trees that interfere with the distribution line providing service to the lighting facilities and Customer is responsible for removing or trimming all trees that interfere with the dispersion of light from the Facilities.

12. **Outages.** To the extent that Company is responsible for maintaining Facilities pursuant to this Agreement, Customer may report any Facilities requiring maintenance to Company via either of the following means:

Internet: <http://streetlights.oncor.com>
Telephone: 1-888-313-4747

13. **Permits.** Customer will secure for Company all permits and consents necessary for the performance of this Agreement.
