City Council Regular Meeting

1.

Meeting Date: 02/10/2020

Policy Statement: This request supports the City Council 2019-2020 Policy Agenda

Goal(s): Sound Infrastructure

Submitted by: Andrew Waits, Director of Public Works

Agenda Caption:

Consider a resolution authorizing the City Manager to amend an agreement by and between the City of Lancaster and the City of Wilmer for the sale of wholesale treated water.

Background:

The North Central Texas Council of Governments (NCTCOG) performed a Feasibility Study in the Southern Dallas County area to outline infrastructure needs as well as determine the availability and need for additional infrastructure. One of the primary findings of the report indicated the need to improve water infrastructure in the Southern Dallas County region to better serve the growing population and attract additional development regionally.

The South Dallas County Infrastructure Analysis (SDCIA) also identified that the City of Lancaster's current water demand is substantially lower than the supply capacities. Several surrounding cities including the City of Wilmer has a demand for water that cannot be met through their existing infrastructure.

At the October 21, 2013 City Council work session, staff presented an overview of a proposal to provide water to the City of Wilmer. At the December 9, 2013 City Council work session staff presented an overview of the wholesale cost of service study with a recommendation for a rate to charge the City of Wilmer to provide water. At the January 13, 2014 City Council work session, staff presented an overview of the contract terms and Council directed the City Attorney to draft a contract based upon the terms discussed. At the February 10, 2015 City Council meeting Council approved an agreement between the City of Lancaster and the City of Wilmer for the sale of wholesale treated water.

Operational Considerations:

This is a request to amend the agreement. The City of Wilmer may need to increase the amount of water up to one million gallons per day (mgd) The contract details the terms and conditions for the sale of wholesale treated water to the City of Wilmer. As their demand increases, so does the cost.

Legal Considerations:

The City Attorney has reviewed and approved the resolution and agreement as to form.

Public Information Considerations:

This item is being considered at a regular meeting of the City Council noticed in accordance with the Texas Open Meetings Act.

Fiscal Impact:

The contract identifies the terms, conditions, rate and rate methodology at which Lancaster would provide wholesale treated water to the City of Wilmer. The City of Wilmer will pay the City of Lancaster \$23,210.75 per month up to and inclusive of one million gallons per day. The initial volumetric charge will be \$1.7245 per one thousand gallons.

Options/Alternatives:

1. City Council may approve the resolution, as presented.
2. City Council may deny the resolution.

Recommendation:

Staff recommends approval of the resolution, as presented.

Consider a resolution of the City Council of the approving the terms and conditions of an Interlocal Cooperation Agreement between the cities of Desoto, Duncanville, and Cedar Hill for reciprocal lending of library materials.

Background:

The Libraries of the Cities of Lancaster, DeSoto, Cedar Hill, and Duncanville have proposed to join together to form the Best Southwest Library Consortium. These libraries will use a common integrated library system called Koha, offered by ByWater Solutions Inc. and make it easy for the citizens of all referenced cities to search a catalog and see what items are available at the other consortium libraries.

Each resident of a BSW city will have the capability to check out materials from each consortium library. This partnership will allow each library to expand their budgets more efficiently and take advantage of discounted software and services offered to consortium libraries by vendors.

Lancaster and Duncanville have already implemented the Koha integrated library system, and DeSoto and Cedar Hill will add the system within this fiscal year.

Operational Considerations:

The Interlocal Agreement would allow residents of Lancaster, Duncanville, Cedar Hill, and DeSoto free access to all cities' public library collections, online resources, and in-house technology, thereby expanding resources available to residents all cities. Lancaster's residents would benefit from:

- an increase in material resources available to them, of which video materials.
- additional online resources
- 4 times as many public computers available as are currently provided by the Lancaster Public Library.

Legal Considerations:

The resolution has been reviewed and approved as to form by the City Attorney.

Public Information Considerations:

This item is being considered at a meeting of the City Council noticed in accordance with the Texas Open Meetings Act.

Options/Alternatives:

1. City Council may approve the resolution, as presented.

Policy Statement: This request supports the City Council 2019-2020 Policy Agenda

Goal(s): Civic Engagement

Submitted by: Sorangel O. Arenas, City Secretary

Agenda Caption:

Consider a resolution ordering a General Election to be held on Saturday, May 2, 2020, for the election of one councilmember for District 2, one councilmember for District 4, and one councilmember for District 6 for a three-year term; providing for the publication and posting of notice; and providing for early voting dates, times and locations.

Considerar una resolución pidiendo una elección general que se celebrará el Sábado 2 de Mayo de 2020, por la elección de un concejal para el Distrito 2, un concejal para el Distrito 4, y un concejal para el Distrito 6 para un período de tres años; se dispone la publicación y la publicación de la notificación; y modo de fechas de votación anticipada, horas y lugares.

Background:

The municipal General Election for City officers this year includes councilmembers for Districts 2, 4 and 6. The designated uniform Election Day is Saturday, May 2, 2020.

Operational Considerations:

To conduct the election, City of Lancaster will participate in a joint election with other governing entities in Dallas County administered by Dallas County Elections. Participating in a joint election with other cities and school districts greatly reduces election costs for all participants. The joint election agreement is a companion item to this agenda item.

Early voting will be held at the Lancaster Veterans Memorial Library. This location best serves the election process by offering sufficient space for the voters, easy entry/exit from the room (without entering the Library itself) and offers the necessary technology access for use by Dallas County Elections personnel. This location is familiar to our voters and has consistently been used in recent elections for early voting as well as for Election Day voting. The Library is one of about forty-nine early voting locations designated by Dallas County. During early voting, registered voters may vote at any Dallas County early voting polling location.

Election day branch voting for the joint election to be held on May 2, 2020, will be conducted at various branch voting polling locations. A list of all Dallas County Voting Polling locations is available at www.dallascountyvotes.org.

Legal Considerations:

The City Attorney has reviewed the resolution ordering the election. The statutory last day for City Council to order the election is February 14, 2020.

Pursuant to state and federal laws, the resolution (Election Order) is provided in English and Spanish. In addition, the caption on the City's agenda for this meeting for both the election order and the joint election agreement is in English and Spanish.

The 82nd Texas Legislature revised the requirements for notice of early voting locations contained in the election order. Election law only requires the main early voting location to be listed in the election order. The main early voting location (Dallas County Records Building) and the Lancaster early voting location (Veterans Memorial Library) are included in the election order.

Public Information Considerations:

All requirements for the posting and publishing of the election order will be completed as outlined in the election order.

Fiscal Impact:

The City's cost will depend on the number of entities contracting with Dallas County for election services. There will be further details regarding estimated election costs in the future agenda item on the joint election agreement. If a run-off election is required, the City will incur additional costs.

Recommendation:

Staff recommends approval of the resolution as presented ordering the General Election for municipal officers on Saturday, May 2, 2020.

Public Information Considerations:

This item is being considered at a meeting of the City Council noticed in accordance with the Texas Open Meetings Act.

The Elections Administrator will charge that expense to the funds deposited with the Dallas County Elections Department for the conduct of the elections listed in this Election Services Contract. A Participating Political Subdivision may pay more money to a bilingual clerk than the rate set by the Elections Administrator, however that expense will be borne by that Participating Political Subdivision individually and that extra expense will not be charged to the funds deposited with the Dallas County Elections Department for the conduct of the elections listed in this Election Services Contract.

The Elections Administrator will deliver the proposed ballots to the Participating Political Subdivisions for approval. Each Participating Political Subdivision will be responsible for proofreading the proposed ballots and notifying the Elections Administrator of any corrections that are required for their particular ballots. The Elections Administrator is responsible for implementing the corrections made by the Participating Political Subdivisions to their ballots and then producing the ballots for this Joint Election.

8) OPTICAL SCAN CARD BALLOTS

- a) The Elections Administrator will allocate ballots for this Joint Election by determining the approximate voter turnout for comparable elections in each election Vote Center and then adding 25% to that number for each election Vote Center. However, the minimum ballot allocation for each election Vote Center will range from 25-50% of the registered voters in each election Vote Center depending on election type and authorized by the political subdivision (50% is recommended for local liquor elections).
- b) Additional ballots will be available for Early Voting by Mail and for use on Election Day to respond to any polling place that requests additional ballots and printed on an a needed basis. Cost per ballot will be forty-five cents (.45¢).

9) RETURNS OF ELECTIONS

- a) The Elections Administrator will establish and operate a central counting station to receive and tabulate ballots cast in this Joint Election under Chapter 127 of Title 8 of the Texas Election Code.
- b) The Elections Administrator hereby, in accordance with Sections 127.002, 127.003 and 127.005 of the Texas Election Code, appoints the following central counting station officials:

Central Count Station Manager: **Toni Pippins-Poole, Dallas County Elections Administrator**

Tabulation Supervisor: **(Daniel Bradley), Central Count Station Manager**

Assistant Tabulation Supervisor: **(Danielle Grant), Central Count Station Lead Clerk**

Presiding Judge: **(TBD)**

Alternate Presiding Judge: **(TBD)**

- c) The Central Count Station Manager or her representative will deliver timely, cumulative reports of the election results as election Vote Centers are tabulated. The Central Count Station Manager will be responsible for releasing cumulative totals and election returns from the election to the Participating Political Subdivisions, candidates, press, and the general public by the distribution of hard copies or electronic transmittals (where accessible). The Elections Administrator will operate an election result center to release election results in the **Dallas County Elections Operations Facility, 1520 Round Table Dr., Dallas, Texas 75247.**
- d) The Elections Administrator will link any Participating Political Subdivision's website to DCED's website. Participating Political Subdivisions that want such website linkage should deliver their website address to the Tabulation Supervisor at DCED.
- e) The Elections Administrator will prepare the unofficial canvass report after all Vote

Centers have been counted, and will email a copy of the unofficial canvass to each Participating Political Subdivision as soon as possible after all returns, provisional ballots, and late overseas ballots have been tabulated, but in no event no later than **Tuesday, May 12, 2020**. All Participating Political Subdivisions will be responsible for the official canvass of their respective elections.

- f) The Elections Administrator will be responsible for conducting the post-election manual recount, unless the Texas Secretary of State grants a waiver under Section 127.201 of the Texas Election Code. If no such waiver is given, the Elections Administrator will provide notice and copies of the recount to each Participating Political Subdivision and the Secretary of State's Office. Each Participating Political Subdivision must notify the Elections Administrator if such a waiver has been granted or denied as soon as possible, but no later than five (5) calendar days before Election Day.

10) ELECTION EXPENSES

- a) The Participating Political Subdivisions agree to share the costs of administering this Joint Election as specified in "Attachment A." The Election Administrator will charge a general supervisory fee not to exceed ten (10%) percent of the total cost of this Joint Election as authorized by Section 31.100 of the Texas Election Code. In no event will the ten (10%) percent general supervisory fee be refunded to any Participating Political Subdivision. If the ballot, candidates, or propositions supplied by the Participating Political Subdivision are changed after their initial programming and/or printing by the Elections Administrator due to a court order from a court of competent jurisdiction, the affected Participating Political Subdivision(s) agrees to pay all expenses associated with re-printing and re-programming the ballots pursuant to a court order including expenses for expedited services and "Attachment A" will be amended by the Election Administrator.
- b) Allocation of costs among the Participating Political Subdivisions will be according to a formula based on the average cost per Vote Center polling place and the allocation of election day Tabulators (hereinafter "DS200's") in that polling place ("Unit Cost"). The Unit Cost will be determined by dividing the total of the itemized list of estimated election expenses by the total number of Vote Center polling places. A "Polling Place" will be identified by and defined based on the presence and number of DS200's and/or Election Supply Carts ("ESC's"). Any Participating Political Subdivision that requests additional Vote Centers or equipment will be billed directly for any excess expenditures (e.g. supplies, equipment, personnel, etc.). The cost of any special request from a Participating Political Subdivision, which is not agreed upon by all Participating Political Subdivisions, will be borne by the Participating Political Subdivision making the special request. Each Participating Political Subdivision agrees that no Participating Political Subdivision will be billed less than the minimum of one full Unit Cost as specified in "Attachment A."
- c) The expenses for early voting by mail and personal appearance will be paid by each Participating Political Subdivision as set forth in "Attachment A."

- d) The Elections Administrator will determine the final election expenses to the extent practicable within one hundred and eighty (180) business days after the final canvass of this Joint Election or the runoff election, if any. The Elections Administrator will provide each Participating Political Subdivision with a final, written accounting of all money that was deposited into, and payments that were made from, the Joint Election account(s) maintained by the Dallas County Elections Department for this Joint Election and the runoff election, if any.
- e) If the Elections Administrator requires additional money to perform its obligations under this Election Services Contract, then the Elections Administrator will bill each Participating Political Subdivision using the same method used to determine each Participating Political Subdivision's required deposit in "Attachment A" of this Election Services Contract ("Final Bill"). The Participating Political Subdivision shall pay the Final Bill within thirty (30) days of receipt except for any amount the Participating Political Subdivision files a timely good faith dispute under Section 17 of this Election Services Contract. After all of the expenses of this Joint Election are paid and disputes, if any, resolved, any monies that remain in the account maintained by the Dallas County Elections Department for this Election Services Contract will be refunded to the Participating Political Subdivisions (the "Refund") as soon as practicable.

11) DEPOSIT OF FUNDS

- a) Attachment A: Cost Audit details the cost and expenses anticipated for this election; Participating Political Subdivisions will initially receive an estimate cost audit. The Final Bill will be distributed as soon as all cost and expenses for the election can be determined. Each Participating Political Subdivision hereby agrees to deposit with the Dallas County Elections Department either half or the full balance of money listed in "**Attachment A: Deposit of Funds Detail**" of this Election Services Contract by the first deposit due date of (on or before) **Thursday, February 27, 2020**. If the Participating Political Subdivision makes a partial initial deposit on or by **February 27, 2020**, a full and final deposit must be made to the Dallas County Elections Department by **Tuesday, March 17, 2020**. The Dallas County Elections Department will place the money deposited by the Participating Political Subdivisions in a Joint Election account.
- b) The deposit of funds by each Participating Political Subdivision is an express condition precedent to the participation of each Participating Political Subdivision in this Election Services Contract. A Participating Political Subdivision may seek an extension from the Elections Administrator as to the due date for the deposit of funds. Such an extension must be sought in writing and prior to due date for such deposit by the Participating Political Subdivision. Any decision(s) made by the Elections Administrator will be provided in writing to the Participating Political Subdivision. The Elections Administrator, however, shall not be required to grant an extension for the deposit of funds by a Participating Political Subdivision. For any Participating Political Subdivision that fails to deposit the total amounts specified in "Attachment A" by the dates specified in this Election Services Contract or any extension granted by the Elections Administrator, the Elections Administrator will be relieved from the responsibility to perform under this

Election Services Contract for such Participating Political Subdivision.

- c) The Elections Administrator will only draw money from this Joint Election account to pay for election expenses that are included in "Attachment A" to this Election Services Contract and for other expenses that the Participating Political Subdivisions agree to in writing.
- d) If a Participating Political Subdivision withdraws completely from this Joint Election by **Friday, February 21, 2020** (or, by **Saturday, March 28, 2020** for Special Elections), then the Elections Administrator will refund (as soon as practicable) that Participating Political Subdivision's deposit, less any money already expended before the withdrawal and less the general supervisory fee authorized by Section 31.100 of the Texas Election Code. In the event of a partial withdrawal from this Joint Election, deposits will not be refunded to the Participating Political Subdivisions.
- e) The Elections Administrator will not make partial refunds to a Participating Political Subdivision if any candidate(s) or propositions do not appear on the ballot for that Participating Political Subdivision.
- f) Deposits should be made out to Dallas County Elections Department and delivered within the mandatory time frame to:

- b) Access to the election records will be available to each Participating Political Subdivision as well as to the public in accordance with the Texas Public Information Act, Chapter 552, Government Code, at the **Dallas County Elections Department, 1520 Round Table Drive, Dallas, Texas 75247** at any time during normal business hours. The Elections Administrator will ensure that the records are maintained in an orderly manner, so that records are clearly identifiable and retrievable per records storage container. However, access to election records that contain confidential information that must be redacted pursuant to federal or state law may be provided at the offices of the Civil Division of the Criminal District Attorney's Office of Dallas County, Texas at 411 Elm Street, 5th Floor, Dallas, Texas.
- c) Pursuant to Section 66.058 of the Texas Election Code, the Elections Administrator will retain the election records at the Elections Administrator's main offices and Elections Warehouse for **sixty (60) days** after the date of this Joint Election. **Sixty (60) days** after the date of this Joint Election, the Elections Administrator will arrange for transport of

this Joint Election's records to the Dallas County Record Storage facility. This Joint Election's records will then become the responsibility of Dallas County Record Storage for the remainder of the **twenty-two (22) month** preservation period. Dallas County Record Storage will be responsible for the destruction of this Joint Election records after the preservation period. The Participating Political Subdivisions agree the Elections Administrator may destroy the records from this Joint Election after the **twenty-two (22) month** preservation period without further notice to the Participating Political Subdivisions, unless the events in Section 12 (d) occur.

- d) The Participating Political Subdivisions must notify the Elections Administrator in writing within three (3) business days after any official or employee of any Participating Political Subdivision becomes aware of any election contest in connection with this Joint Election. In accordance with Section 1.013 of the Texas Election Code, the election records must be preserved until any election contest is completed and a judgment, if any, becomes final. Also, the election records will be maintained by the Elections Administrator if there is an active criminal investigation, proceeding, or a pending request for public information, related to the election records until such investigation, proceeding, or request for public information is finally concluded.
- e) The Participating Political Subdivisions acknowledge and agree that the Elections Administrator reserves the right to intervene in any election contest or litigation in connection with this Joint Election in order to preserve any available remedies at law, and to preserve the Elections Administrator's obligations under this Contract and the Texas Election Code.

13) EARLY VOTING

- a) Under Sections 31.094 and 271.006 of the Texas Election Code, the Participating Political Subdivisions hereby appoint the Elections Administrator to be the early voting clerk for all of the political subdivisions participating in this Joint Election. The deputy early voting clerks that will be appointed by the Elections Administrator are listed in "Attachment D."
- b) **This sub-paragraph applies only to a joint election with no partisan candidate on any ballot.** Participating Political Subdivisions may recommend people to the Elections Administrator to serve as a deputy early voting judge/clerk. The Elections Administrator will consider any recommendations and/or requests of each Participating Political Subdivision. If a Participating Political Subdivision recommends a person not listed in "Attachment D" and that recommendation conflicts with the recommendation from any of the other Participating Political Subdivisions involved in the election in that polling place, the Elections Administrator will conduct a drawing by lot from the recommendations to determine the deputy early voting judge/clerk. Once a person has been notified of his or her selection as deputy early voting judge or deputy early voting clerk, no changes may be made by any of the Participating Political Subdivisions.
- c) Any qualified voter for this Joint Election may vote early by personal appearance at the main early voting polling place or at one of the early voting branch polling places listed in Attachment B. Early voting will be conducted as follows: **Monday, April 20, 2020 through**

Friday, April 24, 2020, from 8:00 A.M. to 5:00 P.M.; Saturday, April 25, 2020 between 8:00 A.M. and 5:00 P.M.; Sunday, April 26, 2020, between 1:00 P.M. and 6:00 P.M.; and, Monday, April 27, 2020 through Tuesday, April 28, 2020 between 7:00 A.M. and 7:00 P.M.

- d) All requests for early voting ballots by mail that are received by a Participating Political Subdivision must be transported by runner on the day of receipt to the Dallas County Elections Department, Elections Operations Facility at 1520 Round Table Drive, Dallas, Texas 75247 for processing. Persons voting by mail must send their voted ballots to the Dallas County Elections Department.
- e) All early voting ballots will be prepared for counting by an Early Voting Ballot Board appointed under Subchapter A of Chapter 87 of the Texas Election Code. Each Participating Political Subdivision will appoint one member to the Early Voting Ballot Board and will prepare a list notifying DCED of the appointee's name, telephone number, mailing address, and email address, if any, no later than **Friday, February 14, 2020**. The Participating Political Subdivisions agree to appoint David Morris as the presiding judge of the early voting ballot board. A list of Early Voting Ballot Board members will be furnished to each Participating Political Subdivision no later than **Friday, February 21, 2020**.
- f) A signature verification committee will be appointed in accordance with Section 87.027 of the Texas Election Code. A list of the members of the signature verification committee will be furnished to each Participating Political Subdivision.
- g) The presiding judge of the Early Voting Ballot Board shall deliver notices of rejected ballots in compliance with Section 87.0431, Texas Election Code.

14) CRIMINAL BACKGROUND CHECKS

The Elections Administrator, her agent or assignee will conduct a criminal background check (in accordance with statutory requirements) of any person who is expected to or scheduled to serve or work in this Joint Election. Any person that does not satisfactorily pass the criminal background check will be ineligible to serve or work in this Joint Election. Failure to obtain a criminal background check does not release the participating entity's obligation to pay for service rendered in good faith.

15) ELECTION REPORTS

During the early voting period for this Joint Election, the Elections Administrator will deliver daily reports to each Participating Political Subdivision of the Early Voting Location Turnout Totals and Early Voting Roster. The day after the early voting period ends, the Elections Administrator will deliver to each Participating Political Subdivision, a Daily Early Voting Roster by Vote Center report that includes the entire Early Voting period. Pursuant to the Texas Election Code Section 87.121, the Elections Administrator will deliver these election reports by website posting, e-mail, or facsimile.

16) WITHDRAWAL FROM CONTRACT

- a) No deposits will be refunded after the deadline to withdraw from this Election Services Contract has passed.
- b) In order to withdraw from this Election Services Contract, a Participating Political Subdivision must deliver to the Elections Administrator any certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.
- c) The Elections Administrator will bill any Participating Political Subdivision that withdraws from this Election Services Contract for any expenses incurred prior to the Elections Administrator receiving copies of the certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.
- d) If there are any withdrawals from this Joint Election, within ten (10) business days after the deadline for Participating Political Subdivisions to make declarations under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code, said deadline being **February 21, 2020**, the Elections Administrator will amend the attachments to this Election Services Contract as appropriate and provide updated copies of the amended attachments to all of the remaining Participating Political Subdivisions.
- e) The general supervisory fee authorized by Section 31.100 of the Texas Election Code will not be refunded.

17) AUDITING AND PROHIBITION ON WITHHOLDING OF DEPOSITS

- a) The Dallas County Auditor will conduct a review of the deposits and expenditures related to this Election Services Contract before the Final Bill or Refund is submitted to the Participating Political Subdivisions. Refunds will be submitted as soon as practicable.
- b) The Participating Political Subdivisions may request a financial audit of the Final Bill or Refund or dispute the Final Bill or Refund under this Section, if: 1) the Final Bill exceeds ten percent (10%) of the amount of the Participating Political Subdivision's initial deposit as required in "Attachment A" to this Election Services Contract; or 2) the accounting accompanying the Refund is ten percent (10%) less than the amount the Participating Political Subdivision determines, should be refunded, after its good faith review. The request for a financial audit or dispute must be done in accordance with Section 17 (d) below.
- c) Should the events in Section 17 (b) occur, in lieu of an audit or dispute, the Participating Political Subdivision may make a request that the Elections Administrator ask the Dallas County Auditor to review the cost allocation methodology for the Participating Political Subdivision's Final Bill or Refund ("Review Request"). Participating Political Subdivisions must submit a Review Request to the Elections Administrator within five (5) business days of receipt of the Final Bill or the Refund, whichever is later. The Review Request must set forth, in detail, the basis for any challenge to the Final Bill or Refund. Corrections to the Participating Political Subdivision's Final Bill or the Refund, based on a Review Request, will be determined at the sole discretion of the Elections Administrator. A Review Request does not extend the timeframe in Section 17(d).

- d) Should the circumstances giving rise to an audit or dispute in Section 17 (b) occur, the Participating Political Subdivision may send a formal written notice of dispute of the Final Bill or Refund ("Dispute Notice") to the Elections Administrator. This Dispute Notice must be received by the Elections Administrator no later than thirty (30) calendar days from the date the Participating Political Subdivision receives the Final Bill or Refund. This Dispute Notice must provide: 1) an itemization of the disputed charge(s) by the Participating Political Subdivision; 2) the basis for the dispute; 3) the methodology showing how the Participating Political Subdivision arrived at the amount disputed; and 4) documentation in support thereof. The Participating Political Subdivision will have no right to withhold any undisputed amounts set forth in this Election Services Contract or reflected in the Final Bill. Payment of undisputed amounts in the Final Bill must be made by the Participating Political Subdivision as set forth in Section 10 (e) of this Election Services Contract.
- e) Failure of the Participating Political Subdivision to submit a timely Dispute Notice, as set forth in Section 17(d), shall waive any and all disputes, claims, or challenges to the Final Bill or Refund by the Participating Political Subdivision. The entire amount of the Participating Political Subdivision's Final Bill shall be due immediately; or, any estimated refund amounts will become final.
- f) If the Participating Political Subdivision files a timely Dispute Notice in compliance with Section 17(d), the Participating Political Subdivision will have the right to conduct a good faith financial audit ("Financial Audit") for the deposits and expenditures related to this Elections Services Contract. In conducting the Financial Audit, the Participating Political Subdivision will have no greater right to demand access to or copies of the County's governmental or election records than those rights specified in the Texas Election Code and the Texas Public Information Act. The cost of any Financial Audit conducted by the Participating Political Subdivision shall be borne by the requesting Participating Political Subdivision and may not be paid for with funds deposited with the Dallas County Elections Department under this Election Services Contract. Further, the Participating Political Subdivision conducting the Financial Audit shall pay the Elections Administrator the reasonable costs for time expended and copies provided in order to perform the Financial Audit. If the Financial Audit identifies overcharges by the Elections Administrator of more than ten percent (10%) of the initial deposit amount required by "Attachment A", the Elections Administrator will review and assess the findings of the Financial Audit and will negotiate, in good faith, to resolve any disputes for overcharges with the Participating Political Subdivision. The Elections Administrator shall not be bound by the findings or recommendations of the Participating Political Subdivision's Financial Audit. The financial records will be retained at the County Election Administrator's office until the conclusion of the Financial Audit and resolution of all outstanding audit disputes.
- g) In the event the representatives of the Participating Political Subdivision and the Elections Administrator cannot agree on the amount of the disputed Final Bill as set forth in this Section, then the Parties may agree to submit to non-binding mediation. If mediation is acceptable to both parties to resolve a dispute concerning the disputed Final Bill, the

parties will agree to use a mutually agreed-upon mediator. Unless the parties come to a written agreement at mediation, the mediation will not constitute a final and binding resolution of the dispute.

- h) The Participating Political Subdivision acknowledges that the practical effect of the Participating Political Subdivision withholding undisputed funds that are required under this Election Services Contract would result in breach of this Elections Services Contract and the other Participating Political Subdivisions' taxpayers subsidizing the withholding Participating Political Subdivision's election expenses.

I just wanted to say to the audience and those that are watching, um, um, this is a very important step. um with the city um I understand this is going to be um one of the largest employers uh uh that that the city has and it's not uh only bringing jobs of 450 jobs to the city uh over a period of time that increases the day time population which uh retailers and developers look at but more importantly or additionally these are good good paying jobs in the excess of over \$50,000 um that ah surpasses the uh average uh medium income that the city currently has now so I just wanted to grad congratulate all of those uh that are that are involved with this. And with that being said, I make a motion to approve uhhh item #8.

MOTION: Councilmember Jaglowski made a motion, seconded by Mayor Pro Tem Hill to approve item 8. The vote was cast 6 for, 0 against [Morris absent].

- 9. Discuss and consider a resolution approving a Chapter 380 Agreement by and between the City of Lancaster, Texas, and DSV Real Estate Dallas, Inc., and authorizing the City Manager to execute the Agreement.**

AMENDED- VERBATIM:

Councilmember Strain-Burke stated:

Yes, and I- I had spoken with the City Manager uh prior to this but I clarification that uh this extra 5% kicks in uh on the year that it occurs and they have to have those two components on that year to get that extra 5% so uh it's an incentive to them to be able to get additional to have those 300 jobs and to exceed the 72 million so uh we're working on it, on changing that ratio from the 51% to a bigger 51% for the residents not to have that on their backs. So, kudos to them and I make a motion to approve item 9.

MOTION: Councilmember Strain-Burk made a motion, seconded by Councilmember Jaglowski to approve item 9. The vote was cast 6 for, 0 against [Morris absent].
