LANCASTER CITY COUNCIL

City Council Work Session

1.

Meeting Date: 02/19/2018

Policy Statement: This request supports the City Council 2017-2018 Policy Agenda

Goal(s): Healthy, Safe & Engaged Community

Submitted by: Sean Johnson, Managing Director of Quality of Life and Cultural Services

Agenda Caption:

Discuss and receive a presentation regarding Request for Proposals to update the 2006 Hike and Bike Trails Master Plan.

Background:

The City Council during its FY 2017 – 2018 Strategic Planning Session identified the objective to update the Hike and Bike Trails Master Plan. The current Hike and Bike Trails Master Plan was developed by Halff Associates and was adopted by City Council in 2006. Industry standards indicate and advise that Master Plans be updated at a minimum every ten years.

With the recent adoption of the City of Lancaster, Comprehensive Plan Adoption in October 2016, it was prioritized that our existing plan should be updated.

Operational Considerations:

Proposals were received from:

1. Halff & Associates
2. Dunaway
3. La Terra Studio

None of which were minority and/or women owned enterprises.

Dunaway Associates is the company selected by a panel of City staff from a cross section of the City representing Development Services, Economic Development and Quality of Life and Cultural Services.

City Council will receive a presentation from Dunaway Associates.

LANCASTER CITY COUNCIL

City Council Work Session

2.

Meeting Date: 02/19/2018

Policy Statement: This request supports the City Council 2017-2018 Policy Agenda

Goal(s): Healthy, Safe & Engaged Community

Submitted by: Ricky Frye, Interim Fire Chief / Emergency Management Coordinator

Agenda Caption:

Receive a presentation regarding the updated Southwest Regional Emergency Management Plan.

Background:

The City of Lancaster along with the cities of Cedar Hill, DeSoto, and Duncanville are participating partners in the Southwest Regional Emergency Management Plan. The State of Texas requires that all emergency plans be updated and reviewed regularly to keep the information and plan itself current in case of a disaster. The Southwest Regional Emergency Management Plan has been recently updated and needs to be reviewed and then approved by each participating city.

City Council will receive a presentation.

II. PURPOSE

The City of Lancaster Emergency Management Plan outlines our approach to emergency operations. It provides general guidance for emergency management activities and an overview of our methods of mitigation, preparedness, response, and recovery. The plan describes our emergency response organization and assigns responsibilities for various emergency tasks. This plan is intended to provide a framework for more specific functional annexes that describe in more detail who does what, when, and how. This plan applies to all local officials, departments, and agencies. The primary audience for the document includes our chief elected official and other elected officials, the emergency management staff, department and agency heads and their senior staff members, leaders of local volunteer organizations that support emergency operations, and others who may participate in our mitigation, preparedness, response, and recovery efforts to include the whole of community.

B. Definitions

1. Area Command (Unified Area Command). An organization established (1) to oversee the management of multiple incidents that are each being managed by an ICS organization or (2) to oversee the management of large or multiple incidents to which several Incident Management Teams have been assigned. Sets overall strategy and priorities, allocates critical resources according to priorities, ensures that incidents are properly managed, and ensures that objectives are met and strategies followed. Area Command becomes Unified Area Command when incidents are multijurisdictional.
2. Disaster District. Disaster Districts are regional state emergency management organizations mandated by the Executive Order of the Governor relating to Emergency Management whose boundaries parallel those of Highway Patrol Districts and Sub-Districts of the Texas Department of Public Safety.
3. Disaster District Committee. The DDC consists of a Chairperson (the local Highway Patrol captain or command lieutenant), and agency representatives that mirror the membership of the State Emergency Management Council. The DDC Chairperson, supported by committee members, is responsible for identifying, coordinating the use of, committing, and directing state resources within the district to respond to emergencies.
4. Emergency Operations Center. Specially equipped facilities from which government officials exercise direction and control and coordinate necessary resources in an emergency situation.
5. Public Information. Information that is disseminated to the public via the news media before, during, and/or after an emergency or disaster ensuring the needs of the whole community are addressed.
6. Emergency Situations. As used in this plan, this term is intended to describe a *range* of occurrences, from a minor incident to a catastrophic disaster. It includes the following:
 - a. Incident. An incident is a situation that is limited in scope and potential effects. Characteristics of an incident include:
 - 1) Involves a limited area and/or limited population.
 - 2) Evacuation or in-place sheltering is typically limited to the immediate area of the incident.
 - 3) Warning and public instructions are provided in the immediate area, not community-wide.

- 4) One or two local response agencies or departments acting under an incident commander normally handle incidents. Requests for resource support are normally handled through agency and/or departmental channels.
 - 5) May require limited external assistance from other local response agencies or contractors.
 - 6) For the purposes of the NRF, incidents include the full range of occurrences that require an emergency response to protect life or property.
- b. Emergency. An emergency is a situation that is larger in scope and more severe in terms of actual or potential effects than an incident. Characteristics include:
- 1) Involves a large area, significant population, or important facilities.
 - 2) May require implementation of large-scale evacuation or in-place sheltering and implementation of temporary shelter and mass care operations.
 - 3) May require community-wide warning and public instructions.
 - 4) Requires a sizable multi-agency response operating under an incident commander.
 - 5) May require some external assistance from other local response agencies, contractors, and limited assistance from state or federal agencies.
 - 6) The EOC will be activated to provide general guidance and direction, coordinate external support, and provide resource support for the incident.
 - 7) For the purposes of the NRF, an emergency (as defined by the Stafford Act) is "any occasion or instance for which, in the determination of the President, Federal assistance is needed to supplement State and local efforts and capabilities to save lives and to protect property and public health and safety, or to lessen or avert the threat of catastrophe in any part of the United States."
- c. Disaster. A disaster involves the occurrence or threat of significant casualties and/or widespread property damage that is beyond the capability of the local government to handle with its organic resources. Characteristics include:
- 1) Involves a large area, a sizable population, and/or important facilities.
 - 2) May require implementation of large-scale evacuation or in-place sheltering and implementation of temporary shelter and mass care operations.
 - 3) Requires community-wide warning and public instructions.
 - 4) Requires a response by all local response agencies operating under one or more incident commanders.

- 5) Requires significant external assistance from other local response agencies, contractors, and extensive state or federal assistance.
 - 6) The EOC will be activated to provide general guidance and direction, provide emergency information to the public, coordinate state and federal support, and coordinate resource support for emergency operations.
 - 7) For the purposes of the NRF, a *major disaster* (as defined by the Stafford Act) is any catastrophe, regardless of the cause, which in the determination of the President causes damage of sufficient severity and magnitude to warrant major disaster federal assistance.
- d. Catastrophic Incident. For the purposes of the NRF, this term is used to describe any natural or manmade occurrence that results in extraordinary levels of mass casualties, property damage, or disruptions that severely affect the population, infrastructure, environment, economy, national morale, and/or government functions. An occurrence of this magnitude would result in sustained national impacts over prolonged periods of time, and would immediately overwhelm local and state capabilities. All catastrophic incidents are *Incidents of National Significance*.
7. Hazard Analysis. A document, published separately from this plan, that identifies the local hazards that have caused or possess the potential to adversely affect public health and safety, public or private property, or the environment.
 8. Hazardous Material (Hazmat). A substance in a quantity or form posing an unreasonable risk to health, safety, and/or property when manufactured, stored, or transported. The substance, by its nature, containment, and reactivity, has the capability for inflicting harm during an accidental occurrence. Is toxic, corrosive, flammable, reactive, an irritant, or a strong sensitizer, and poses a threat to health and the environment when improperly managed. Includes toxic substances, certain infectious agents, radiological materials, and other related materials such as oil, used oil, petroleum products, and industrial solid waste substances
 9. Inter-local agreements. Arrangements between governments or organizations, either public or private, for reciprocal aid and assistance during emergency situations where the resources of a single jurisdiction or organization are insufficient or inappropriate for the tasks that must be performed to control the situation. Commonly referred to as mutual aid agreements.
 10. Stafford Act. The Robert T. Stafford Disaster Relief and Emergency Assistance Act authorizes federal agencies to undertake special measures designed to assist the efforts of states in expediting the rendering of aid, assistance, emergency services, and reconstruction and rehabilitation of areas devastated by disaster.

11. Standard Operating Procedures. Approved methods for accomplishing a task or set of tasks. SOPs are typically prepared at the department or agency level. May also be referred to as Standard Operating Guidelines (SOGs).

IV. SITUATION AND ASSUMPTIONS

A. Situation

The City of Lancaster is exposed to many hazards, all of which have the potential for disrupting the community, causing casualties, and damaging or destroying public or private property. A summary of the major hazards that our cities may face is provided in Figure 1, Southwest Regional Emergency Management Hazard Identification and Risk Assessment (HIRA). These major hazards are identified as natural, man-made, and technological hazards. Figure 1: Hazard Summary identifies the probability, frequency, severity, risk factor, potential damage, and total vulnerability to people, property, and the environment. Southwest Regional Emergency Management has identified the natural, man-made and technological hazards that potentially could impact the City of Lancaster using a broad range of sources. Emergency Management has assessed the risk and vulnerability of people, property, the environment, and our own operations from these hazards. (*See the Southwest Regional Emergency Management Hazard Identification and Risk Assessment published separately 2016*).

In Figure 2, identifies the probability, frequency, severity, risk factor, potential damage, and total vulnerability to Lancaster's employees/responders, property, facilities, Critical Infrastructure / Key Resources, Business Processes (COOP/COG) vulnerability and impact to the current economic condition and public confidence. The Hazard Identification and Risk Assessment will also be used during Continuity of Operations/Continuity of Government planning in the future. Emergency Management has conducted a consequence analysis for the hazards identified to consider the impact on the public; responders; continuity of operations including continued delivery of services; property, facilities, and infrastructure; the economic condition of Lancaster and public confidence in local governance. Additional hazard information is provided in our *Southwest Regional Hazard Identification and Risk Assessment (HIRA)*, 2016, which is published separately.

Hazard Identification and Risk Assessment

a.) Profiling Hazards

This section of the plan will provide an overview of the specific natural, technological, and man-made hazards that can affect Cedar Hill, DeSoto, Duncanville, and Lancaster, including information on historical occurrences and the probability of future occurrences. The following table contains the Hazard and Risk Assessment for Cedar Hill, DeSoto, Duncanville and Lancaster. To determine the

hazards that pose the greatest threat, a Hazard Identification and Risk Assessment was completed to determine impact to people, property, environment, employees, facilities, and the Business Processes. In the assessment, numerical values were assigned for the following factors:

1.) Frequency of Occurrence:

FREQUENCY OF OCCURRENCE: PROBABILITY SCALE	
Low/UNLIKELY EVENT PROBABLE NEXT 100 YEARS	1
AVERAGE/OCCASIONAL 1-10% PROBABILITY OF OCCURRENCE PER YEAR, OR AT LEAST 1 CHANCE IN NEXT 100 YEARS.	2
MEDIUM/MODERATE/LIKELY >10% BUT <100% PROBABILITY PER YEAR, AT LEAST 1 CHANCE IN NEXT 10 YEARS	3
HIGH/HIGHLY LIKELY EVENT POSSIBLE NEXT YEAR	4

2.) Probability:

Low/Unlikely	1
Average/Occasional	2
Medium/Moderate/ Likely	3
High/Highly Likely	4

3.) Severity:

Severity // Potential Impact	
1 - Negligible	Isolated occurrences of minor property damage, minor disruption of critical facilities and infrastructure, potential for minor injuries
2 - Minor	Isolated occurrences of moderate to severe property damage, brief disruption of critical facilities and infrastructure, and potential for injuries.
3 - Moderate	Severe property damage on neighborhood scale, temporary shutdown of critical facilities, and/or injuries or fatalities.
4 - Major	Severe property damage on a metropolitan or regional scale, shutdown of critical facilities, and/or multiple injuries or fatalities.

The risk factor was calculated by dividing the Frequency by the Probability times the severity to determine the risk factor $(P/F)*S=RF$.

4.) Impact to People, Property, Environment, Employees, Facilities, and Business Processes:

Severity / Potential Impact	
1 - Negligible	Isolated occurrences of minor property damage,

	minor disruption of critical facilities and infrastructure, potential for minor injuries
2 - Minor	Isolated occurrences of moderate to severe property damage, brief disruption of critical facilities and infrastructure, and potential for injuries.
3 -Moderate	Severe property damage on neighborhood scale, temporary shutdown of critical facilities, and/or injuries or fatalities.
4 - Major	Severe property damage on a metropolitan or regional scale, shutdown of critical facilities, and/or multiple injuries or fatalities.

- 5.) **Potential Damage:** The potential damage was calculated by adding the numerical value given to people, property, and the environment (Employees, Facilities, and the Businesses Processes) will equal the potential damage. (People + Property + Environment=Potential Damage (PD) or Employees + Property, Facilities, CIKR + Business Processes=Potential Damage (PD).
- 6.) **Total Vulnerability:** The total vulnerability is calculated by dividing the potential damage by the risk factor to get the percentage of vulnerability for people, property, and the environment. Risk Factor (RF)/ Potential Damage (PD) = Vulnerability (V). The total vulnerability was ranked from the highest percentage to the lowest percentage. The total vulnerability also could show total impact to Lancaster's economy and public confidence following a disaster within our area.

See Dallas County Hazard Mitigation Action Plan for additional information on identified hazards and mitigation strategies for identified hazards.

B. Assumptions

1. The City of Lancaster will continue to be exposed to and subject to the impact of those hazards described above and as well as lesser hazards and others that may develop in the future.
2. It is possible for a major disaster to occur at any time and at any place. In many cases, dissemination of warning to the public and implementation of increased readiness measures may be possible. However, some emergency situations occur with little or no warning.
3. Outside assistance will be available in most emergency situations, affecting our city. Since it takes time to summon external assistance, it is essential for us to be prepared to carry out the initial emergency response on an independent basis.
4. Proper mitigation actions, such as floodplain management, and fire inspections, can prevent or reduce disaster-related losses. Detailed emergency planning, training of emergency responders and other personnel, and conducting periodic emergency drills and exercises can improve our readiness to deal with emergency situations.

V. CONCEPT OF OPERATIONS

A. Objectives

The objectives of our emergency management program are to protect public health and safety and preserve public and private property.

B. General

1. It is our responsibility to protect public health and safety and preserve property from the effects of hazardous events. We have the primary role in identifying and mitigating hazards, preparing for and responding to, and managing the recovery from emergency situations that affect our community.
2. It is impossible for government to do everything that is required to protect the lives and property of our population. Our citizens have the responsibility to prepare themselves and their families to cope with emergency situations and manage their affairs and property in ways that will aid the government in managing emergencies. We will assist our citizens in carrying out these responsibilities by providing public information and instructions prior to and during emergency situations.

3. Local government is responsible for organizing, training, and equipping local emergency responders and emergency management personnel, providing appropriate emergency facilities, providing suitable warning and communications systems, and for contracting for emergency services. The state and federal governments offer programs that provide some assistance with portions of these responsibilities.
4. To achieve our objectives, we have organized an emergency management program that is both integrated (employs the resources of government, organized volunteer groups, and businesses) and comprehensive (addresses mitigation, preparedness, response, and recovery). This plan is one element of our preparedness activities.
5. This plan is based on an all-hazard approach to emergency planning. It addresses general functions that may need to be performed during any emergency situation and is not a collection of plans for specific types of incidents. For example, the warning annex addresses techniques that can be used to warn the public during any emergency situation, whatever the cause.
6. Departments and agencies tasked in this plan are expected to develop and keep current standard operating procedures that describe how emergency tasks will be performed. Departments and agencies are charged with ensuring the training and equipment necessary for an appropriate response are in place.
7. This plan is based upon the concept that the emergency functions that must be performed by many departments or agencies generally parallel some of their normal day-to-day functions. To the extent possible, the same personnel and material resources used for day-to-day activities will be employed during emergency situations. Because personnel and equipment resources are limited, some routine functions that do not contribute directly to the emergency may be suspended for the duration of an emergency. The personnel, equipment, and supplies that would normally be required for those functions will be redirected to accomplish emergency tasks.
8. We have adopted the National Incident Management System (NIMS) in accordance with the President's Homeland Security Directive (HSPD)-5. Our adoption of NIMS will provide a consistent approach to the effective management of situations involving natural or man-made disasters, or terrorism. NIMS allows us to integrate our response activities using a set of standardized organizational structures designed to improve interoperability between all levels of government, private sector, and nongovernmental organizations.
9. This plan, in accordance with the National Response Framework (NRF), is an integral part of the national effort to prevent, and reduce America's vulnerability to terrorism, major disasters, and other emergencies, minimize

the damage and recover from attacks, major disasters, and other emergencies that occur. In the event of an Incident of national significance, as defined in HSPD-5, we will integrate all operations with all levels of government, private sector, and nongovernmental organizations through the use of NRF coordinating structures, processes, and protocols.

C. Operational Guidance

We will employ the six components of the NIMS in all operations, which will provide a standardized framework that facilitates our operations in all phases of emergency management. Attachment 7 provides further details on the NIMS.

1. Initial Response. Our emergency responders are likely to be the first on the scene of an emergency situation. They will normally take charge and remain in charge of the incident until it is resolved or others who have legal authority to do so assume responsibility. They will seek guidance and direction from our local officials and seek technical assistance from state and federal agencies and industry where appropriate.
2. Implementation of ICS
 - a. The first local emergency responder to arrive at the scene of an emergency situation will implement the incident command system and serve as the incident commander until relieved by a more senior or more qualified individual. The incident commander will establish an incident command post (ICP) and provide an assessment of the situation to local officials, identify response resources required, and direct the on-scene response from the ICP.
 - b. For some types of emergency situations, a specific incident scene may not exist in the initial response phase and the EOC may accomplish initial response actions, such as mobilizing personnel and equipment and issuing precautionary warning to the public. As the potential threat becomes clearer and a specific impact site or sites identified, an incident command post may be established, and direction and control of the response transitioned to the Incident Commander.
3. Source and Use of Resources.
 - a. We will use our own resources, all of which meet the requirements for resource management in accordance with the NIMS, to respond to emergency situations, purchasing supplies and equipment if necessary, and request assistance if our resources are insufficient or inappropriate. §418.102 of the Government Code provides that the county should be the first channel through which a municipality requests assistance when its resources are exceeded. If additional resources are required, we will:

- 1) Summon those resources available to us pursuant to inter-local agreements. See Attachment 6 to this plan, which summarizes the inter-local agreements and identifies the officials authorized to request those resources.
 - 2) Summon emergency service resources that we have contracted for. See Attachment 6.
 - 3) Request assistance from volunteer groups active in disasters.
 - 4) Request assistance from industry or individuals who have resources needed to deal with the emergency situation.
- b. When external agencies respond to an emergency situation within our jurisdiction, we expect them to conform to the guidance and direction provided by our incident commander, which will be in accordance with the NIMS.

D. Incident Command System (ICS)

1. We intend to employ ICS, an integral part of the NIMS, in managing emergencies. ICS is both a strategy and a set of organizational arrangements for directing and controlling field operations. It is designed to effectively integrate resources from different agencies into a temporary emergency organization at an incident site that can expand and contract with the magnitude of the incident and resources on hand. A summary of ICS is provided in Attachment 7.
2. The incident commander is responsible for carrying out the ICS function of command -- managing the incident. The four other major management activities that form the basis of ICS are operations, planning, logistics, and finance/administration. For small-scale incidents, the incident commander and one or two individuals may perform all of these functions. For larger incidents, a number of individuals from different departments or agencies may be assigned to separate staff sections charged with those functions.
3. An incident commander using response resources from one or two departments or agencies can handle the majority of emergency situations. Departments or agencies participating in this type of incident response will normally obtain support through their own department or agency.
4. In emergency situations where other jurisdictions or the state or federal government are providing significant response resources or technical assistance, it is generally desirable to transition from the normal ICS structure to a Unified or Area Command structure. This arrangement helps to ensure that all participating agencies are involved in developing objectives and strategies to deal with the emergency. Attachment 7 provides additional information on Unified and Area Commands.

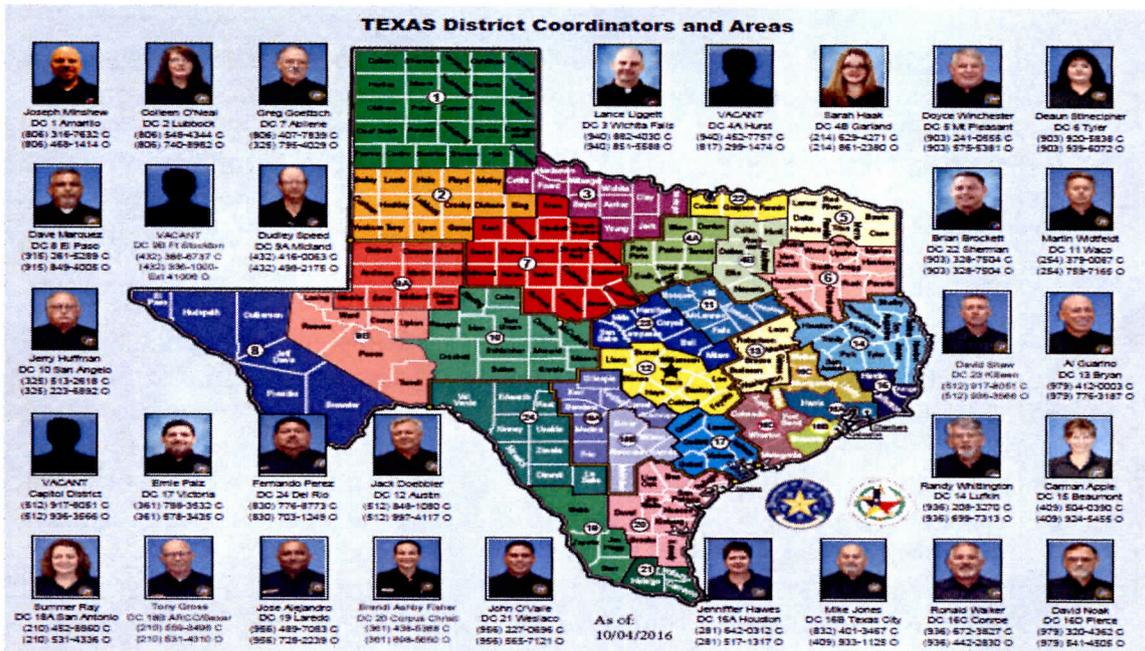

E. ICS - EOC Interface

1. For major emergencies and disasters, the Emergency Operations Center (EOC) will be activated. When the EOC is activated, it is essential to establish a division of responsibilities between the incident command post and the EOC. A general division of responsibilities is outlined below. It is essential that a precise division of responsibilities be determined for specific emergency operations.
2. The incident commander is generally responsible for field operations, including:
 - a. Isolating the scene.
 - b. Directing and controlling the on-scene response to the emergency situation and managing the emergency resources committed there.
 - c. Warning the population in the area of the incident and providing emergency instructions to them.
 - d. Determining and implementing protective measures (evacuation or in-place sheltering) for the population in the immediate area of the incident and for emergency responders at the scene.
 - e. Implementing traffic control arrangements in and around the incident scene.
 - f. Requesting additional resources from the EOC.
3. The EOC is generally responsible for:
 - a. Providing resource support for the incident command operations.
 - b. Issuing community-wide warning.
 - c. Issuing instructions and providing information to the general public.
 - d. Organizing and implementing large-scale evacuation.
 - e. Organizing and implementing shelter and mass arrangements for evacuees.
 - f. Coordinating traffic control for large-scale evacuations.
 - g. Requesting assistance from the State and other external sources.
4. In some large-scale emergencies or disasters, emergency operations with different objectives may be conducted at geographically separated scenes. In such situations, more than one incident command operation may be established. If this situation occurs, a transition to an Area Command or a Unified Area Command is desirable, and the allocation of resources to specific field operations will be coordinated through the EOC.

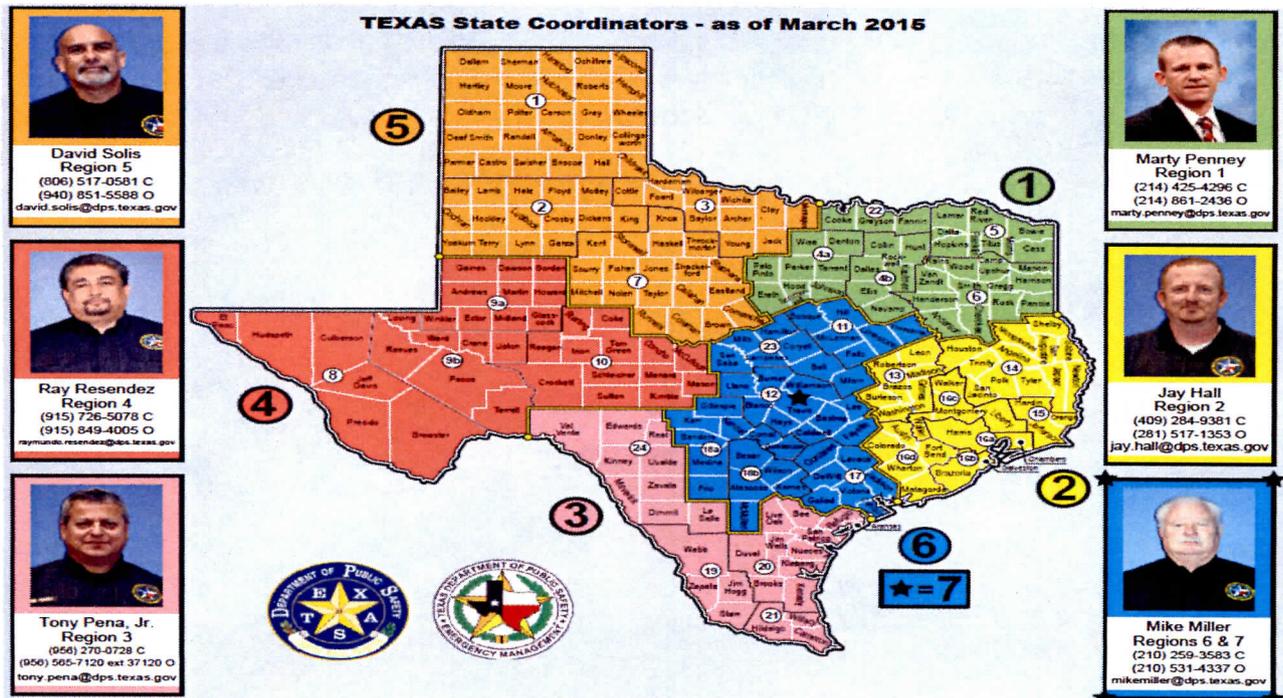

F. State, Federal & Other Assistance

1. State & Federal Assistance

- a. If local resources are inadequate to deal with an emergency situation, we will request assistance from the State. State assistance furnished to local governments is intended to supplement local resources and not substitute for such resources, including mutual aid resources, equipment purchases or leases, or resources covered by emergency service contracts. As noted previously, cities must request assistance from their county before requesting state assistance.
- b. Requests for state assistance should be made to the Disaster District Committee (DDC) Chairperson, who is located at the Department of Public Safety District Office in Garland. See Appendix 3 to Annex M: Resource Management, for a form that can be used to request state assistance. In essence, state emergency assistance to local governments begins at the DDC level and the key person to validate a request for, obtain, and provide that state assistance and support is the DDC Chairperson. A request for state assistance must be made by the chief elected official (the Mayor) and may be made by WebEOC, telephone, fax, or email. The DDC Chairperson has the authority to utilize all state resources within the district to respond to a request for assistance, with the exception of the National Guard. Use of National Guard resources requires approval of the Governor.
- c. The Disaster District staff will forward requests for assistance that cannot be satisfied by state resources within the District to the State Operations Center (SOC) in Austin for action.
- d. Texas Division of Emergency Management District Coordinator Map, dated December 2016.

e. Texas Division of Emergency Management Regional State Coordinator Map, dated March 2015.

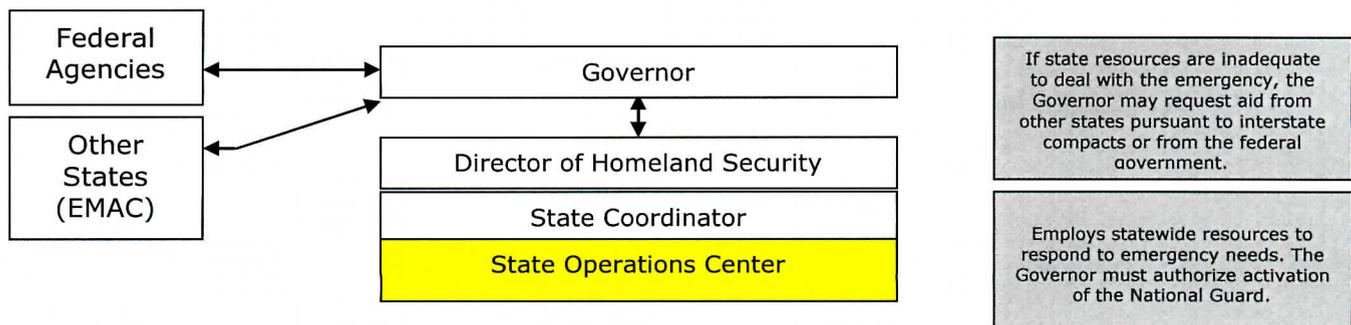

f. State assistance furnished to Lancaster is intended to supplement local resources and not substitute for such resources, including mutual aid resources, equipment purchases or leases, or resources covered by

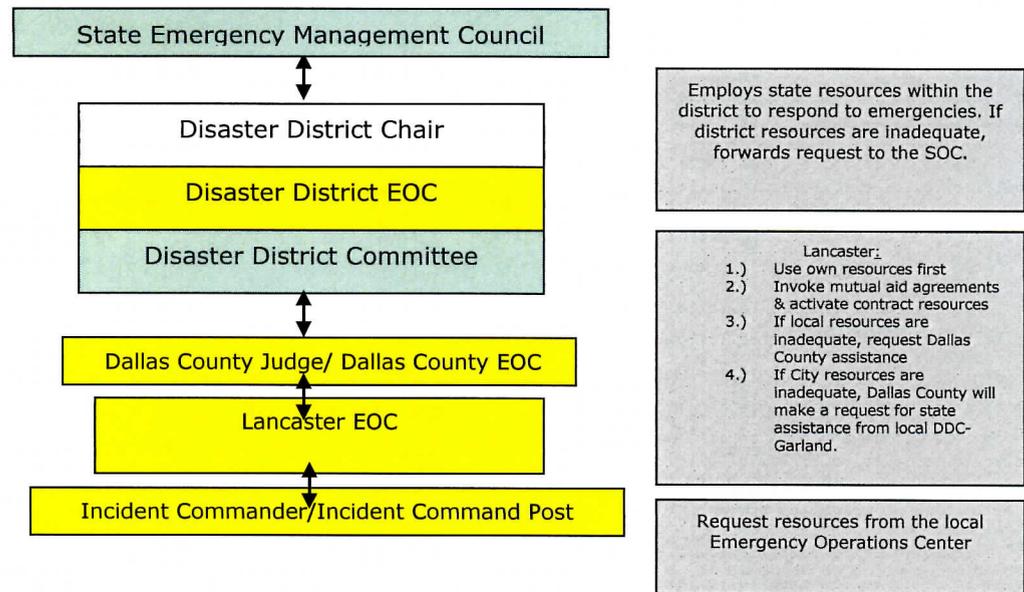

emergency service contracts. See Appendix 3 to Annex M: Resource Management, for an ICS 213 form that can be used to request state assistance or utilizing WebEOC to submit resource requests.

- g. The DDC Chairperson has the authority to utilize all state resources within the district to respond to a request for assistance, with the exception of the National Guard. Use of National Guard resources requires approval of the Governor. The DDC Chair is expected to validate the request for assistance and identify and task resources available with the District to meet the needs. Use of the National or State Guard requires advance approval by the Governor, which will be coordinated by the SOC. If a particular state agency is required by law to render assistance in a certain type of emergency (e.g., oil spill, hazmat, animal disease outbreak, radiological event, etc.), then direct communications between local government officials and that state agency is appropriate; however, the DDC Chair must be kept informed of the operational situation. If state assistance is authorized by the DDC Chair or directed by statute, state agencies will provide response and recovery assistance within their capabilities in accordance with state statutes and regulations and this plan.

- g. State assistance furnished to local governments is to supplement local resources, not a substitute for them. The provision of state response assistance to local governments is not dependent upon a formal declaration of a State of Disaster either by the local government or Governor when such response is required by state law or, in the opinion of either the Governor, the Director of the Texas Division of Emergency Management, the State Coordinator, District Coordinator or the DDC Chair, such assistance is needed for lifesaving operations or to relieve suffering and hardship.

- h. The Disaster District staff will forward resource requests by WebEOC (STAR request) or ICS 213 for assistance that cannot be satisfied by state resources within the District to the State Operations Center (SOC) for appropriate action. When state resources are insufficient to deal with an emergency situation, the State Operations Center (SOC) senior staff will coordinate with the Governor's Office to request specific assistance from other states or the federal government.

2. Other Assistance

- a. If resources required to control an emergency situation are not available within the State, the Governor may request assistance from other states pursuant to a number of interstate compacts or from the federal government through the Federal Emergency Management Agency (FEMA).
- b. For major emergencies and disasters for which a Presidential declaration has been issued, federal agencies may be mobilized to provide assistance to states and local governments. The *National Response Framework (NRF)* describes the policies, planning assumptions, concept of operations, and responsibilities of designated federal agencies for various response and recovery functions. The *Nuclear/Radiological Incident Annex of the NRP* addresses the federal response to major incidents involving radioactive materials.
- c. FEMA has the primary responsibility for coordinating federal disaster assistance. No direct federal disaster assistance is authorized prior to a Presidential emergency or disaster declaration, but FEMA has limited authority to stage initial response resources near the disaster site and activate command and control structures prior to a declaration and the Department of Defense has the authority to commit its resources to save lives prior to an emergency or disaster declaration. See Annex J, Recovery, for additional information on the assistance that may be available during disaster recovery.

- d. The NRF applies to Stafford and non-Stafford Act incidents and is designed to accommodate not only actual incidents, but also the threat of incidents. Therefore, NRF implementation is possible under a greater range of incidents.

G. Emergency Authorities

1. Key federal, state, and local legal authorities pertaining to emergency management are listed in Section I of this plan.
2. Texas statutes and the Executive Order of the Governor Relating to Emergency Management provide local government, principally the chief elected official, with a number of powers to control emergency situations. If necessary, we shall use these powers during emergency situations. These powers include:
 - a. Emergency Declaration. In the event of riot or civil disorder, the Mayor may request the Governor to issue an emergency declaration for this jurisdiction and take action to control the situation. Use of the emergency declaration is explained in Annex U: Legal.
 - b. Disaster Declaration. When an emergency situation has caused severe damage, injury, or loss of life or it appears likely to do so, the Mayor may by executive order or proclamation declare a local state of disaster. The Mayor may subsequently issue orders or proclamations referencing that declaration to invoke certain emergency powers granted the Governor in the Texas Disaster Act *on an appropriate local scale* in order to cope with the disaster. These powers include:
 - 1) Suspending procedural laws and rules to facilitate a timely response.
 - 2) Using all available resources of government and commandeering private property, subject to compensation, to cope with the disaster.
 - 3) Restricting the movement of people and occupancy of premises.
 - 4) Prohibiting the sale or transportation of certain substances.
 - 5) Implementing price controls.

A local disaster declaration activates the recovery and rehabilitation aspects of this plan. A local disaster declaration is required to obtain state and federal disaster recovery assistance. See Annex U: Legal, for further information on disaster declarations and procedures for invoking emergency powers.

- c. Authority for Evacuations. State law provides a county judge or mayor with the authority to order the evacuation of all or part of the population from a stricken or threatened area within their respective jurisdictions.

H. Actions by Phases of Emergency Management

1. This plan addresses emergency actions that are conducted during all four phases of emergency management.

- a. Mitigation

We will conduct mitigation activities as an integral part of our emergency management program. Mitigation is intended to eliminate hazards, reduce the probability of hazards causing an emergency situation, or lessen the consequences of unavoidable hazards. Mitigation should be a pre-disaster activity, although mitigation may also occur in the aftermath of an emergency situation with the intent of avoiding repetition of the situation. Our mitigation program is outlined in Annex P: Mitigation.

- b. Preparedness

We will conduct preparedness activities to develop the response capabilities needed in the event an emergency. Among the preparedness activities included in our emergency management program are:

- 1) Providing emergency equipment and facilities.
- 2) Emergency planning, including maintaining this plan, its annexes, and appropriate SOPs.
- 3) Conducting or arranging appropriate training for emergency responders, emergency management personnel, other local officials, and volunteer groups who assist us during emergencies.
- 4) Conducting periodic drills and exercises to test our plans and training.

- c. Response

We will respond to emergency situations effectively and efficiently. The focus of most of this plan and its annexes is on planning for the response to emergencies. Response operations are intended to resolve an emergency situation while minimizing casualties and property damage. Response activities include warning, emergency medical services, firefighting, law enforcement operations, evacuation, shelter and mass care, emergency public information, search and rescue, as well as other associated functions.

- d. Recovery

If a disaster occurs, we will carry out a recovery program that involves both short-term and long-term efforts. Short-term operations seek to restore vital services to the community and provide for the basic needs of the public. Long-term recovery focuses on restoring the community to its normal state. The federal government, pursuant to the Stafford Act,

provides the vast majority of disaster recovery assistance. The recovery process includes assistance to individuals, businesses, and to government and other public institutions. Examples of recovery programs include temporary housing, restoration of government services, debris removal, restoration of utilities, disaster mental health services, and reconstruction of damaged roads and bridges. Our recovery program is outlined in Annex J: Recovery.

VI. ORGANIZATION AND ASSIGNMENT OF RESPONSIBILITIES

A. Organization

1. General

Most departments and agencies of local government have emergency functions in addition to their normal day-to-day duties. During emergency situations, our normal organizational arrangements are modified to facilitate emergency operations. Our governmental organization for emergencies includes an executive group, emergency services, and support services. Attachment 3 depicts our emergency organization.

2. Executive Team

The Executive Team provides guidance and direction for emergency management programs and for emergency response and recovery operations. The Executive Team includes the Mayor, City Manager, and Emergency Management Coordinator and the City's Executive Team.

3. Emergency Services

Emergency Services include the Incident Commander and those departments, agencies, and groups with primary emergency response actions. The incident commander is the person in charge at an incident site.

4. Emergency Support Services

This group includes departments and agencies that support and sustain emergency responders and also coordinate emergency assistance provided by organized volunteer organizations, business and industry, and other sources.

5. Dallas County Voluntary Organizations Active in Disasters (DC VOAD) and Other Services

This group includes organized volunteer groups and businesses that have agreed to provide certain support for emergency operations through Dallas County VOAD.

Adventist Community Services	American Red Cross	Buddhist Tzu Chi Foundation	Catholic Charities of Dallas	Community Council of Greater Dallas and 2-1-1

B. Assignment of Responsibilities

1. General

For most emergency functions, successful operations require a coordinated effort from a number of departments, agencies, and groups. To facilitate a coordinated effort, elected and appointed officials, departments and agency heads, and other personnel are assigned primary responsibility for planning and coordinating specific emergency functions. Generally, primary responsibility for an emergency function will be assigned to an individual from the department or agency that has legal responsibility for that function or possesses the most appropriate knowledge and skills. Other officials, departments, and agencies may be assigned support responsibilities for specific emergency functions. Attachment 4 summarizes the general emergency responsibilities of local officials, department and agency heads, and other personnel.

- The individual having primary responsibility for an emergency function is normally responsible for coordinating preparation of and maintaining that portion of the emergency plan that addresses that function. Plan and annex assignments are outlined in Attachment 5. Listed below are general responsibilities assigned to the Executive Team, Emergency Services,

Support Services, and other Support Agencies. Additional specific responsibilities can be found the functional annexes to this Basic Plan.

3. Executive Team Responsibilities

a. The Mayor will:

- 1) Establish objectives and priorities for the emergency management program and provide general policy guidance on the conduct of that program.
- 2) Monitor the emergency response during disaster situations and provides direction where appropriate.
- 3) With the assistance of the Public Information Officer, keep the public informed during emergency situations.
- 4) With the assistance of the legal staff, declare a local state of disaster, request the Governor declare a state of emergency, or invoke the emergency powers of government when necessary.
- 5) Request assistance from other local governments or the State when necessary.
- 6) Direct activation of the EOC.

b. The City Manager will:

- 1) Implement the policies and decisions of the governing body relating to emergency management.
- 2) Organize the emergency management program and identifies personnel, equipment, and facility needs.
- 3) Assign emergency management program tasks to departments and agencies.
- 4) Ensure that departments and agencies participate in emergency planning, training, and exercise activities.
- 5) Coordinate the operational response of local emergency services.
- 6) Coordinate activation of the EOC and supervise its operation.

c. The Emergency Management Coordinator will:

- 1) Serve as the staff advisor to our Mayor and City Manager on emergency management matters.
- 2) Keep the Mayor and City Manager governing body apprised of our preparedness status and emergency management needs.
- 3) Coordinate local planning and preparedness activities and the maintenance of this plan.
- 4) Prepare and maintain a resource inventory.
- 5) Arrange appropriate training for local emergency management personnel and emergency responders.
- 6) Coordinate periodic emergency exercises to test our plan and training.
- 7) Manage the EOC, develop procedures for its operation, and conduct training for those who staff it.
- 8) Activate the EOC when required.
- 9) Perform day-to-day liaison with the state emergency management staff and other local emergency management personnel.
- 10) Coordinate with organized volunteer groups and businesses regarding emergency operations.

4. Common Responsibilities

All emergency services and support services will:

- a. Provide personnel, equipment, and supplies to support emergency operations upon request.
- b. Develop and maintain SOPs for emergency tasks.
- c. Provide trained personnel to staff the incident command post and EOC and conduct emergency operations.
- d. Provide current information on emergency resources for inclusion in the Resource List in Appendix 1 to Annex M: Resource Management.
- e. Report information regarding emergency situations and damage to facilities and equipment to the Incident Commander or the EOC.

5. Emergency Services Responsibilities

a. The Incident Commander will:

- 1) Manage emergency response resources and operations at the incident site command post to resolve the emergency situation.
- 2) Determine and implement required protective actions for response personnel and the public at an incident site.

b. Warning.

- 1) Primary responsibility for this function is assigned to the Lancaster 9-1-1 Communications Center Manager, who will prepare and maintain Annex A (Warning) to this plan and supporting SOPs.
- 2) Emergency tasks to be performed include:
 - a) Receive information on emergency situations.
 - b) Alert key local officials of emergency situations.
 - c) Disseminate warning information and instructions to the public through available warning systems ensuring the needs of the whole community are addressed.
 - d) Disseminate warning and instructions to institutional facilities such as schools and hospitals.

c. Communications.

- 1) Primary responsibility for this function is assigned to the Lancaster 9-1-1 Communications Center Manager, who will prepare and maintain Annex B (Communications) to this plan and supporting SOPs.
- 2) Emergency tasks to be performed include:
 - a) Identify the communications systems available with the local area and determine the connectivity of those systems, and ensure their interoperability.
 - b) Develop plans and procedures for coordinated use of the various communications systems available in this jurisdiction during emergencies.
 - c) Determine and implement means of augmenting communications during emergencies, including support by volunteer organizations.

d. Radiological Protection.

- 1) Primary responsibility for this function is assigned to the Fire Chief, who will prepare and maintain Annex D (Radiological Protection) to this plan and supporting SOPs.
- 2) Emergency tasks to be performed include:
 - a) Maintain inventory of radiological equipment.
 - b) Ensure response forces include personnel with current training in radiological monitoring and decontamination.
 - c) Respond to radiological incidents and terrorist incidents involving radiological materials.
 - d) Make notification concerning radiological incidents to state and federal authorities.

e. Evacuation.

- 1) Primary responsibility for this function is assigned to the Police Chief, who will prepare and maintain Annex E (Evacuation) to this plan and supporting SOPs.
- 2) Emergency tasks to be performed include:
 - a) Identify areas where evacuation has been or may in the future and determine of population at risk.
 - b) Perform evacuation planning for known risk areas to include route selection and determination of traffic control requirements.
 - c) Develop simplified planning procedures for ad hoc evacuations.
 - d) Determine emergency public information requirements ensuring the needs of the whole community are addressed.
 - e) Perform evacuation planning for individuals with functional and access needs and institutional facilities (schools, hospitals, nursing homes, and other institutions).

f. Firefighting.

j. Donations Management.

- 1) The primary responsibility for this function is assigned to the Emergency Management in coordination with Catholic Charities and

Dallas County Voluntary Organizations Active in Disaster (DCVOAD) who will prepare and maintain Annex T (Donations Management) to this plan and supporting SOPs.

2) Emergency tasks to be performed include:

- a) Compile resource requirements identified by the Resource Management staff.
- b) Solicit donations to meet known needs.
- c) Establish and implement procedures to receive, accept or turn down offers of donated goods and services, and provide instructions to donors of needed goods or services.
- d) In coordination with the Resource Management staff, establish a facility to receive, sort, and distribute donated goods.

k. Legal.

1) The primary responsibility for this function is assigned to the City Attorney, who will prepare and maintain Annex U (Legal) to this plan and supporting SOPs.

2) Emergency tasks to be performed include:

- a) Advise local officials on emergency powers of local government and procedures for invoking those measures.
- b) Review and advise our officials on possible legal issues arising from disaster operations.
- c) Prepare and/or recommend legislation to implement the emergency powers that may be required during an emergency.
- d) Advise local officials and department heads on record-keeping requirements and other documentation necessary for the exercising of emergency powers.

i. Department and agency heads not assigned a specific function in this plan will be prepared to make their resources available for emergency duty at the direction of our chief elected official.

7. Volunteer Organizations Active in Disaster & Other Services. **Southwest Regional Emergency Management (Emergency Management Coordinator)** has the emergency contacts for the following agencies:

a. **Dallas County VOAD.** The following are local volunteer agencies that can provide disaster relief services and traditionally have coordinated their efforts with the Southwest Regional Emergency Management:

1) **American Red Cross—North Texas Chapter – North Texas Region (ARC).**

Provides shelter management, mass care, emergency shelters, fixed and mobile feeding, first aid personnel, aid stations, distribution of bulk supplies, disaster mental health services, family safe and well inquiry services, individual client casework, emergency financial aid to individuals and families, EOC Government Liaison, and canteen services for emergency workers.

2) **The Salvation Army (TSA).**

Provides emergency assistance to include spiritual & emotional care to victims and first responders, donations management, cleanup and restoration to include distribution of cleaning supplies, coordination of volunteer rebuilding teams, setup of warehouses to distribute needed supplies, food & hydration services to victims and first responders, emergency shelter, disaster social services such as essential living supplies, food, shelter, clothing, baby supplies, emergency housing needs and provides referrals to government and private agencies for special services.

3) **Southern Baptist Convention Disaster Relief/Texas Baptist Men.**

Texas Baptist Men provide mass cooking by mobile feeding units staffed by volunteers. The Texas Baptist Men also provide disaster childcare, water purification, amateur radio & satellite communications, shower units, chain saw crews, conduct temporary repairs, reconstruction, counseling, bilingual services, and cleanout operations.

4) **Southwest Dallas Amateur Radio Club (RACES)**

The Radio Amateur Civil Emergency Services provide amateur radio support for emergency operations, including communications support in the EOC and needed field locations through the Southwest Dallas Amateur Radio Club. <http://swdcarc.org/>

5) **Community Council of Greater Dallas / 2-1-1.**

2-1-1 maintains a directory that provides free information about services in Dallas and surrounding counties for people needing help related to basic needs, education, financial assistance, health issues

and other concerns. It is maintained by 2-1-1 Texas, the information and referral service of Community Council of Great Dallas.

6) **SPCA of North Texas.**

SPCA of North Texas is a non-profit organization based in Dallas that provides animal adoptions, humane investigations, animal surrender, spay and neuter, animal lost and found and K911 attempts to rescue and alleviate the suffering of sick or injured animals on a 24-hour basis. The SPCA of North Texas also provides assistance to the Tri-City Animal Shelter (Cedar Hill, DeSoto, Duncanville) and Lancaster Animal Services and the Dallas County Animal Response Team (CART).

7) The first few hours of a disaster will require certain emergency services. The Dallas County VOAD agencies are on-call 24 hours a day to setup and provide services during disasters. The following agencies are members of the Dallas County VOAD and can be called upon for services during a disaster:

Adventist Community Services	American Red Cross	Buddhist Tzu Chi Foundation	Catholic Charities of Dallas	Community Council of Greater Dallas and 2-1-1
Dallas County REACT, Inc.	Fellowship Church	Information Technology Disaster Resources Center - ITDRC	Jewish Family Services of Greater Dallas	North Texas Food Bank
Search One Rescue	Society of St. Vincent De Paul USA, South Central Regional Office	Texas Baptist Men	The Church of Jesus Christ of Latter Day Saints	The Salvation Army
United Methodist Church – North Texas Conference	Victim Relief Ministries	Volunteer Now	World Vision	

VII. DIRECTION AND CONTROL

A. General

1. The Mayor is responsible for establishing objectives and policies for emergency management and providing general guidance for disaster response and recovery operations, all in compliance with the NIMS. During disasters, he/she may carry out those responsibilities from the EOC.
2. The City Manager will provide overall direction of the response activities of all our departments. During major emergencies and disaster, he/she will normally carry out those responsibilities from the EOC.
3. The Emergency Management Coordinator will manage the EOC.
4. The Incident Commander, assisted by a staff sufficient for the tasks to be performed, will manage the emergency response at an incident site.
5. During emergency operations, department heads retain administrative and policy control over their employees and equipment. However, personnel and equipment will carry out mission assignments directed by the incident commander. Each department and agency is responsible for having its own operating procedures to be followed during response operations, but interagency procedures, such a common communications protocol, may be adopted to facilitate coordinated effort.
6. If our own resources are insufficient or inappropriate to deal with an emergency situation, we may request assistance from other jurisdictions, organized volunteer groups, or the State. The process for requesting State or federal assistance is covered in section V.F of this plan; see also the Request for Assistance form in Annex M, Appendix 3. External agencies are expected to conform to the general guidance and directed provided by our senior decision-makers.

B. Emergency Facilities

1. Incident Command Post. Except when an emergency situation threatens, but has not yet occurred, and those situations for which there is no specific hazard impact site (such as a severe winter storm or area-wide utility outage), an incident command post or command posts will be established in the vicinity of the incident site(s). As noted previously, the incident commander will be responsible for directing the emergency response and managing the resources at the incident scene.
2. Emergency Operations Center. When major emergencies and disasters have occurred or appear imminent, we will activate our EOC, which is located:

Lancaster EOC: Lancaster Public Safety Building, 1650 N Dallas Avenue, Lancaster, Texas 75134 (2nd Floor)

3. The following individuals are authorized to activate the EOC:
 - a. Mayor
 - b. City Manager, Assistant City Manager
 - c. Emergency Management Coordinator
 - d. Regional Emergency Management Operations Coordinator
 - e. Fire Chief, Assistant Fire Chief
 - f. Police Chief, Assistant Police Chief
 - g. Battalion Chief / Police Commander
 - h. Public Health Director / Health Authority
 - i. Authorized City Officials

4. The general responsibilities of the EOC are to:
 - a. Assemble accurate information on the emergency situation and current resource data to allow local officials to make informed decisions on courses of action.
 - b. Working with representatives of emergency services, determine and prioritize required response actions and coordinate their implementation.
 - c. Provide resource support for emergency operations.
 - d. Suspend or curtail government services, recommend the closure of schools and businesses, and cancellation of public events.
 - e. Organize and activate large-scale evacuation and mass care operations.
 - f. Provide emergency information to the public.

5. Representatives of those departments and agencies assigned emergency functions in this plan will staff the EOC. EOC operations are addressed in Annex N (Direction and Control). The interface between the EOC and the incident command post is described in paragraph V.E above.
 - a.) Our Alternate EOC is located:

Lancaster Alternate EOC: James R. Williams Water Pump Station, Conference Room, 1999 N Jefferson St, Lancaster, Texas 75134 and a secondary backup EOC located at Lancaster Fire Station #2, Conference Room, located at 3132 N Houston School Rd, Lancaster, Texas 75134. This facility will be used if our primary EOC becomes unusable.

7. The Fire Department or Police Department Mobile Command Post will be utilized for an Incident Command Post. There are other Mobile Command Posts available in neighboring communities that can be requested through Mutual Aid.

C. Line of Succession

1. The line of succession for the Mayor is:
 - a. Mayor Pro-Tem
 - b. City Council Member (In order of seniority)
2. The line of succession for the City Manager is:
 - a. City Manager
 - b. Assistant City Manager
 - c. Fire Chief
 - d. Police Chief
3. The line of succession for the Emergency Management Coordinator is:
 - a. Fire Chief
 - b. Assistant Fire Chief
 - c. Fire Training Chief
 - d. EMS Chief
4. The lines of succession for each of our department and agency heads shall be in accordance with the SOPs established by those departments and agencies.

VIII. READINESS LEVELS

- A. Many emergencies follow some recognizable build-up period during which actions can be taken to achieve a gradually increasing state of readiness. We use a four-tier system. Readiness Levels will be determined by the Mayor, City Manager or, for certain circumstances, the Emergency Management Coordinator. General actions to be taken at each readiness level are outlined in the annexes to this plan; more specific actions will be detailed in departmental or agency SOPs.
- B. The following Readiness Levels will be used as a means of increasing our alert posture.
 1. Level IV: Normal Conditions

- a. Emergency incidents occur and local officials are notified. One or more departments or agencies respond to handle the incident; an incident command post may be established. Limited assistance may be requested from other jurisdictions pursuant to established inter-local agreements.
- b. The normal operations of government are not affected.

2. Level III: Increased Readiness

- a. Increased Readiness refers to a situation that presents a greater potential threat than "Level 4", but poses no immediate threat to life and/or property. Increased readiness actions may be appropriate when the situations similar to the following occur:
 - 1) Tropical Weather Threat. A tropical weather system has developed that has the potential to impact the local area. Readiness actions may include regular situation monitoring, a review of plans and resource status, determining staff availability and placing personnel on-call.
 - 2) Tornado Watch indicates possibility of tornado development. Readiness actions may include increased situation monitoring and placing selected staff on alert.
 - 3) Flash Flood Watch indicates flash flooding is possible due to heavy rains occurring or expected to occur. Readiness actions may include increased situation-monitoring, reconnaissance of known trouble spots, deploying warning signs.
 - 4) Wildfire Threat. During periods of extreme wildfire threat, readiness actions may include deploying additional resources to areas most at risk, arranging for standby commercial water tanker support, conducting daily aerial reconnaissance, or initiating burn bans.
 - 5) Mass Gathering. For mass gatherings with previous history of problems, readiness actions may include reviewing security, traffic control, fire protection, and first aid planning with organizers and determining additional requirements.
- b. Declaration of "Level 3" will generally require the initiation of the "Increased Readiness" activities identified in each annex to this plan.

3. Level II: High Readiness

- a. High Readiness refers to a situation with a significant potential and probability of causing loss of life and/or property. This condition will normally require some degree of warning to the public. Actions could be

triggered by severe weather warning information issued by the National Weather Service such as:

- 1) Tropical Weather Threat. A tropical weather system may impact the local area within 72 hours. Readiness actions may include continuous storm monitoring, identifying worst-case decision points, increasing preparedness of personnel and equipment, updating evacuation checklists, verifying evacuation route status, and providing the public information for techniques to protect homes and businesses on the evacuation routes.
- 2) Tornado Warning. Issued when a tornado has actually been sighted in the vicinity or indicated by radio, and may strike in the local area. Readiness actions may include activating the EOC, continuous situation monitoring, and notifying the public about the warning.
- 3) Flash Flood Warning. Issued to alert persons that flash flooding is imminent or occurring on certain streams or designated areas, and immediate action should be taken. Readiness actions may include notifying the public about the warning, evacuating low-lying areas, open shelters to house evacuees, and continuous situation monitoring.
- 4) Winter Storm Warning. Issued when heavy snow, sleet, or freezing rain are forecast to occur separately or in a combination. Readiness actions may include preparing for possible power outages, putting road crews on stand-by to clear and/or sand the roads, and continuous situation monitoring.
- 5) Mass Gathering. Civil disorder with relatively large-scale localized violence is imminent. Readiness actions may include increased law enforcement presence, putting hospitals and fire departments on alert, and continuous situation monitoring.

- b. Declaration of a "Level 2" will generally require the initiation of the "High Readiness" activities identified in each annex to this plan.

4. Level I: Maximum Readiness

- a. Maximum Readiness refers to situation that hazardous conditions are imminent. This condition denotes a greater sense of danger and urgency than associated with a "Level 2" event. Actions could also be generated by severe weather warning information issued by the National Weather Service combined with factors making the event more imminent.
 - 1) Tropical Weather Threat. The evacuation decision period is nearing for an approaching tropical weather system that may impact the local area. Readiness actions may include continuous situation monitoring,

cull activation of the EOC, recommending precautionary actions for special facilities, placing emergency personnel and equipment into position for emergency operations, and preparing public transportation resources for evacuation support.

- 2) Tornado Warning. Tornado has been sited especially close to a populated area or moving towards a populated area. Readiness actions may include taking immediate shelter and put damage assessment teams on stand-by.
 - 3) Flash Flood Warning. Flooding is imminent or occurring at specific locations. Readiness actions may include evacuations, rescue teams on alert, sheltering evacuees and/or others displaced by the flooding, and continuous monitoring of the situation.
 - 4) Mass Gathering. Civil disorder is about to erupt into large-scale and widespread violence. Readiness actions may include having all EMS units on stand-by, all law enforcement present for duty, notify the DDC that assistance may be needed and keep them apprised of the situation, and continuous situation monitoring is required.
- b. Declaration of "Level 1" will generally require the initiation of the "Maximum Readiness" activities identified in each annex to this plan.

IX. ADMINISTRATION AND SUPPORT

A. Agreements and Contracts

1. Should our local resources prove to be inadequate during an emergency; requests will be made for assistance from other local jurisdictions, other agencies, and industry in accordance with existing mutual-aid agreements and contracts and those agreements and contracts concluded during the emergency. Such assistance may include equipment, supplies, or personnel. All agreements will be entered into by authorized officials and should be in writing whenever possible. Agreements and contracts should identify the local officials authorized to request assistance pursuant to those documents.
2. The agreements and contracts pertinent to emergency management that we are a party to are summarized in Attachment 6.

B. Reports

1. Hazardous Materials Spill Reporting. If we are responsible for a release of hazardous materials of a type or quantity that must be reported to state and

federal agencies, the department or agency responsible for the spill shall make the required report. See Annex Q: Hazardous Materials and Oil Spill Response, for more information. If the party responsible for a reportable spill cannot be located, the Incident Commander shall ensure that the required report(s) are made.

2. Initial Emergency Report. This short report should be prepared and transmitted by the EOC when an on-going emergency incident appears likely to worsen and we may need assistance from other local governments or the State. See Annex N, Direction and Control for the format and instructions for this report.
3. Situation Report. A daily situation report should be prepared and distributed by the EOC during major emergencies or disasters. See Annex N: Direction and Control, for the format of and instructions for this report.
4. Other Reports. Several other reports covering specific functions are described in the annexes to this plan.

C. Records

1. Record Keeping for Emergency Operations

Our city is responsible for establishing the administrative controls necessary to manage the expenditure of funds and to provide reasonable accountability and justification for expenditures made to support emergency operations. This shall be done in accordance with the established local fiscal policies and standard cost accounting procedures.

- a. Activity Logs. The Incident Command Post and the EOC shall maintain accurate logs recording key response activities, including:
 - 1) Activation or deactivation of emergency facilities.
 - 2) Emergency notifications to other local governments and to state and federal agencies.
 - 3) Significant changes in the emergency situation.
 - 4) Major commitments of resources or requests for additional resources from external sources.
 - 5) Issuance of protective action recommendations to the public.
 - 6) Evacuations.
 - 7) Casualties.
 - 8) Containment or termination of the incident.
- b. Incident Costs. All department and agencies shall maintain records summarizing the use of personnel, equipment, and supplies during the

response to day-to-day incidents to obtain an estimate of annual emergency response costs that can be used as in preparing future department or agency budgets.

- c. Emergency or Disaster Costs. For major emergencies or disasters, all departments and agencies participating in the emergency response shall maintain detailed of costs for emergency operations to include:
 - 1) Personnel costs, especially overtime costs
 - 2) Equipment operations costs
 - 3) Costs for leased or rented equipment
 - 4) Costs for contract services to support emergency operations
 - 5) Costs of specialized supplies expended for emergency operations

These records may be used to recover costs from the responsible party or insurers or as a basis for requesting financial assistance for certain allowable response and recovery costs from the state and/or federal government.

2. Preservation of Records

- a. In order to continue normal government operations following an emergency situation disaster, vital records must be protected. These include legal documents as well as property and tax records. The principal causes of damage to records are fire and water; therefore, essential records should be protected accordingly. Each agency responsible for preparation of annexes to this plan will include protection of vital records in its SOPs.
- b. If records are damaged during an emergency situation, we will seek professional assistance to preserve and restore them.

D. Training

It will be the responsibility of each agency director to ensure that agency personnel, in accordance with the NIMS, possess the level of training, experience, credentialing, currency, physical and medical fitness, or capability for any positions they are tasked to fill.

E. Consumer Protection

Consumer complaints regarding alleged unfair or illegal business practices often occur in the aftermath of a disaster. Such complaints will be referred to the City Attorney, who will pass such complaints to the Consumer Protection Division of the Office of the Attorney General.

F. Post-Incident and Exercise Review

The EMC is responsible for organizing and conducting a critique following the conclusion of a significant emergency event/incident or exercise. The After Action Report (AAR) will entail both written and verbal input from all appropriate participants. An Improvement Plan will be developed based on the deficiencies identified, and an individual, department, or agency will be assigned responsibility for correcting the deficiency and a due date shall be established for that action.

X. PLAN DEVELOPMENT AND MAINTENANCE

A. Plan Development

The Mayor is responsible for approving and promulgating this plan.

B. Distribution of Planning Documents

1. The Mayor shall determine the distribution of this plan and its annexes. In general, copies of plans and annexes should be distributed to those individuals, departments, agencies, and organizations tasked in this document. Copies should also be set-aside for the EOC and other emergency facilities.
2. The Basic Plan should include a distribution list (See Attachment 1 to this plan) that indicates who receives copies of the basic plan and the various annexes to it. In general, individuals who receive annexes to the basic plan should also receive a copy of this plan, because the Basic Plan describes our emergency management organization and basic operational concepts.

C. Review

The Basic Plan and its annexes shall be reviewed annually by local officials. The EMC will establish a schedule for annual review of planning documents by those tasked in them.

D. Update

1. This plan will be updated based upon deficiencies identified during actual emergency situations and exercises and when changes in threat hazards, resources and capabilities, or government structure occur.
2. The Basic Plan and its annexes must be revised or updated by a formal change at least **every five years**. Responsibility for revising or updating the Basic Plan is assigned to Emergency Management Coordinator (EMC). Responsibility for revising or updating the annexes to this plan is outlined in

Section VI.B, Assignment of Responsibilities, as well as in each annex. For details on the methods of updating planning documents as well as more information on when changes should be made, refer to Chapter 3 of the Texas Division of Emergency Management (TDEM) *Local Emergency Management Planning Guide* (TDEM-10).

3. Revised or updated planning documents will be provided to all departments, agencies, and individuals tasked in those documents.
4. §418.043(4) of the Government Code provide that DEM shall review local emergency management plans. The process for submitting new or updated planning documents to DEM is described in Chapter 6 of the DEM-10. The [County Judge/Mayor/EMC] is responsible for submitting copies of planning documents to our TDEM District Coordinator for review.

ATTACHMENT 7: NATIONAL INCIDENT MANAGEMENT SYSTEM (NIMS) SUMMARY

A. BACKGROUND

1. NIMS is a comprehensive, national approach to incident management that is applicable to all jurisdictional levels and across functional disciplines. This system is suitable across a wide range of incidents and hazard scenarios, regardless of size or complexity. It provides a flexible framework for all phases of incident management, as well as requirements for processes, procedures, and systems designed to improve interoperability.
2. NIMS is a multifaceted system that provides a national framework for preparing for, preventing, responding to, and recovering from domestic incidents.

B. COMPONENTS

1. Command and Management. The incident management structures employed by NIMS can be used to manage emergency incidents or non-emergency events such as celebrations. The system works equally well for small incidents and large-scale emergency situations. The system has built-in flexibility to grow or shrink depending on current needs. It is a standardized system, so personnel from a variety of agencies and geographic locations can be rapidly incorporated into a common management structure.
 - a. Incident Management System. A system that can be used to manage emergency incidents or non-emergency events such as celebrations.

1) FEATURES OF ICS

ICS has a number of features that work together to make it a real management system. Among the primary attributes of ICS are:

- a) Common Terminology. ICS requires the use of common terminology, such as the use of standard titles for facilities and positions within an organization, to ensure efficient and clear communications.
- b) Organizational Resources. All resources including personnel, facilities, major equipment, and supply items used to support incident management activities must be "typed" with respect to capability. This typing will minimize confusion and enhance interoperability.

- c) Manageable Span of Control. Span of control should ideally vary from three to seven. Anything less or more requires expansion or consolidation of the organization.
- d) Organizational Facilities. Common terminology is used to define incident facilities, the activities conducted at these facilities, and the organizational positions that can be found working there.
- e) Use of Position Titles. All ICS positions have distinct titles.
- f) Reliance on an Incident Action Plan. The incident action plan, which may be verbal or written, is intended to provide supervisory personnel a common understanding of the situation and direction for future action. The plan includes a statement of objectives, organizational description, assignments, and support material such as maps. Written plans are desirable when two or more jurisdictions are involved, when state and/or federal agencies are assisting local response personnel, or there has been significant turnover in the incident staff.
- g) Integrated Communications. Integrated communications includes interfacing disparate communications as effectively as possible, planning for the use of all available systems and frequencies, and requiring the use of clear text in communications.
- h) Accountability. ICS is based on an orderly chain of command, check-in for all responders, and only one supervisor for each responder.

2) UNIFIED COMMAND

- a) Unified Command is a variant of ICS used when there is more than one agency or jurisdiction with responsibility for the incident or when personnel and equipment from a number of different agencies or jurisdictions are responding to it. This might occur when the incident site crosses jurisdictional boundaries or when an emergency situation involves matters for which state and/or federal agencies have regulatory responsibility or legal requirements.
- b) ICS Unified Command is intended to integrate the efforts of multiple agencies and jurisdictions. The major change from a normal ICS structure is at the top. In a Unified command, senior representatives of each agency or jurisdiction responding to the incident collectively agree on objectives, priorities, and an overall strategy or strategies to accomplish objectives; approve a coordinated Incident Action Plan; and designate an Operations Section Chief. The Operations Section Chief is responsible for managing available resources to achieve objectives. Agency and

jurisdictional resources remain under the administrative control of their agencies or jurisdictions, but respond to mission assignments and direction provided by the Operations Section Chief based on the requirements of the Incident Action Plan.

3) AREA COMMAND

- a) An Area Command is intended for situations where there are multiple incidents that are each being managed by an ICS organization or to oversee the management of large or multiple incidents to which several Incident Management Teams have been assigned. Area Command becomes Unified Area Command when incidents are multijurisdictional.
 - b) The organization of an Area Command is different from a Unified Command in that there is no operations section, since all operations are conducted on-scene, at the separate ICPs.
- b. Multiagency Coordination Systems. Multiagency coordination systems may be required for incidents that require higher level resource management or information management. The components of multiagency coordination systems include facilities, equipment, EOCs, specific multiagency coordination entities, personnel, procedures, and communications; all of which are integrated into a common framework for coordinating and supporting incident management.
 - c. Public Information. The NIMS system fully integrates the ICS Joint Information System (JIS) and the Joint Information Center (JIC). The JIC is a physical location where public information staff involved in incident management activities can collocate to perform critical emergency information, crisis communications, and public affairs functions. More information on JICs can be obtained in the DHS *National Incident Management System Plan*, dated March 2004.
2. Preparedness. Preparedness activities include planning, training, and exercises as well as certification of response personnel, and equipment acquisition and certification. Activities would also include the creation of mutual aid agreements and Emergency Management Assistance Compacts. Any public information activities such as publication management would also be preparedness activities.
 3. Resource Management. All resources, such as equipment and personnel, must be identified and typed. Systems for describing, inventorying, requesting, and tracking resources must also be established.
 4. Communications and Information Management. Adherence to NIMS specified standards by all agencies ensures interoperability and compatibility in communications and information management.

5. Supporting Technologies. This would include any technologies that enhance the capabilities essential to implementing the NIMS. For instance, voice and data communication systems, resource tracking systems, or data display systems.
6. Ongoing Management and Maintenance. The NIMS Integration Center provides strategic direction and oversight in support of routine review and continual refinement of both the system and its components over the long term.

LANCASTER CITY COUNCIL

City Council Work Session

3.

Meeting Date: 02/19/2018

Policy Statement: This request supports the City Council 2017-2018 Policy Agenda

Goal(s): Financially Sound Government
Sound Infrastructure
Quality Development

Submitted by: Rona Stringfellow, Assistant City Manager

Agenda Caption:

Discuss a request for a resolution supporting the application of Palladium USA to the Texas Department of Community Affairs for 2018 Tax Credits for the proposed Palladium at Lancaster located along the east side of I35E, approximately 365 feet north of Breezewood Lane. The property is comprised of 9.196 acres.

Background:

On January 29, 2018, the City of Lancaster received a request from Palladium USA requesting city support for the Palladium at Lancaster multi-family development proposal. The Texas Department of Housing and Community Affairs state law provides an opportunity for the local jurisdiction to affect the scoring of an application by issuing a local resolution of support or neutrality in accordance with Texas Local Government Code 2306.671(b)(1)(B). The following must be submitted prior to March 1, 2018:

- Identify the specific development and clearly state support or no objection.

Multifamily Finance Division
Notification of Submission of Affordable Housing Applications

January 19, 2018

The Honorable Marcus Knight
Mayor of Lancaster
P.O. Box 940
Lancaster, TX 75146

Re: Notification of Affordable Rental Housing Application(s) Proposed in Your City

Dear Mayor Knight:

The Texas Department of Housing and Community Affairs (the "Department") is in receipt of a preliminary application(s) for possible funding through the Competitive Housing Tax Credit Program to develop or acquire affordable multifamily rental housing in your community.

This notification is made in accordance with Tex. Gov't Code §2306.1114 to ensure that you are fully informed of the housing activity in your district and so that you can provide input on the proposed application(s) if you so choose. The Department greatly values your views concerning the need for affordable rental housing within your community and how the proposed development(s) may address that need. Additionally, state law provides an opportunity for the applicable local jurisdiction (the city and/or county) to affect the scoring of an application by issuing a local resolution of support or neutrality in accordance with Tex. Gov't Code §2306.6710(b)(1)(B). In order to affect the scoring of an application within its jurisdiction, the local government resolution must be submitted on or before March 1, 2018, identify the specific development, and clearly state support or no objection. Applications in some counties may be submitted prior to the March 1 deadline, in order to access points for disaster declarations by the Governor, and your letter is due with the earlier Application. Once submitted, the resolution cannot be withdrawn or amended. More information can be found on page 28 of the 2018 Qualified Allocation Plan found at <http://www.tdhca.state.tx.us/multifamily/docs/18-QAP.pdf>

Should the applicant(s) submit a full application to the Department on or before March 1, 2018, the Department will notify you again with more detailed information about the proposed development and provide information related to general public comment including statewide hearings. The Department's mission is to administer its assigned programs efficiently, transparently, and lawfully and to invest its resources strategically while developing high quality affordable housing which allows Texas communities to thrive. Through our multifamily programs, the Department encourages the new construction or rehabilitation of affordable multifamily housing, primarily through private developers. These developments benefit Texans in your community by providing potential employment, local tax revenue, and affordable, safe, and high quality housing for eligible households.

If you have any questions or need additional information, please contact Michael Lyttle, Chief of External Affairs, at 512.475.4542 or michael.lyttle@tdhca.state.tx.us.

Sincerely,

Mami Holloway

Palladium Lancaster Overview of Housing Tax Credits (HTC)

Changes in the HTC program

The Texas Department of Housing and Community Affairs (TDHCA) has been engaged in refining and refocusing housing intended for the workforce over the past 6 to 7 years. Therefore, developments that have been funded with HTCs that are less than 6 years old are a completely different product and tenant profile than older developments that were developed under the Low Income Housing Tax Credit program. Below is a brief overview of a timeline that led to substantive changes that have made this funding source a much more sustainable option.

- In 2008 the Inclusive Communities Project (ICP) sued the Texas Department of Housing and Community Affairs (TDHCA) arguing that the agency's allocation of Low Income Housing Tax Credits resulted in a disparate impact on African-American residents under the Fair Housing Act. As a result of this law suit, the TDHCA refocused and restructured the program for receiving tax credits.
- As a result of this lawsuit, the TDHCA created a Remedial Plan that's purpose was to redistribute housing into High Opportunity Areas (HOA). These would be areas of growth and where new opportunity exists rather than in low income and economically depressed neighborhoods.
- The remedial plan served as a catalyst for the TDHCA to rewrite the HTC program in order to incentivize developments to develop in the path of growth and to serve a more purposeful tenant profile. The tool the TDHCA uses to distribute HTCs is the Qualified Allocation Plan (QAP) and the state has used this tool to change the program. Below are a list of some of the substantive changes that have been made to the program since this Remedial Plan served as a launching point. The point for the substantive changes were to locate developments in the path of growth and opportunity and provide a framework for long term sustainability.
 - The QAP defines what it calls Undesirable Neighborhood Features. Below is a list of features that would render a location ineligible for tax credits.
 - The Development Site is located within a census tract that has a poverty rate above 40 percent for individuals.
 - The Development Site is located in a census tract or within 1,000 feet of any census tract in an Urban Area and the rate of Part I violent crime is greater than 18 per 1,000 persons (annually) as reported on neighborhoodscout.com.
 - The Development Site is located within 1,000 feet of multiple vacant structures visible from the street, which have fallen into such significant disrepair, overgrowth, and/or vandalism that they would commonly be regarded as blighted or abandoned.
 - The Development Site is located within the attendance zones of an elementary school, a middle school and a high school that does not have a Met Standard rating by the Texas Education Agency.
 - The QAP defines what it calls Undesirable Site Features. Among those features would be any site that is too close to sexually-oriented businesses, heavy industrial or dangerous uses, railroads, or junkyards.
 - The QAP mandates that a development must be located within a mile of 6 mandatory services that would include things like a grocery store, pharmacy, restaurants, a hospital, a church, a bank, a public school and other existing services that would indicate a desirable living location.
 - The QAP also focused on the workforce as a tenant base as defined by families that earn 50-80% of the Area Median Income (AMI) instead of serving "Low Income" families (those who make 30% or less of AMI). Along with this came a rebranding of the program to drop the "Low Income" from the name and just call it the Housing Tax Credit program as it exists today.

Palladium as Owner/Manager

Palladium USA is a privately owned company based in Dallas with over 130 years' experience developing and managing high end apartments around the world including Dallas, London, Paris, Milan, Dubai and many more. We are not a merchant builder who will build and sell. It is our business plan to build and hold our assets long term. Therefore, we do not hire out development or management of communities and maintain a high standard of excellence through developing and managing ourselves.

- We hold long term. We do not build to sell. Our background is high end and our long term perspective guides every decision we make from design and construction to management. We design and build to the highest standards as can be seen in any of our communities around the DFW metroplex.
- We manage ourselves. We do not hire out management to a 3rd party as we have found that management companies are traditionally only concerned with making money. We manage ourselves as we are concerned about managing the physical environment for the long term, not just the short. We also are extremely concerned with managing our tenant profile and will not allow rule breakers to stay living in our community.
- We are high end developers. Our portfolio is not a portfolio of low income housing. Instead, we develop and currently own some of the nicest developments in DFW from luxury high rise to mid-rise to low-rise. When we develop housing for workforce, we use the same designers, architects, consultants and contractors that we do for our luxury products that sit at the top of the market. We do this because of our long term perspective. It would not benefit us to build at a reduced quality and then have to rehab our own development down the road.
- We develop in the path of growth and plan strategically to be a part of improving the community around us. DFW has a growing housing crisis. The cost to live in north Dallas is now out of reach for many good working people and we believe that growth will be flowing south. Therefore, we have identified Lancaster as an outlet for great opportunity.

EXECUTIVE SUMMARY
Palladium Lancaster
120-150 Unit Class A Constructed Multifamily Housing

Palladium USA is a privately owned company with over 140 years' experience developing and managing high quality developments around the world including Dallas, London, Paris, Milan, Dubai and many more. Our office is located in Dallas. We have developed and managed luxury properties all over the world. In fact, we are developing a 30 story high rise in the Legacy West development just up the road in Plano. Palladium USA has an extensive history developing quality housing around the world and right here in North Texas. We are certainly a known developer in DFW and the quality of our existing developments speak directly to our capabilities and dedication to quality in our product as well as our ability to execute as promised. We have become extremely interested in helping develop residential living in close proximity to jobs and downtown Fort Worth.

North Texas is exploding in growth. Along with this economic boom has come a very real housing shortage with most home builders and developers focusing on the top 10% of the market. Very few homes are being built under \$300,000 and rental rates for quality apartments are at historical highs. Even aging homes that need a significant cash investment to bring them up to date are demanding high prices. Palladium, as a high end developer, has taken our quality class A product and positioned itself to serve the workforce that is needed to serve our economy. These are the medical staff, restaurant staff, the public servants, the child care workers and the many support staff in all the industries that serve our growing economy. We are able to develop Class A rental housing and offer it \$100-\$300 below market rents utilizing Housing Tax Credits and therefore allowing a very real and important segment of our economy access to great housing in areas where it is needed.

Proposed Housing

Palladium Lancaster will be a 120-150 unit, class A constructed multifamily community located northeast quadrant of Interstate 35 and Breezewood Lane (aerial attached), City of Lancaster, Dallas County, Texas. Comprised of 1, 2, and 3 bedrooms, Palladium at Lancaster will be a Class A constructed community designed in a distinctly upscale aesthetic that will use federal tax credits as a source of equity in order to be able to afford high end construction and still be able to offer affordable rents in the DFW market.

- Development cost will be \$180,000 a unit (Over a 23 Million dollar development)
- Class A construction
 - High percentage of masonry on the exterior
 - Articulation and variation of materials in the elevations in order to create architectural interest. Not flat walls along the exterior elevations
 - Granite Countertops
 - Upgraded cabinetry in the units
 - Vinyl Plank (wood look) flooring instead of carpet in the units living and dining rooms
 - Upgraded and high end look unit fixtures
- Resort style amenity package consistent with the nicest rental communities in DFW
 - Resort style pool
 - Fully appointed clubhouse with fitness center, business center, club room, and common area
 - Open space landscaped for a parklike setting with playground and barbeque picnic areas

Palladium USA is a developer of top quality rental housing around the world. We have existed for well over 140 years by holding to certain values. First, we are not a property flipper. We build, hold and manage our own properties long term. Currently we have properties in Western Europe that we have owned for over 100 years. Because of our long term commitment to our developments, we manage our properties ourselves as no third party management company would be willing to give our properties the attention we need in order to maintain them well for generations. For more information about Palladium USA, please look us up at www.palladiumusa.com.

- Palladium is not a merchant builder who builds to sell. Instead we prefer to hold our properties and plan to hold Palladium Lancaster for decades.
- WE MANAGE OUR PROPERTIES OURSELVES. This is extremely important as 3rd party managers are only concerned with getting the most rent and are not as concerned with long term maintenance or managing the resident population well.
- Omnium Management (Our in-house management company)
 - Each resident who wishes to live at our property will be required to go through an extensive background check.
 - We hire "Resident Retention Specialists" called CARES Teams from an organization called Apartment Life. These CARES Teams will be a married couple that attend a local church that we will give a free apartment to in order that they build the culture of community by hosting events and facilitating friendships.
 - The national average tenure for apartment renters is 11 months. We have achieved an average tenure of over 20 months by intentional management and creating an environment where people want to stay which speaks directly to the quality of the physical as well as the social environment we create.

Tax Credit Financing

The Texas Department of Housing and Community Affairs (TDHCA) administers annually Housing Tax Credits that are intended to serve the purpose of providing affordable housing for the workforce of Texas.

- Several years ago, the TDHCA reformed the focus and objective of the housing initiative in Texas. The current Housing Tax Credit Program focuses on serving primarily families earning 50-60% of the area median income (people earning up to \$50,000 annually). This demographic consists of the backbone of the economy: Civil Servants such as law enforcement and city staff; health care workers; educators; clergy; the many support staff in the numerous businesses in the region; restaurant staff; retail staff; etc.
- We are not proposing Section 8 Housing, Public Housing or Government Subsidized Housing. Palladium Lancaster will be privately owned (not government owned). It will use tax credit equity to bridge the gap between the high cost of constructing Class A rental housing and charging rents that the workforce can afford.
- Benefits of Tax Credit equity
 - The TDHCA requires the owner to hold the property for a minimum of 15 years. This is a requirement to use the funding. We expect to own this development for 30+ years.
 - Tax Credit funded rental communities have the lowest failure rate in the industry (.01%) due to the controlled rent structure that does not shift with fluctuating markets and the upfront vetting of each of these developments.
 - We will self-manage the property and we perform extensive background checks on our residents to screen for violent criminals and sex offenders.

Summary

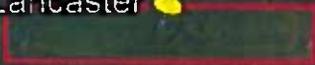

Palladium at Lancaster will be a Class A constructed rental community that will serve the much needed workforce that is the backbone of our thriving community.

LANCASTER CITY COUNCIL

City Council Work Session

4.

Meeting Date: 02/19/2018

Policy Statement: This request supports the City Council 2017-2018 Policy Agenda

Goal(s): Healthy, Safe & Engaged Community
Sound Infrastructure
Quality Development

Submitted by: Opal Mauldin-Jones, City Manager

Agenda Caption:

Discuss a City Facility Naming Policy.

Background:

On December 3, 2017, Council received a presentation and discussed the adoption of a Facility/Building & Park Land Naming Policy or Ordinance. Staff presented current policies from the City of Lancaster and survey cities including the following policies and ordinances:

- City of Coppell Naming Park Lands & Facilities Ordinance
- City of North Richland Hills Naming Facilities Ordinance
- City of Rockwall Naming Facilities - Parks Policy
- City of Rowlett Naming Parks & Facilities Policy
- Lancaster Independent School District Naming Facilities Policy
- City of Lancaster Park Land Naming Policy
- City of Lancaster Street Name Change Ordinance

Council directed staff to draft a policy that would combine the existing Parks Naming Policy and Street Name Change Ordinance into an all inclusive City Facility Naming Policy to include parks, streets, facilities and other publicly owned property back for Council consideration.

Council will review and discuss the attached Draft Policy.

Operational Considerations:

The proposed policy provides a systematic and consistent approach for the official naming of City facilities, which include parks, buildings, streets and other publicly owned facilities.

As Council requested, this policy incorporates procedures that have been established through the previous Park Land Naming Policy and Street Name Change Ordinance with changes providing clarifications on procedures. Staff reviewed additional policies from the City of Houston, Texas, City of Greenville, Texas, City of Edmondton, Texas, and City of Tacoma, Texas whose policies reflect an all-inclusive policy for naming city facilities. In addition, staff incorporated language from the City of Rockwall, Texas Parks, Recreation and Municipal Naming Policy, as it was similar to the City of Lancaster's Park Naming Policy regarding procedures for naming or renaming a public facility.

City Council requested the policy include criteria for the naming of facilities.

Upon reviewing survey city policies, only one city created a naming board that would annually appoint citizens to serve one year terms. Council may appoint two (2) Councilmembers and at least one representative from a Board or Commission. If a relevant advisory board or commission does not exist, then the City Council may appoint a third member.

Incorporating the current Parks Naming Policy, staff recommends to continue to having the Parks and Recreation Advisory Board Chair appoint a subcommittee to provide recommendations for the Parks and Recreation Advisory Board's confirmation and forwarded recommendation for Council approval.

This policy would replace any and all policies or ordinances in conflict with this policy:

- Policy and Procedure for Dedicated Park Land Naming
- Article 18.05 - Street Name Changes in the Code of Ordinances.

I. PURPOSE

This policy is implemented to establish uniform criteria and procedures, applicable to all persons, groups, firms and agencies, associated with the naming or renaming of City facilities, including buildings, parks, recreational facilities, streets and other publicly owned facilities.

II. OBJECTIVE

To establish a systematic and consistent approach for the official naming of City facilities.

To establish a policy that considers community tradition and continuity of name, while utilizing established criteria that emphasize geography, local history, community values and character, civics and service to the City of Lancaster in the naming or renaming of municipal facilities.

III. SCOPE

All City of Lancaster property and publicly owned rights-of-way.

IV. POLICY

The primary function of naming development areas, parks, municipal facilities, streets and honorary streets is to recognize and commemorate noteworthy persons associated with Lancaster, reflect Lancaster's heritage, and to recognize the flora, fauna, and natural features of the community. Streets and facilities should generally be named after people, places and events having made a significant impact on the quality of life within the city, and/or events of significance to the city's development.

A. Naming Criteria

- i. Proposed names should generally meet one of the following criteria:
 - 1) To honor and commemorate noteworthy persons or organizations who made exceptional contributions to the City of Lancaster, including one or more of the following:
 - a. Demonstrated excellence, courage or exceptional service to the citizens of the City of Lancaster (sustained, continuous public service over a period of 25 years or two-thirds of the person's life space);
 - b. Volunteered and gave extraordinary help or care to individuals, families or groups, or supported community services or humanitarian causes;
 - c. Worked to foster equality and reduce discrimination;
 - d. Risked his or her life to save or protect others;
 - e. Achieved a deed or activity performed in an outstanding professional manner or of an uncommonly high standard that brought considerable benefit or great honor to the City of Lancaster;
 - f. Made an outstanding contribution to Lancaster;
 - g. Made a significant financial contribution to the City;
 - h. Public service as an elected official; and
 - i. Public service as a community volunteer.

- 2) To commemorate local history, places, events, culture, ethnic or gender diversity of the community, including early pioneers who have contributed significantly to the city.
 - 3) To strengthen neighborhood identity;
 - 4) To recognize native wildlife, natural features, or flora and fauna of the geographical or topographical features related to the City of Lancaster.
- ii. The following names shall not be used:
 - 1) When renaming a street, names of living persons for streets, other than a recognized national figure;
 - 2) Duplicative names of streets already existing within the city;
 - 3) Names that are similar to existing parks, properties, or facilities in the City system (or other systems in the region) should not be considered in order to minimize confusion;
 - 4) Names which are, and could be considered discriminatory or derogatory, or that express a particular political affiliation; and
 - 5) Names that could be considered advertising.
 - iii. This policy shall not affect the platting or designation of new city streets.
 - iv. Requests will not be considered when submitted by an individual or a group for self-nomination. The only exception to this policy is when a significant financial contribution is made and the naming is a condition of the gift.
 - v. There must be a well-defined connection associated with the contributions of the individuals or community organization and the City facility.
 - vi. The significance of the contribution from the individual/organization needs to be evaluated in terms of the service impact of the City facility. Programs and projects must be described in specific quantifiable terms.
 - vii. Individuals and organizations that have made contributions of regional or community wide significance may be considered for naming of facilities that serve the region or community.
 - viii. Individuals and organizations that have made contributions of area or neighborhood wide significance may be considered for naming facilities that serve areas or neighborhoods within the City.
 - ix. The City reserves the right to change the name to maintain consistency with these policies. However, the City must review prior documentation for initial naming or renaming of public property or rights-of-way. Names that have become ingrained or widely accepted in the community should not be abandoned unless Council has amended current policy or there are compelling reasons and strong public sentiment for doing so. Historical or commonly-used place names should be preserved wherever possible.
 - x. When City property is named for an individual/organization, this action in no way gives the individual, family members or organization naming rights over other features on the property. Features within the facility or on the property will remain eligible for naming without the consent of the individual or family members for which the property is currently named.

V. MUNICIPAL FACILITIES

A. Procedures

- i. A City Council subcommittee will be formed and be responsible for recommending a name for City facilities to the entire City Council for consideration.
- ii. The subcommittee will be made up of two (2) councilmembers and at least one representative from a Board or Commission which oversees the city function of the City facility. If a relevant advisory board or commission does not exist, then the subcommittee will be made up of three (3) councilmembers.
- iii. The appointment shall be made by the Mayor subject to City Council approval.
- iv. The Subcommittee shall be responsible for research, study, and recommendation of a proposed name to the City Council. Recommendations, including rationale for the recommendations shall be submitted to the entire City Council in writing.
- v. Any recommendation which involved the name of a person shall include the following:
 - 1) Application
 - 2) A biographical or informational sketch;
 - 3) Rationale supporting the nomination; and
 - 4) The name(s) of the person(s) or supporting group(s) responsible for the nomination.
- vi. The Subcommittee shall solicit and use public input during the formation of such recommendations.
- vii. The Subcommittee may also solicit and use input from City Staff during the formation of such recommendations.
- viii. The Subcommittee must approve the recommendation by a simple majority.
- ix. The City Council shall approve by resolution or disapprove the name recommended by the Subcommittee.
- x. If the recommendation(s) is disapproved by the City Council, then the matter may be referred back to the Subcommittee for further action.

B. Guidelines

- i. City facilities shall be named at the earliest possible and most appropriate date.
- ii. Facilities such as a City Hall, Municipal Court, Police Station, Fire Station, Municipal Service Center, etc. shall include the name for the function that they serve to the public in order to prevent confusion and misrepresentation of the facility's mission (such as Jane Doe Municipal Airport or John Doe Memorial Fire Station)
- iii. The Subcommittee may recommend that the facility may be dedicated in honor of an individual in lieu of naming.
- iv. City facility names shall be familiar to the majority of citizens, easy to recall, and unique and lasting.

- v. Facilities may not be named for members of the City's staff, boards and commissions, city council, or any other official or employee (elected or otherwise) concerned with the functions and /or control of the City of Lancaster, for so long as such relationship exists.
- vi. Nothing herein shall be construed to require the City Council to name every facility.
- vii. Individual rooms, such as a conference room, etc., may be given a name which is different from that of the overall facility. The procedure for naming such a room shall be the same as for naming an entire facility.
- viii. The Subcommittee shall not contact any individuals whose names are under consideration. It shall also keep strictly confidential all information it has received or discussed, and any recommendation(s) it makes until such decision is taken to the entire City Council for discussion and action.
- ix. Once a name has been established, the Building Services Department will be responsible for the installation of appropriate signage and markers.

C. Renaming Existing Facilities

- i. Proposals to rename facilities are not encouraged and should be entertained only after fully investigating and considering potential impact of dropping the current. When appropriate, facilities may be renamed. The procedure for doing so shall be the same for originally naming the facility.
- ii. Public requests to rename existing facilities will be received by the City Secretary's Office and directed to the appropriate department for further investigation and evaluation against naming criteria.

VI. PARK LAND AND FACILITIES

A. Procedures

- i. The Parks and Recreation Advisory Board ("Parks Board") may be notified of the need to name a park or facility by the City Council, City Manager.
- ii. The Chairman of the Parks Board shall name a committee that will be responsible for recommending a name for all park lands and facilities to the Board.
- iii. The committee shall be responsible for research, study, and recommendation of a proposed name to the Board. Recommendations, including rationale for the selection of the recommended name shall be given in writing.
- iv. Any recommendation which involved the name of a person shall include the following:
 - 1) Application
 - 2) A biographical or informational sketch;
 - 3) Rationale supporting the nomination; and
 - 4) The name(s) of the person(s) or supporting group(s) responsible for the nomination.
- v. The committee shall solicit and use public input during the formation of such recommendations.

- vi. The committee may also solicit and use input from City Staff during the formation of such recommendations.
- vii. The Parks Board shall also solicit and use public input during the formation of such recommendations.
- viii. The Parks Board shall confirm or reject the name recommended by the committee.
- ix. If the committee's recommendation is rejected by the Parks Board, then the matter may be referred back to the committee for further action.
- x. All recommended names for such facilities must be confirmed by a majority vote of the members of the Parks Board.
- xi. Upon confirmation, the recommended name shall be forwarded to the City Council for the consideration and final approval.
- xii. The City Council shall approve by resolution or disapprove the name recommended by the Parks Board.
- xiii. If the recommendation(s) is disapproved by the City Council, then the matter may be referred back to the Parks Board for further action.

B. Guidelines

- i. Names for new parks shall typically be established within 90 days from the date of land acquisition or at the earliest possible time. The name of new facilities shall be established prior to the completion of construction. Names for parts or areas of parks and facilities may be established at any time.
- ii. The committee may recommend that the facility may be dedicated in honor of an individual in lieu of naming.
- iii. Park land and facility names shall be familiar to the majority of citizens, easy to recall, and unique and lasting.
- iv. Facilities may not be named for members of the City's staff, boards and commissions, city council, or any other official or employee (elected or otherwise) concerned with the functions and /or control of the City of Lancaster, for so long as such relationship exists.
- v. Nothing herein shall be construed to require the City Council to name every facility.
- vi. Parts or areas within the park or recreation facility may be given a name which is different than the park or building. Such parts or areas may include (but are not to be limited to) gardens, playgrounds, athletic fields, structures, swimming pools and meeting rooms. Names for such facilities shall be established by the same criteria and procedures.
- vii. The committee shall not contact any individuals whose names are under consideration. It shall also keep strictly confidential all information it has received or discussed, and any recommendation(s) it makes until such decision is taken to the entire City Council for discussion and action.
- viii. Once a name has been established, the Director of Quality of Life and Cultural Services will be responsible for the installation of appropriate signage and markers.

C. Renaming Existing Facilities

- iii. Proposals to rename facilities are not encouraged and should be entertained only after fully investigating and considering potential impact of dropping the current. When appropriate, facilities may be renamed. The procedure for doing so shall be the same for originally naming the facility.
- iv. Public requests to rename existing facilities will be received by the City Secretary's Office and directed to the appropriate department for further investigation and evaluation against naming criteria.

VII. STREET NAME CHANGES

A. Procedures

i. Reasons for Name Change

Applications for a street name change may be considered for any one (1) of the following reasons, which must be specified in the application:

- 1) To establish continuity of the street's name.
- 2) To eliminate name spelling duplication, phonetic duplication, or misspelling.
- 3) To bring coherence to the street numbering designation (east, west, north, south).
- 4) To provide a necessary roadway designation (Street, Road, Lane, Circle, Drive, Boulevard, and similar designations).
- 5) To honor a person, place, institution, group entity, event or similar subject, subject to Naming Criteria listed in this policy.
- 6) To enhance a neighborhood through association of the street name with its location, area characteristics, history, or similar factors, subject to the Naming Criteria listed in this policy.

ii. Application by Petition

- 1) An application for a change of the name of a street may be filed by any person, group, firm or agency with the Department of Public Works in the form of a petition signed by not fewer than eighty percent (80%) of all owners, or owner's attorney-in-fact, of property abutting the subject street. "Owners" of such abutting property shall be determined by the then-current city real property ad valorem tax roll. The applicant shall make a formal request for the official application form from the Department of Public Works Engineering Division. The petition shall contain the following minimum information:
 - a. A detailed description of the request;
 - b. The owner's address, printed name, signature, and whether they oppose or suppose the street name change.
- 2) The application shall state the present official name of the city street, the proposed new name, and a statement of the reason or reasons from among those listed above. The application shall also indicate the name and address of each person, group, agency, or entity requesting the street

name change and responsible for payment of the associated costs for signage and installation.

iii. City Initiated Changes

- 1) In all instances where it is the city's recommendation that a street name be changed, the department head shall file a request for a change of the name of a street with the Department of Public Works. The written request shall state the present official name of the city street, the proposed new name, and a statement of reason or reasons, from among those listed above, claimed for such name change.

iv. Processing; Approvals or Denials; Installation of signs

- 1) Upon receipt of a completed application form, the Public Works Engineering Department shall confirm that the petition meets the requirements provided herein and the city-initiated request meets the requirements provided herein.
- 2) If a completed application form is not submitted to the Public Works Engineering Department by the application within ninety (90) days of the date of the formal request for the application, the application is considered expired.
- 3) In all cases where the application by petition has expired or been rejected for not meeting any of the requirements provided herein, any applicant may submit a second formal request for application for the same street only after a period five (5) years from the date of the previous formal request for application.
- 4) Upon confirming that the petition or city-initiated request meets the requirements of this article, the Public Works Engineering Department will determine the costs associated with the installation of new city street name signs.
- 5) The Public Works Engineering Department will notify by mail all the property owners on the subject street to verify the petition. The letter will also notify the residents of the cost for the installation of new city street name signs and provide contact information for the collection of payments. If more than 20% of the property owners contact the city objecting to the street name change, in writing, the City will deny the street name change application.
- 6) In all cases where the application by petition has been approved such approval is contingent on the city's receipt of advance payment for the costs associated with the installation of new city street name signs by the person, group, agency, or entity designated on the application as responsible for such payment.
- 7) All approved street name changes shall be forwarded to the Streets Division for the ordering of and installation of the new street name signs.
- 8) The Public Works Engineering Department shall provide a copy of each street name change to the local utility companies, all department directors, 911 administrators, Dallas Central Appraisals District, U.S. Postal Service, and county voter's registrar's office.

B. Street Naming Alternatives

- i. Individuals and organizations are encouraged to consider alternatives to street renaming for the commemoration of individuals or organizations. For example, interpretative plaques at key locations on buildings or sites, or where appropriate, in sidewalks or other visible pedestrian areas.
- ii. In some cases, an “Honorary Street” designation may be given to certain sections of existing streets to commemorate the lives of important community members. A commemorative street blade sign may be mounted below the official street name for a defined length of the street, if approved, at the expense of the applicants. “Honorary designations” of streets may be considered as requests for renaming facilities.
- iii. For “Honorary Street” designations, the City shall develop and provide a standard sign specification for approved requests.

LANCASTER CITY COUNCIL

City Council Work Session

5.

Meeting Date: 02/19/2018

Policy Statement: This request supports the City Council 2017-2018 Policy Agenda.

Goal(s): Healthy, Safe & Engaged Community

Submitted by: Opal Mauldin-Jones, City Manager

Agenda Caption:

Discuss requirements of police officer presence at event centers where alcohol is available or served as well as crowd size over a certain limit.

Background:

As prescribed in the City Council rules and procedures as amended September 2016, Section D. City Council Agenda Process, Subsection 1.b., Councilmember Marco Mejia requested that an item be included on the February 19, 2018 Work Session Meeting for the purpose of discussing police officer presence being required at event centers where alcohol is available or served as well as crowd size over a certain limit.

Ordinance No. 2008-02-07 was adopted on February 11, 2008 regarding Parks & Recreation Code which provides provision for requirement of a police officer at events in City facilities:

ARTICLE 16.100 PARKS & RECREATION CODE

Section 16.121 Alcoholic Beverages.

(c) Requests to serve alcoholic beverages during reservations using the Grand Hall in the Lancaster Recreation Center, Lancaster Senior Center and Community House must be made through the Parks and Recreation Department.

3. Such reservations are required to have a licensed City of Lancaster Police Department officer in uniform on duty at all times during the reservation.

The City of Garland has implemented some requirements associated with certain uses:

Section 2.52 Special Standards for Certain Uses.

(A) Specific Requirements. The City has established the following standards for certain land uses that apply to the uses regardless of the zoning district in which they are located, unless otherwise stated within other sections of this GDC. The definitions for each land use listed below are contained within Chapter 6 of this GDC.

(20) Reception Facility. A reception facility must comply with the following provisions of this Subsection (20):

(b) Security. The reception facility must provide security at every event where alcoholic beverages are provided or served, and also for any events occurring after 6:00 p.m.

Security must be by a qualified person(s) who is authorized to provide private security under Chapter 1702 of the Texas Occupations Code.

This item is for City Council discussion.

ORDINANCE NO. 2008-02-07

AN ORDINANCE OF THE CITY OF LANCASTER, TEXAS, AMENDING THE LANCASTER CITY CODE OF ORDINANCES BY ADDING THERETO A NEW CHAPTER 16, ARTICLE 16.100, WHICH SHALL BE KNOWN AS THE "PARKS AND RECREATION CODE"; PROVIDING DEFINITIONS; PROVIDING GENERAL REGULATIONS; PROVIDING SPECIAL RULES FOR SPECIFIC PARK FACILITIES; PROVIDING VEHICULAR REGULATIONS; PROVIDING FOR ENFORCEMENT; PROVIDING FOR DAMAGE TO PARK PROPERTY; PROVIDING FOR FEES; PROVIDING FOR FACILITY SCHEDULING; PROVIDING FOR THE PARK PAVILIONS; PROVIDING FOR ATHLETIC FACILITIES; PROVIDING FOR ACTS REQUIRING PERMITS; PROVIDING FOR AMPLIFICATION SYSTEMS; PROVIDING FOR ROLLER SKATES, SKATEBOARDS/BICYCLES; PROVIDING FOR MASS GATHERINGS; PROVIDING FOR THE PARKS AND RECREATION MASTER PLAN ADOPTION BY REFERENCE; PROVIDING FOR THE LANCASTER PARKS AND RECREATION ADVISORY BOARD, TREE BOARD AND LANCASTER RECREATIONAL DEVELOPMENT CORPORATION; PROVIDING FOR MANDATORY PARK LAND DEDICATION; PROVIDING FOR GOLFING IN PUBLIC PARKS; PROVIDING FOR ADVERTISEMENTS; PROVIDING FOR TRAIL USE; PROVIDING FOR ALCOHOLIC BEVERAGES; PROVIDING A REPEALING CLAUSE; PROVIDING A SEVERABILITY CLAUSE; PROVIDING A PENALTY OF FINE NOT TO EXCEED THE SUM OF FIVE HUNDRED DOLLARS (\$500.00) FOR EACH OFFENSE; AND PROVIDING AN EFFECTIVE DATE.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LANCASTER, TEXAS:

SECTION 1. That the Lancaster City Code of Ordinances be and the same is hereby amended by adding thereto a new Chapter 16, Article 16.100, "Parks and Recreation Code", which shall read as follows:

"ARTICLE 16.100 PARKS AND RECREATION CODE

Sec. 16.100. Name of Code.

This article shall be commonly known and cited as the "Parks and Recreation Code."

Sec. 16.101. Definitions.

For the purposes of this article, the following terms, phrases, words and their derivations shall have the meaning given herein. When not inconsistent with the context, words used in the present tense include the future and words in the plural number include the singular, and words in the singular include the plural. The word "shall" is always mandatory and not merely directory.

Minor child shall mean individuals ages 10 and under.

Sec. 16.102. General Regulations.

Within the limits of any park, it shall be unlawful for any person or persons, by omission or commission, to do any of the acts hereinafter specified, except as may be otherwise provided:

- (a) It shall be unlawful for the parent, guardian or person in custody of such minor child to allow, suffer or permit such child to go into any park, or recreational facility owned or operated by the City, unless such child is accompanied by a person not less than fourteen (14) years of age who is capable of supervising and caring for such child, and who has agreed with such parent, guardian or person in custody of such child to be responsible for the safety of such child.
- (b) To hitch, fasten, lead, drive, or let loose any animal, reptile, fish, or fowl of any kind, provided that this shall not apply to horses, dogs or cats when led by a chain, cord, or leash.
- (c) The Director of Parks and Recreation shall be authorized to establish hours of operation for all parks and recreation facilities based upon usage, funding, and need.
- (d) No group or individual will be allowed to charge an admission fee for activities held at Parks and Recreation facilities or the surrounding grounds without prior approval of the Director of Parks and Recreation.
- (e) Any alterations to the appearance of Parks and Recreation facilities to include, but not limited to, the hanging of plants, additional lighting, attached video screens, etc., must have prior approval by the Director of Parks and Recreation as to the manner in which said alterations are to be accomplished. These must be removed without damage to the facility by the reserving group during the rental period. Any damage which may result from the installation or removal of any fixtures or materials will result in the assessment of damage/security deposit.

- (f) Groups having reservations at Parks and Recreation facilities shall be permitted to use only the area(s) which were designated for them at the time the reservation was confirmed.
- (g) The Director of Parks and Recreation reserves the right to refuse any group the privilege of using Parks and Recreation facilities if past usage resulted in violation of facility policies. Any group charged with a second occurrence will be barred from making any future reservations. In addition, any first occurrence deemed flagrant by the Director of Parks and Recreation may cause a group to be precluded from any future usage.
- (h) No gambling or loitering shall be permitted on all Parks and Recreation facility premises. All patrons must vacate the premises upon the conclusion of their rental period.
- (i) To ride or drive any horse or other animal, except in areas specifically designated for such purpose.
- (j) To carry or discharge any firearm, firecrackers, torpedoes, or any other fireworks, air guns, BB guns, bow and arrow, or slingshots. This prohibition shall not apply to individuals licensed to carry concealed handguns.
- (k) To operate any motorized model airplane, boat or rocket, except in such areas as may be specifically designated for such purposes by the Parks and Recreation Director or designee.
- (l) To damage, cut, break, injure, deface, or disturb any tree, shrub, plant, rock, building, cage, pen, monument, sign, fence, bench, or other structure, apparatus, or property; or to mark or write upon, paint, or deface any building, monument, sign, fence, bench, or other structure.
- (m) To swim, bathe, wade in or pollute the water of any fountain, pond, lake, stream or any other body of water.
- (n) To make or kindle a fire, except in picnic stoves or fire pits in areas designated for that purpose.
- (o) To wash dishes or to empty salt water or other waste liquids in areas other than those specifically designated for such purposes.
- (p) No person shall use any portion of any park facility for toilet purposes, except the public restrooms or temporary portable units provided.
- (q) No person over the age of six (6) years to use the restrooms and washrooms designated for the opposite sex.

- (r) No person shall conduct or participate in any tournament, camp, or organized sporting activity which has not been specifically authorized by the department, or which conflicts with a scheduled activity or event authorized by the department.
- (s) No person shall interfere with, disobey or ignore any lawful order of an employee while in the performance of his/her duties in any park area or facility.
- (t) To leave garbage, cans, bottles, papers, or other refuse elsewhere than in refuse containers provided for such purpose.
- (u) To participate or engage in any activity on any public park area when such activity will create a danger to the public or may be considered a public nuisance. The Parks and Recreation Director or designee may designate particular locations within park areas for specific activities.
- (v) Overnight camping on any park property, except by special permit issued by the Parks and Recreation Director or designee.
- (w) To disrupt or disturb in any manner any picnic, meeting, service, concert, exercise, or exhibition.
- (x) No cremation remains shall be disposed of on park land.
- (y) To distribute, post, place, or erect any advertising handbill, circular, bill, notice, paper, or other advertising device without special permit issued by the Parks and Recreation Director or designee.
- (z) To sell or offer for sale any food, drinks, confections, merchandise, or services without special permit issued by the Parks and Recreation Director or designee.
- (aa) To practice, carry on, conduct, or solicit for any trade, occupation, business, or profession.
- (bb) To go into or remain in any city park at a time when the park is officially closed to the public without a special permit issued by the Parks and Recreation Director or designee. All city parks shall be closed to the public during the times indicated, and signs indicating such shall be posted at conspicuous places to give notice thereof.
- (cc) Glass containers are prohibited in all parks and recreation facilities.
- (dd) Registered sex offenders and individuals that have been convicted of possession and/or distribution of controlled substances are prohibited from

use, access or participation in any and all activities, facilities or participation in municipal parks and recreation facilities, owned, leased, contracted or sponsored by the City of Lancaster.

- (ee) Smoking and the use of all tobacco products shall be prohibited within the confines of any city park, athletic facility or any enclosed park facility.
- (ff) No pets shall be permitted within any playground area or where any organized activity is being conducted. This prohibition shall not apply to service animals used for persons with disabilities or law enforcement.
- (gg) The use of metal detectors in City parks, and recreational facilities is prohibited.

Sec. 16.103. Special Rules for Specific Park Facilities.

Each park facility may develop rules and regulations that address problems specific to that facility, which shall be in writing and approved by the Director. Patrons shall comply with all rules and regulations posted at individual facilities or for special events.

Sec. 16.104. Vehicular Regulations.

Within the limits of any park, it shall be unlawful for any person or persons to do any of the acts hereinafter specified, except as may be otherwise provided:

- (a) To drive a vehicle at a rate of speed faster than fifteen (15) miles per hour upon any drive or street in any park of the City unless otherwise posted on standard traffic signs.
- (b) To exhibit any unnecessary acceleration of a vehicle such as to cause gravel to be thrown, tires to squeal, or the vehicle to spin in an unsafe or hazardous manner.
- (c) To drive a vehicle over or across the curbs, sidewalks, grass, or lawn within any park area unless authorized by Parks and Recreation Director or designee.
- (d) For any vehicle used for the purpose of transporting freight and merchandise, or brick, stone, or gravel, and all those commonly known as express or delivery vans to enter upon or drive through any public park, except by special permit issued by the Parks and Recreation Director or designee.

- (e) To park in areas other than those set aside for this purpose. In areas having no parking areas marked, all parking will take place outside of the boundary or curb-line, where existing.
- (f) Where parking stalls have been designated, all vehicles shall be parked within and between the lines designating a single vehicle parking space and not otherwise.
- (g) Where parking lots or areas within parks have been designated for head-in parking to front on a visible parking line without delineated single vehicle spaces, the front of the vehicle shall be placed on the parking line.
- (h) No vehicle shall be parked or left behind any other vehicle in the parking line or back of such parking line in any manner so as to obstruct, block, or hinder ingress or egress from the line. Where a vehicle is parked or left in violation of this section in such a manner as to obstruct or block traffic and the owner or operator of the vehicle cannot be found or refuses to remove such vehicle, police officers or other authorized representative of the City may move the vehicle so that traffic will not be impeded. No variation to the requirements of this paragraph shall be allowed, except by special permit issued by the Parks and Recreation Director or designee.

Sec. 16.105. Enforcement.

(a) Officials

The Parks and Recreation Director or designee, and any member of the Police Department shall, in conjunction with their duties imposed by law, diligently enforce the provisions of this Ordinance.

(b) Ejection

The Parks and Recreation Director or designee, and any member of the Police Department shall have the authority to demand that any person acting in violation of this Ordinance leave the park or city recreational facility leased or owned. "Demand" as that term is used in this subsection, shall mean the giving of an order to the person in violation of this Ordinance, instructing that such person leave and depart from the premises of the park or city recreational facility leased or owned. It shall be unlawful for any person to remain within the park premises after receiving such an order. Such failure shall constitute criminal trespass.

Sec. 16.106. Damage to Park Property.

If any person damages or defaces any real or personal property under the control or responsibility of the Parks and Recreation Department, such violators shall be

held responsible for the actual costs to repair or replace such damaged item or items.

Sec. 16.107. Fees.

All fees for rentals and memberships are approved by City Council and outlined in the Master Fee Schedule.

Sec. 16.108. Facility Scheduling.

- (a) Requests for reservations for any of the facilities in any of the parks must be made through the Parks and Recreation Department. Such reservations must be requested in person no later than two (2) weeks (14 days) prior to the date for which the reservation is requested.
- (b) Parties and activities involving minors ages 11-17 require the following:
 - 1. Reservations will not exceed 50 minors per event.
 - 2. One City of Lancaster police officer in uniform for every 25 minors.
 - 3. Guest list must be provided. No individuals will be permitted to enter the reservation unless named on the list.
 - 4. Participants are not allowed to leave the reservation once checked in.
 - 5. No reservations will be allowed to exceed the City's Curfew Hours for Minors. Ordinance No. 2007-02-06 adopted February 26, 2007.
 - 6. One chaperone (age 25 or older) for every 25 minors.
 - 7. City sponsored events shall be exempt.
- (c) The Parks and Recreation Director is authorized to refuse or deny any request for reservations for reasonable cause. The Parks and Recreation Director further has the right and obligation to cancel or suspend any such reservation previously issued if, in the opinion of the Parks and Recreation Director, such cancellation or suspension is in the best interests of the citizens of Lancaster and/or is necessary for the maintenance and control of facilities under the responsibility of the Parks and Recreation Department.
- (d) At the conclusion of the reservation of any facility, the facility must be left in a clean and orderly condition. All applicants agree, by signing of the reservation contract, to pay the cost of repairing any damage to park property incurred by the group using the facility as determined by the Parks and Recreation Department.

- (e) All facilities that are not reserved are available for use by the general public on a first come, first served basis. A listing of reserved facilities, including the time of reservation and the party holding such reservation, will be maintained by the Parks and Recreation Department and will be available for inspection during regular working hours.

Sec. 16.109. Park Pavilions.

- (a) All park picnic pavilions can be reserved. Reservations must be made in person by the individual responsible for the reservation. Reservations will be granted for a pavilion between the hours of 8:00 a.m. and 12:00 Noon and 1:00 p.m. and 5:00 p.m.
- (b) All facilities that are not reserved are available for use by the general public on a first come, first served basis. A listing of reserved facilities, including the time of reservation and the party holding such reservation, will be maintained by the Parks and Recreation Department and will be available for inspection during regular working hours.

Sec. 16.110. Athletic Facilities.

Reservations for a playing facility will be granted for a reasonable period of time between the hours of 8:00 a.m. and sunset for unlighted facilities and between 8:00 a.m. and 11:00 p.m. for lighted facilities, as available.

Sec. 16.111. Acts Requiring Permits.

In addition to any other provision of this Article that requires the obtaining of a permit prior to engaging in a given activity, it shall be unlawful for any person in a park to conduct, operate, present, manage or take part in any of the following activities unless a permit is obtained from the Parks and Recreation Director prior to the start of such activity.

- (a) Any organized team or league sports activity.
- (b) Give any theatrical entertainment, moving picture show, parade, procession or public gathering, festival, concert, recreational program, event, or other outdoor presentation, whether or not an admission fee is charged.
- (c) Special permits for activities not identified or required by this Ordinance must be applied for in person no later than 14 days prior to the date for which the permit is requested.
- (d) The person or persons utilizing such permit must have the permit in their possession or, if possible, posted in a conspicuous location, and available

for inspection by the Parks and Recreation Director or designee or any member of the Police Department.

- (e) The Parks and Recreation Director has the right to refuse or deny any request for special permit for reasonable cause. The Parks and Recreation Director further has the right and obligation to cancel or suspend any such special permit previously issued if, in the opinion of the Parks and Recreation Director, such cancellation or suspension is in the best interests of the citizens of Lancaster and/or is necessary for the maintenance and control of facilities under the responsibility of the Parks and Recreation Department.
- (f) Any person making a request for a reservation may appeal the refusal of such request to the City Manager.

Sec. 16.112. Amplification System.

- (a) Except when approved by the Parks and Recreation Director or designee, no person shall operate any device so that the sound could be heard to the annoyance or inconvenience of persons in a public place or in neighboring premises.
- (b) No permit shall be issued for the use of amplified sound beyond 10 p.m. unless approved by the Parks and Recreation Director.

Sec. 16.113. Roller Skates, Skateboards/Bicycles.

Roller skates, skateboards and bicycles are permitted on designated trails within city parks. Roller skating, skateboarding and bicycle riding are prohibited on playgrounds, sidewalks, tennis courts, in picnic pavilions or monument-type structures or in any other park area except as designated by the Parks and Recreation Director or designee.

Sec. 16.114. Mass Gathering.

- (a) It shall be unlawful to hold any meeting or gathering within the parks and recreation department facilities which will attract more than 50 persons without first obtaining a special permit and/or reservation contract from the Parks and Recreation Director or designee for such purpose.

Section 2.52 Special Standards for Certain Uses

(A) **Specific Requirements.** The City has established the following standards for certain land uses that apply to the uses regardless of the zoning district in which they are located, unless otherwise stated within other sections of this GDC. The definitions for each land use listed below are contained within Chapter 6 of this GDC.

(1) **Convenience Stores.** Convenience stores must comply with the following provisions of this Subsection (1):

- (a) A Convenience Store may not offer drive-in, drive-up, drive-through or walk-up sales, or service of pre-packaged, sealed, unopened beverages.
- (b) A Convenience Store must contain a minimum of one thousand square feet of retail space unless it is located in a multi-tenant building in an Urban district.
- (c) For purposes of this Section, the terms "drive-in", "drive-up", "drive-through" and "walk-up" do not prohibit the service of food or beverages to customers:
 - (i) Who must physically leave their vehicles and enter a building in order to make a purchase; or
 - (ii) As part of a drive-through restaurant in connection with the sale or service of food to the customer.

(2) **Youth Day Care Centers and Private Schools (including Kindergartens and Pre-Schools).** Youth Day Care Centers and Private Schools must comply with the development standards of the zoning district and with the following regulations and standards of this Subsection (2):

- (a) **State License.** All Day Care Centers and Private Schools must have and maintain a valid State license, if required, for the type of operation.
- (b) **Outdoor Play Area.**
 - (i) All Day Care Centers and Private Schools must provide at least sixty-five square feet of fenced outdoor play space per child, based upon the maximum licensed capacity of the facility. The required outdoor play area may have no perimeter dimension of less than thirty linear feet. However, where the minimum requirements of outdoor play area have been met, any additional space used as a portion of the outdoor play area may be of any dimension. For Day Care Centers or Private Schools that are located within an office building, retail center, or other nonresidential structure, the outdoor play area requirement may be satisfied by providing an equivalent amount of indoor play space (such as a gymnasium or other enclosed area that is conducive to recreational activities).

- (ii) the exterior walls are one hundred percent textured masonry to match the rest of the complex;
 - (iii) no roof overhangs or encroaches upon an adjacent property;
 - (iv) no signage is placed on exterior walls;
 - (v) spaces between buildings where no driveway exists are fenced with ornamental iron fencing with evergreen shrubs; and
 - (vi) property line(s) are not adjacent to a residential zoning district.
 - (c) Special Vehicle, Recreational Vehicle and Boat Storage. Storage of special vehicles, recreational vehicles, or boats: (i) must be in a designated area; (ii) may not occupy any required parking spaces; and (iii) are only allowed with approval of an SUP and accompanying Site Plan.
- (17) Landscape Nursery/Tree Farm. A commercial Landscape Nursery/Tree Farm may use compacted and stabilized road-base gravel or asphalt for all drive aisles in the plant-growing and display areas of the site if a request for alternative compliance is submitted, and subsequently approved, in accordance with [Article 1, Division 2 in Chapter 4](#) of this GDC. The main entry drive aisle, all customer parking areas at the sales center or retail building, and all required fire lanes must be paved in accordance with the City's paving standards.
- (18) Bulk Materials Sales and Storage. Bulk Materials Sales and Storage must meet all standards of outside storage as provided in [Section 2.52\(A\)14](#).
- (19) Temporary Building/Office. The use of compacted and stabilized road-base gravel or asphalt for required parking areas for a Temporary Building/Office is allowed, provided that the building is no larger than two thousand square feet in total area and complies with Sections 30.03, 30.06 and 30.194 in the City Code.
- (20) Reception Facility. A reception facility must comply with the following provisions of this Subsection (20):
- (a) Time Period. An SUP for a reception facility is valid for the time period specified in the SUP ordinance.
 - (b) Security. The reception facility must provide security at every event where alcoholic beverages are provided or served, and also for any events occurring after 6:00 p.m. Security must be by a qualified person(s) who is authorized to provide private security under Chapter 1702 of the Texas Occupations Code.
 - (c) Loitering, Outside Activities. Prolonged congregating or loitering of event attendees or participants outside the reception facility is prohibited. Outside activities, if any, must be in compliance with the City's noise regulations as set forth in the City Code.

1st Quarterly Update FY 2017/2018

Fiscal Year 2017-2018

1st Quarterly Update

Financially Sound Government

The City has a long-range financial plan and has prudent fiscal policies and processes in place. It has met or exceeded all fund reserve goals, has funds available to address the needs of the community, and responsibly manages its debt.

Quality Development

The City encourages high quality, diverse housing, commercial and retail development and public facilities. Policies encourage sustainable building practices, conservation and the use of alternative energy sources.

1. Continue design and development of a new City Hall – Downtown TIF

Staff will utilize the implementation plan and tools from the recently adopted comprehensive plan to explore appropriate steps for the creation of a TIF district within the downtown area. Staff has made a presentation to Council regarding options for implementation of a TIF.

Additional contact has been made with Dallas County to explore the possibility of their participation in a TIF.

New City Hall – Staff has met with GSBS regarding design elements and cost estimating for a City Hall. Council received a presentation during the Strategic Planning session in June 2017.

November 03, 2017, City Council had the opportunity to tour municipal facilities in the cities of Grapevine, Texas, Southlake, Texas, Kaufman, Texas & Azle, Texas.

At the January 29, 2018 Special Meeting, City Council requested additional information at a future Work Session.

This item is on hold until further direction is given by City Council on the development of the new city hall.

2. Continue Land Bank Program

City Council was presented on January 8, 2018 with a Draft Land Bank Program. City Council is scheduled to consider the policy at the February 26, 2018 regular meeting.

3. Continue Economic Development Strategic Plan

To date, Willdan has completed stakeholder interviews with individuals in various sectors such as business, commercial, real estate, retail, education, development, public office, etc. within and outside of Lancaster. During November, the consultants completed four (4) Economic Development Workshops to gather public input on the Strengths, Weaknesses, Opportunities, and Threats (SWOT) for the City. The consultants are completing interviews with each City Councilmember. Willdan will be completing the Draft Economic Profile

Report and SWOT findings report. Next steps include drafting recommendations, completing case studies, preparing an implementation plan including sources and uses of funding, and hosting a Consensus Building Workshop with City Council and Staff regarding draft recommendations.

- Adapt Xeriscape amendments to the Lancaster Development Code (LDC), Code of Ordinances and/or applicable development regulations

Planning Division is working with the consultant, Texas Trees Foundation in coming up with an approved tree list/manual together with reviewing the current Xeriscape Ordinance for amendments. This will be presented to City Council for discussion and consideration in late Spring 2018.

- Implementation of TIFs for key growth areas

City Council identified the Downtown Historic and Campus District as key areas. Lancaster Campus District as well as the area adjacent to it is undergoing a engineering study in coordination with the City of Dallas. Staff will provide an update once this study is complete.

The TIF Number 1 was recently amended by City Council for continuation of the infrastructure project plan in cooperation with Dallas County.

- Implement the Comprehensive Plans

Staff continues to review development applications in light of the Comprehensive Plans to ensure that all development applications are consistent with the Comprehensive Plans.

Staff is also in the process of updating the water, waste water and thoroughfare plans. City Council will receive a presentation regarding an update to the Hike and Bike Trails Master Plan. The Stormwater Plan & Streetscape Master Plans will be forthcoming for City Council consideration in early Summer 2018.

Healthy, Safe, & Engaged Community

Lancaster is a place where we embrace public safety and compassionate enforcement in our neighborhoods to sustain vibrant residential and business communities. The community celebrates unity and participates in city-wide events, recreational and cultural activities. Residents have opportunities for involvement in civic life through boards and commissions, youth and parent volunteer opportunities in recreation, sports teams, City elections, Civic Academies, Schools and city-wide celebrations.

1. Develop an expanded community health initiative

Council was presented on November 6, 2017 with a presentation from the Best Southwest Partnership Health Care Committee Chair Dr. Cynthia Mickens Ross regarding the Lancaster Health Priorities as prepared by Parkland Hospital. Given the data, Council and City Staff appointed members to the Health Fitness Council. Community Programs Coordinator and Health Fitness Council Chair, Jasmine Carr, was also selected as the liaison for the Best Southwest Partnership Healthcare Committee. The Health and Fitness Council has met on a weekly basis and focused efforts on the It's Time Texas Community Challenge. The Health and Fitness Council has encouraged various residents, businesses, and organizations to make a pledge to fitness and healthy eating. The challenge runs from January 3, 2018 through March 4, 2018. Out of 230 participating communities,

Lancaster is second in the Statewide Scoreboard and 1st in our small division. The committee has planned two special events, a Lancaster 5k Walk/Run on February 24th and partnered with the new International Leadership of Texas-Lancaster K-8 Health Fair on March 3rd.

In addition to the Community Health Challenge, the Chair of the Health Fitness Council has attended American Heart Association sponsored events and working towards future local partnerships. Ms. Carr will attend bi-monthly Best Southwest Healthcare Committee meetings and subcommittees for the target areas of Pre-Natal Care and Heart Failure.

2. Amend the fee schedule to allow the City to be reimbursed for use of public property and land in commercial films

At the November 06, 2017 Work Session Meeting, City Council received a presentation in order to establish a commercial film policy when uses city-owned real estate, personnel, rights-of-way permit requirement and fees, as well as insurance requirements from staff.

At the December 04, 2017 Special Meeting, City Council approved amending the master fee schedule in an effort to establish a commercial film policy when uses city-owned real estate, personnel, rights-of-way permit requirement and fees, as well as insurance requirements.

3. Expand the business retention and expansion programs (BREP)

Staff has engaged in targeted informal introductions with local businesses by going door to door to introduce themselves to owners and managers. Formal BREP meetings have included Texas Name Plate in October and Wal-Mart in January. Sub-Zero/Wolf and Bentwood are schedule for February and March respectively.

4. Reinvigorate the LEEP Program that establishes a partnership between Code Compliance and Community Volunteers.

- 1) 17 volunteers meet on a monthly basis to discuss project updates. LEEP volunteers have been provided an office space at the Service Center located at 700 E. Main Street where they prepare reports and complete administrative assignments alongside code compliance officers. LEEP volunteers are assisting with various duties such as identifying sign violations, assisting at the Trash-off events, identifying high grass, vehicle parking, and other easily identifiable violations throughout the City.

- 2) LEEP volunteers have partnered with Code Compliance to promote the "Best Yard Award" program. Every quarter the City is showcasing one Lancaster Homeowner and one business owner who have kept their yard in exceptional condition. The first quarter's award recipient was recognized by Council on September 25, 2017 and the second will be recognized on January 22, 2018 for the second quarter. Once the nomination forms are received, LEEP volunteers individually conduct the inspection and select their favorite yard based on a set of criteria that includes: Law care, cleanliness of walkways and driveways, landscape and flower beds care, and adherence to City codes, HOA, and PIDs rules.

- 3) This past holiday season LEEP volunteers partnered with Home Depot to donate a live Christmas tree and lights to Houston Elementary's 4th grade class and Walmart donated a Christmas tree to Beltline Elementary School.

5. Revise Boards and Commissions criteria

Staff is researching and an item will be presented to City Council in the 3rd Quarter of Fiscal Year 2017/2018.

6. Establish a program for short-term rentals such as Air B&B

Staff is researching and an item will be presented to City Council in the 3rd Quarter of Fiscal Year 2017/2018.

7. Fire Department:

Fire Prevention:

The Fire Marshal's office with the assistance of on duty shift personnel have installed 54 smoke detectors since October 1, 2017. A priority has been to fill requests the same day that they have been received, and to observe the absence of smoke detectors while making emergency calls to residents.

Emergency Medical:

The Fire Department has responded to 1,133 rescue and emergency medical calls this quarter. Seven (7) patients that were reported to be without a pulse or respiration were successfully resuscitated. These seven (7) individuals were clinically dead before the lifesaving intervention by EMS personnel.

Reported Fires and other Calls for Service:

The Fire Department responded to 43 reported fires the first quarter with an estimated loss of \$234,530.

8. Police Department:

Public Safety flyers by District for the 1st quarter of fiscal year 2017/2018, were provided to City Council in January 2018.

9. Municipal Court:

- 1) The first quarter of FY 2017/2018 the Municipal Court collected revenues of \$310,467. This is an increase of \$12,032 from the same period last year of \$322,499.
- 2) There were a total of 1,681 cases filed, 3,021 trials/hearings, and 2,403 dispositions the first quarter of FY 2017/2018.

10. Quality of Life and Cultural Services:

October 13, 2017, the City of Lancaster, KaBoom!, and Allstate came together to build a new playground at Kidsquare Park. There were 286 volunteers including City of Lancaster and Lancaster ISD employees, Cedar Valley College, 4B Board and other community members who helped to create a 3,000 sq. ft. playground, performance stage, benches, trash cans, picnic tables, and six playground /outdoor games for kids to get active and play! Volunteers mixed concrete, moved mulch, built items and painted. 36 youth attended the event and participated in skills and drills led by former NFL greats, University of Texas (and Kansas City Chiefs) running back Priest Holmes and former University of Oklahoma (and Dallas Cowboys) safety Roy Williams. This fun-filled day began with a musical welcome from the LHS drumline, stretching activities and a demonstration from our local Zumba instructor and greetings from Mayor Marcus E. Knight and Allstate Director Dan Keats. We had food and beverages sponsored by numerous local vendors, restaurants and community volunteers.

October 31, 2017, was the Annual Fall Festival/Boo Bash at the Lancaster Recreation Center. Over 1,300 were in attendance at this safe, fun-filled event that served as an alternative to traditional “Trick or Treating.” Those in attendance enjoyed a live DJ, face painting, photo booths, carnival games, movies, inflatables, a costume contest and thousands of pieces of candy! The Grand Hall was transformed into a Scary House, and was implemented by Youth Advisory Committee. Admission to this event was canned goods (or) boxed meals that were distributed at the Annual Turkey Bowl that took place on November 18, 2017. Over two pallets of

canned goods and boxed meals were collected at this event.

November 18, 2017, was the Annual Turkey Bowl and Turkey Shootout at the Lancaster Recreation Center. Festivities included 3-on-3 basketball, a live DJ, fun games and bounce houses for the kids, and inflatable bowling to win a free turkey that included fixings. The Lancaster Police Department and Fire Department competed and interacted with the community for this community initiative.

December 9, 2017, was the 64th Annual Holiday Parade & Festival on Historic Town Square. Games, activities, photos with Santa, and free food provided by In-and-Out and Grimaldi's all made for a spectacular event.

11. Visitors Center/State Auxiliary Museum:

This quarter, hosted several groups visited at the Lancaster Visitors Center and State Auxiliary Museum. These groups consisted of the Senior Center and S.A.F.E. Afterschool Program participants. The Visitors Center also was the host site for the North Texas Chapter of National Forum of Black Public Administrators quarterly membership meeting that brought visitors from all over the State. Brochures for the Museum and

Visitors Center are still being distributed in Travel Centers across the State.

12. Village 2020 Update City of Lancaster and Lancaster ISD Strategic Plan:

- 1) The Mobile Outreach Library and Technology School visited the GWC 6th Grade learning center every 1st and 3rd Friday in the months of October through December 2017, giving over 500 students the opportunity to check out books and learn more about library services.

13. Parks Division:

Adopt a spot volunteers reported nearly 24 man hours and picked up over 4 cubic yards of litter and debris from City parks and right-of-ways:

Leading by Example – Meadowcreek Park
Brasscraft – Lancaster-Hutchins Road
Cold Springs Church of Christ – West Main Street
Rusty Lemley – South Houston School Road
Church of Christ at Cedar Valley – West Wintergreen Road
Lemley & Scott – Parkerville Road
Boy Scouts Troop 1141 – Kids Square Park
Girl Scouts Troop 305 – Community Park
Johansen Lighting Products – City Park

AKA Sorority, Upsilon LAMBDA Omega – Community Park Flower Beds/Friends of the Library

A self-defense class for women was introduced this quarter.

	October	November	December	Total
Membership Scans 2017	3,289	2,882	2,746	8,917
Daily Passes	42	63	48	44
Grand Total	10,726			

14. Senior Services Division:

Throughout the quarter, the senior members participated in several reoccurring activities and they also participated in “Introduction to Croquet,” where they were informed on the rules, objectives, and techniques of the game. The seniors also went on numerous field trips.

November 10, 2017, appreciation was expressed to our seniors who are Veterans and those seniors who have family members that served in the United States Military. Seniors and family members were recognized for their service. Certificates of appreciation and gratitude were awarded to Veterans. A commemorative table was adorned by the United States Military memorabilia from all branches (i.e. photos, personal souvenirs, medallions, awards, etc.).

November 13, 2017, senior members participated in a fantasy journey to Ireland, France, Italy and Spain through the sounds of musical instruments, compliments of the Texas Winds Musical Outreach Program. A

relaxing, educational activity and presentation in which members enjoyed a cultural experience and learned about the history of musical instruments, how they were manufactured, and the history of musical composers as well. Members also listened to the wonderful sounds of composers such as Enrique Granados, Marcel Tournier, Ola Gjeilo, Astor Piazzola, Luigi Boccherini, and others.

Professional & Committed Workforce

Lancaster city government is an employer of choice with competitive pay that attracts an engaged, responsive, customer-oriented, innovative, and effective workforce. Some employees live in the City and all have a sense of ownership of the community. City employees feel needed and appreciated by elected officials, residents and businesses and are respectful to and appreciative of their customers and the City’s governing body. The City’s executive staff is engaged with residents and attends community events, upholds strong customer service, and uses technology to aid them in working smarter.

1. Continue to pursue implementation of the Compensation Policy

We have worked collaboratively and strategically regarding employee compensation and retention. While we still have progress to make, we have accomplished milestones with compensation, equipment replacement, comparable benefits and creating opportunities for career progression.

In 2013/2014 City Council approved a 3% increase to the pay plan. In 2014/2015 City Council approved a 5% increase to the pay plan. 2015/2016 City Council approved a 2% increase to the pay plan. In 2016/2017 City Council approved a 5% increase to the pay plan. In 2017/2018 City Council approved a 3% increase to the pay plan; totaling an 18% increase overall to the pay plan for the past four years.

2. Continue funding for Lancaster University

We have established an annual professional level training program for all levels of employees. On March 9, 2018, we will host our 2nd annual conference for all city employees. Topics included in the program are customer service, servant leadership, energized support for organizational goals and objectives, as well as technical classes on software programs commonly used by employees. The program was well received by employees in 2017 and there is excitement and anticipation for 2018 Lancaster University. Employee's have expressed their gratitude to have council support for employee development.

Sound Infrastructure

The City has well-maintained streets and well-planned preventative maintenance programs for infrastructure which including streets, water, storm water, wastewater and other assets.

1. Continue Infrastructure Implementation Project – Pleasant Run Road Phases 1, 2, 3, & 4

We just had a meeting where City Council approved an amended TIF Service Plan for Pleasant Run Road. Design on Phase I and II has been completed.

2. Complete Airport Terminal Construction

In November 2017 Denco Construction Specialists was selected to be awarded the project with the lowest base bid of \$1,798,911.27 with Alternate #4 (add linoleum pattern with minimum two colors in lobby) at \$5,500.00 for a total bid of \$1,804,411.27.

3. Complete Golf Course Direction

City Council approved a short-term agreement with Touchstone Golf, LLC. The agreement has since been extended for one year. City Council will receive quarterly financial and operational updates.

4. Appoint a citizens committee to develop a Capital Improvement Plan for the City

Staff is reviewing state laws regarding Capital Improvement Plan (CIP) committee appointment. An update will be provided in the 4th quarter fiscal year 2017/2018.

5. Work with the Best SouthWest Partnership to implement public transportation options

Staff has researched various forms of transportation entities currently available within the State of Texas. Mayors and staff from the BSW partnership met with NCTCOG staff seeking additional guidance and information on how to best unify transportation efforts within the region.

6. Streets & Stormwater:

Staff performs routine section repairs and pot hole repair. We are retraining staff on appropriate techniques to improve the quality of repair.

7. Water/Wastewater:

Special Projects

- Water meter register replacement, 2,200 of the approved 3,000 registers have been replaced this quarter.
- Texas Water Development Board Annual Water Use Survey started. Due March 1, 2018
- November 13, 2017, City Council approved resolution no. 2017-11-83 to provide a new Master Plan for Water, WasteWater and Roadways with updated impact fees.

LANCASTER CITY COUNCIL

City Council Special Meeting

1.

Meeting Date: 02/19/2018

Policy Statement: This request supports the City Council 2017-2018 Policy Agenda.

Goal(s): Civic Engagement

Submitted by: Sorangel O. Arenas, City Secretary

Agenda Caption:

Consider a resolution declaring vacancies and ordering a Special Election for Councilmember District 4 and District 5 of the City Council of the City of Lancaster Texas; providing for administration by Dallas County election administrator; providing for presiding election judge and an alternate presiding judge; providing for early voting; providing application for ballot by mail.

Considere la posibilidad de una resolución que declara vacantes y se ordena una Elección Especial para el concejal del Distrito 4 y Distrito 5 del Ayuntamiento de la ciudad de Lancaster Texas; proveer para la administración por administrador de elecciones del condado de Dallas; que prevé el presidente del tribunal electoral y un suplente juez presidente; proveer para la votación anticipada; proporcionando solicitud de voto por correo.

Background:

The municipal Special Election for councilmember for District 4 and District 5. The Special Election Day is Saturday, May 5, 2018.

Operational Considerations:

The Dallas County Elections Administrator shall administer the Special Election.

Early voting will be held at the Lancaster Veterans Memorial Library. This location best serves the election process by offering sufficient space for the voters, easy entry/exit from the room (without entering the Library itself) and offers the necessary technology access for use by Dallas County Elections personnel. This location is familiar to our voters and has consistently been used in recent elections for early voting as well as for Election Day voting.

Voting on the Special Election date of Saturday, May 5, 2018 will be held at the Lancaster Veterans Memorial Library, Elsie Robertson Middle School, and Wilmer Community Center.

Legal Considerations:

The City Attorney has reviewed the resolution ordering the special election.

Pursuant to state and federal laws, the resolution (Election Order) is provided in English and Spanish. In addition, the caption on the City's agenda for this meeting is in English and Spanish.

Public Information Considerations:

All requirements for the posting and publishing of the election order will be completed as outlined in the resolution.

LANCASTER CITY COUNCIL

City Council Special Meeting

2.

Meeting Date: 02/19/2018

Policy Statement: This request supports the City Council 2017-2018 Policy Agenda.

Goal(s): Financially Sound Government

Submitted by: Sorangel O. Arenas, City Secretary

Agenda Caption:

Consider a resolution approving the terms and conditions of a Joint Election Contract and Election Services Agreement with Dallas County Elections to conduct a municipal General and Special Election for the election of a mayor at-large and for the election of a Councilmember for District 4 and District 5 to be held on Saturday, May 5, 2018.

Considerar una resolución aprobando los términos y condiciones de un Contrato de Elección Conjunta y Acuerdo de Servicios Electorales con las Elecciones del Condado de Dallas para conducir una Elección General y Especial municipal para la elección de un alcalde en general y para la elección de un Concejal para el Distrito 4 y el Distrito 5 que se celebrará el sábado 5 de mayo de 2018.

Background:

On May 5, 2018, the City will conduct a municipal General and Special Election to elect a mayor at-large and to elect councilmembers for District 4 and District 5 for a three-year term.

Operational Considerations:

Dallas County Elections has the staff, equipment, and expertise to efficiently conduct elections. Participating with other municipalities and school districts helps defray the cost of the election and streamlines the voting process for residents.

Legal Considerations:

The election services agreement is attached. The City Attorney has reviewed and approved the resolution and contract as to form.

Public Information Considerations:

This item is being considered at a meeting of the City Council noticed in accordance with the Texas Open Meetings Act.

Fiscal Impact:

Dallas County Elections has indicated the estimated cost for the City's share of this year's General Election is \$6,865.22. However, the estimated cost will slightly change since the City is also holding a Special Election and staff is expecting the estimated cost from Dallas County.

The City's final cost depends on how many entities contract with Dallas County for election services. Recent municipal election costs are outlined below.

Election Year	Costs
----------------------	--------------

May 2017	\$0.00 (election canceled)
August 2016 Special	\$0.00 (election canceled)
May 2016	\$0.00 (election canceled)
May 2015	\$6,205.77
May 2014	\$9,050.26

Estimated costs for the City's election are calculated by Dallas County Elections based on various factors including shared polling locations and total number of governing entities that participate in the election. If a run-off election is required, the City will incur additional costs.

Options/Alternatives:

1. City Council may approve the resolution, as presented.
2. City Council may deny the resolution and direct staff.

Recommendation:

Staff recommends approval of the resolution, as presented, contracting with Dallas County Elections for election services.

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LANCASTER, TEXAS, APPROVING THE TERMS AND CONDITIONS OF A JOINT ELECTION CONTRACT AND ELECTION SERVICES AGREEMENT WITH DALLAS COUNTY ELECTIONS TO CONDUCT A MUNICIPAL GENERAL AND SPECIAL ELECTION FOR THE ELECTION OF A MAYOR AT-LARGE AND FOR THE ELECTION OF A COUNCILMEMBER FOR DISTRICT 4 AND A COUNCILMEMBER FOR DISTRICT 5 TO BE HELD ON SATURDAY, MAY 5, 2018; AUTHORIZING THE CITY MANAGER TO EXECUTE SAID CONTRACT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Lancaster will hold a municipal General and Special Election for the election of a Mayor at-large and for the election of a Councilmember for District 4 and District 5 to be held on Saturday, May 5, 2018; and

WHEREAS, the City of Lancaster desires to participate with other municipalities and entities in Dallas County to help defray the costs of such elections and streamline the voting process for residents; and

WHEREAS, it is the desire of the City of Lancaster to secure election services from Dallas County Elections.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LANCASTER, TEXAS:

SECTION 1. That the Dallas County Joint Election Contract and Election Services Agreement attached hereto and incorporated herein by reference as Exhibit "A", having been reviewed by the City Council of the City of Lancaster, Texas, and found to be acceptable and in the best interest of the City and its citizens, be, and the same is hereby, in all things approved.

SECTION 2. That the City Manager is hereby authorized to execute the Joint Election Contract and Election Services Agreement with Dallas County Elections to conduct a General and Special Election.

SECTION 3. This resolution shall become effective immediately from and after its passage, as the law and charter in such cases provide.

DULY PASSED and approved by the City Council of the City of Lancaster, Texas, on this the 19th day of February, 2018.

**FOR THE CONDUCT OF A JOINT ELECTION
TO BE HELD SATURDAY, MAY 5th, 2018
TO BE ADMINISTERED BY THE DALLAS COUNTY ELECTIONS DEPARTMENT**

1) STATUTORY AUTHORITY FOR AND PARTIES TO THIS ELECTION SERVICES CONTRACT

- a) Antoinette “Toni” Pippins-Poole (“Toni Pippins-Poole”) is the duly appointed County Elections Administrator (“Elections Administrator”) of Dallas County, Texas (“County”) and the Department Head of the Dallas County Elections Department (“DCED”). As such, Toni Pippins-Poole is the County’s Voter Registrar and the Election Officer of Dallas County, Texas and is authorized by Subchapter D of Chapter 31 of Title 3 of the Texas Election Code to enter into this Election Services Contract with the contracting authorities of the Participating Political Subdivisions listed in “Attachment F” of this Election Services Contract. DCED acts at the direction of the Elections Administrator.
- b) The contracting authorities of the Participating Political Subdivisions that are participating in this Election Services Contract are listed on the face page of this agreement and in “Attachment F” of this Election Services Contract and are hereby participating with each other in this Joint Election to be held in Dallas County, Texas on **Saturday, May 5, 2018** under Chapter 271 of Title 16 of the Texas Election Code (“Joint Election”); and are hereby contracting with the Elections Administrator of Dallas County, Texas to perform the election services set forth in this Election Services Contract under Subchapter D of Chapter 31 of Title 3 of the Texas Election Code. The Participating Political Subdivisions acknowledge that they are participating in this Joint Election with each other and with Dallas County, Texas and the State of Texas, to the extent that Dallas County, Texas and the State of Texas have candidates on the ballot in this Joint Election.
- c) The Elections Administrator will coordinate, supervise, and handle all aspects of administering this Joint Election in accordance with the provisions of the Texas Election Code and as outlined in this Election Services Contract. Each contracting authority of each Participating Political Subdivision will pay its share of the Election Costs to the Elections Administrator for the equipment, supplies, services, and administrative costs outlined in this Election Services Contract. The Elections Administrator will administer the election; however, each Participating Political Subdivision will be responsible for the duties directly administered by the Participating Political Subdivision.
- d) If applicable and in the event a runoff election is necessary, the date of the runoff for this Joint election would be **June 16, 2018**. This Elections Services Contract and its terms will be automatically extended to cover the Joint Runoff Election, unless a Participating Political Subdivision states in writing before **May 17, 2018** that it does not wish to participant in a joint runoff election contemplated herein. DCED will provide each Participating Political Subdivision to which this Section 1(d) applies an estimated cost required to be deposited into a special and separate Joint Runoff Election account. The funds must be deposited no later than five (5) days after the Joint Runoff Election’s estimated figures are received from DCED.

- 2) **ATTACHMENTS** The following attachments are hereby incorporated into this Election Services Contract as if set forth herein in their entirety. The Participating Political Subdivisions acknowledge that the following attachments are subject to reasonable changes by the Dallas County Elections Administrator before, during, and after Election Day and any runoff election(s), if any runoff election(s) are required by law to be held.
- a) **“Attachment A”** is an itemized list of the estimated election expenses for this Joint Election and the amounts that each Participating Political Subdivision must deposit with the Dallas County Elections Department. It also includes the Deposit Detail for each entity. The Elections Administrator will amend “Attachment A” to reflect the changing estimates of election expenses that are caused by changing circumstances and by the withdrawal of Participating Political Subdivision(s), if any, from this Election Services Contract.
 - b) **“Attachment B”** is a list of the early voting polling places for this Joint Election.
 - c) **“Attachment C”** is a list of the Election Day polling places for this Joint Election.
 - d) **“Attachment D”** is a list of the people that the Dallas County Elections Administrator will appoint as deputy early voting clerks for this Joint Election.
 - e) **“Attachment E”** is a list of the presiding election judges and alternate election judges for Election Day for this Joint Election.
 - f) **“Attachment F”** is a list of the Participating Political Subdivisions that will be holding elections in Dallas County election precincts or partial election precincts and the number of registered voters in each of those election precincts or partial election precincts. “Attachment F” will also contain, for each Participating Political Subdivision, the full name of the person serving as a point of contact, the physical address, the mailing address, a facsimile number, and an email address. “Attachment F” will be amended if any of the Participating Political Subdivisions withdraw from this Election Services Contract. “Attachment F” will be amended to reflect the number of registered voters in each election precinct and partial election precinct as of the statutory deadline (**Thursday, April 5, 2018**) for voters to submit applications to register to vote or changes of address in this Joint Election. In this Election Services Contract, the phrase “election precinct” is synonymous with the phrase “voting precinct.”
 - g) **“Attachment G”** is a list of the Participating Political Subdivisions & Ballot Details
 - h) Within five (5) business days after any of the foregoing attachments are amended by the Elections Administrator, the Elections Administrator will send each Participating Political Subdivision an amended version of the amended attachment by email to the email address provided by each Participating Political Subdivision in “Attachment F.”

THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

3) LEGAL DOCUMENTS

- a) Each Participating Political Subdivision will prepare, adopt, and publish all legally required election orders, resolutions, notices, and other documents that are required by, or of, their governing bodies. Each Participating Political Subdivision must send the Elections Administrator a copy of any election order, resolution, or notice related to this Joint Election within three (3) business days of publishing, adopting, or ordering it. Such documents can be sent to the attention of: **Robert Heard, Assistant Elections Administrator, 2377 North Stemmons Freeway, Suite 820, Dallas, Texas 75207; or, emailed to Robert.Heard@DallasCounty.org.** Alternatively, these documents may be sent to: Daniel Bradley at Daniel.Bradley@DallasCounty.org.
- b) Each Participating Political Subdivision is responsible for having its own election orders, resolutions, notices, or official ballot wording translated into the Spanish language.
- c) Always copy Toni.Pippins-Poole@DallasCounty.ORG on all communications related to legal documents and question regarding this election.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

4) VOTING SYSTEMS

- a) Each Participating Political Subdivision agrees that, during this Joint Election, voters will cast their ballots on three different kinds of voting systems, each of which has been approved by the Texas Secretary of State in accordance with the Texas Election Code and the Texas Administrative Code: Direct Recording Electronic voting machines (“DRE”); an optical scanner voting system (“optical scan”); and a voting system accessible to voters with physical disabilities (“ADA Terminals”). On **April 17, 2018 at 10:00 A.M.**, at the County Elections Department at 2377 N. Stemmons Frwy, Suite 820, Dallas, Texas, the Elections Administrator will test the DRE voting system and the automatic tabulating equipment used for counting ballots at the central counting station. From **April 11th, 201 – (until completed)**, at the County Election Equipment Warehouse at 1506 East Langdon Road, Hutchins, Texas, the Elections Administrator will test the optical scan voting system. At least 48 hours before the date and hour of each test, the Elections Administrator will publish a newspaper notice with the date, hour, and place of the testing. The Elections Administrator will establish regional collection sites within the county and a central counting station to receive and tabulate the regular ballots that are cast in this Joint Election and receive the provisional ballots.
- b) The Elections Administrator will provide DREs, precinct ballot counters, and voting booths for this Joint Election. Each polling place will have at least one voting terminal that complies with the Americans with Disabilities Act (“ADA”). During the early voting period, each early voting polling place will have master Personal Electronic Ballot (“PEB”) devices and iVotronic DRE machines. For Election Day, the Elections Administrator will allocate voting booths to all of the polling places in amounts reasonably anticipated to be sufficient for the anticipated turnout of voters. Each Election Day polling place will have at least one precinct ballot counter and one (1) ADA iVotronic machine.
- c) The itemized list of the estimated election expenses for this Joint Election are in “Attachment A,” which includes, but may not be limited to the number of voting booths, precinct ballot counters, precinct tabulators, iVotronics voting machines, Americans with Disability Act (“ADA”) Voting Terminals, Gemini voting booths, Personal Electronic Ballots, and Master Personal Electronic Ballots. All of the Participating Political Subdivisions agree that ADA Terminals will be used during this Joint Election under the Help America Vote Act of 2002 (“HAVA”) and that the ADA Terminals will be part of this Election Services Contract.

5) POLLING PLACES

- a) The Elections Administrator will select and arrange for the use of and payment for all of the early voting polling places listed in “Attachment B” and the Election Day polling places listed in “Attachment C” subject to the approval of each Participating Political Subdivision. Polling locations identified in Attachments “B” and “C” cannot be changed by a Participating Political Subdivision, but the Elections Administrator may consider changes requested by a Participating Political Subdivision.

- b) Whenever possible, previously used polling places that voters are accustomed to using will be used for the election precincts and partial election precincts in this Joint Election; however, the Participating Political Subdivisions acknowledge that sometimes previously used polling places are not available or appropriate for every election. Accessibility under the Americans with Disabilities Act is an important consideration for all polling places in this Joint Election.
 - c) For polling places that have changed since the most recent election ordered by a Participating Political Subdivision, the Elections Administrator will mail registered voters affected by the changes notice of their new polling place location.
- 6) **PRESIDING ELECTION JUDGES, ALTERNATE PRESIDING ELECTION JUDGES, ELECTION CLERKS, AND OTHER ELECTION DAY PERSONNEL**
- a) The Elections Administrator will be responsible for the appointment of the presiding election judges and alternate election judges listed in "Attachment E" for each polling place listed in "Attachment C" subject to the approval of each Participating Political Subdivision.
 - b) **This sub-paragraph applies only to an election with no partisan candidate on any ballot.** If a Participating Political Subdivision requests that a person not listed in "Attachment E" be appointed to serve in a specific polling place, but another Participating Political Subdivision requests that a different person be appointed to serve that same polling place, then the Elections Administrator will conduct a drawing by lot from the recommendations, no later than **Monday, March 5, 2018** to resolve the conflict and notify each Participating Political Subdivision affected of the resolution. After the Elections Administrator notifies a person so selected by lot of the polling place where the person will serve, the Elections Administrator is not required to act on further such requests from the Participating Political Subdivisions for that specific polling place.
 - c) If a person appointed as a presiding election judge or alternate election judge becomes ineligible to serve as such in this Joint Election, then the Election Administrator will appoint a replacement presiding election judge or alternate election judge, amend "Attachment E" accordingly, and send each Participating Political Subdivision the amended "Attachment E" by email within five (5) business days.
 - d) If a person is unable or unwilling to serve as a presiding election judge or an alternate election judge, then the Elections Administrator will name a replacement presiding election judge or send each Participating Political Subdivision the amended "Attachment E" by email within five (5) business days.
 - e) The Elections Administrator will provide county training programs, in keeping with Section 32.114 of the Texas Election Code, for all of the presiding election judges, alternate election judges, and election clerks for this Joint Election. The presiding election judges are responsible for notifying the alternate presiding judge and the election clerks for the presiding election judge's polling place of the time and place of each training session. Pursuant to Section 32.114(b), the training programs will be open to the public free of charge.

- f) To serve in this Joint Election, each presiding election judge and alternate election judge must have attended an election judge training session, a training session regarding the court rulings and the applicability of the mandatory Voter ID law, and optical scan training session taught by the Elections Administrator for this Joint Election within the last 6 months. New judges and election clerks that have not attended a mandatory Voter ID Law training session taught by the Elections Administrator for this Joint Election may not serve in this Joint Election.
- g) The Elections Administrator will notify the Participating Political Subdivisions by email and post on the DCED's website the dates, times, and locations of training classes and labs for both Early Voting and Election Day Workers.
- h) To comply with the Federal Voting Rights Act of 1965, as amended, precincts containing more than 5% Hispanic population, according to the 2010 census statistics, are required to have interpreter assistance. If a presiding election judge of such a precinct is not bilingual and is unable to hire a bilingual election clerk, the Elections Administrator may recommend an individual to provide interpreter assistance. If the Elections Administrator is unable to recommend an individual to provide interpreter assistance for such a precinct, the Elections Administrator will notify the Participating Political Subdivision and request assistance in identifying an interpreter. In the event that a bilingual election clerk is hired by the Elections Administrator for a precinct required to have interpreter assistance, the bilingual clerk will be paid according to a rate set by the Elections Administrator. The Elections Administrator will charge that expense to the funds deposited with the Dallas County Elections Department for the conduct of the elections listed in this Election Services Contract. A Participating Political Subdivision may pay more money to a bilingual clerk than the rate set by the Elections Administrator, however that expense will be borne by that Participating Political Subdivision individually and that extra expense will not be charged to the funds deposited with the Dallas County Elections Department for the conduct of the elections listed in this Election Services Contract.
- i) The Elections Administrator will notify all of the presiding election judges and alternate election judges about the eligibility requirements of Subchapter C of Chapter 32 of Title 3 of the Texas Election Code and Section 271.005 of the Texas Election Code. The Elections Administrator will take the necessary steps to insure that all of the presiding election judges and alternate election judges appointed to serve during this Joint Election are eligible to serve and qualified to serve in this Joint Election. Under Section 32.031 of the Texas Election Code, the presiding election judge for each election precinct shall appoint the election clerks to assist the presiding election judge in the conduct of the election at the polling place served by the presiding election judge on Election Day.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

- j) The presiding election judges are responsible for picking up election supplies at the time and place determined by the Elections Administrator, which will be set forth in the letter to the presiding election judges requesting service for this election. Payments for the presiding election judge will be specified in "Attachment A."
- k) Any Participating Political Subdivision electing to pay their election workers for attending a training class or lab must bear that expense separately from the funds deposited into this Joint Election account.
- l) The Elections Administrator will employ and or contract for other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of services, supplies and equipment assistance during the period of Early Voting and on Election Day, and for the efficient tabulation of ballots at the central counting station and regional sites. Part-time personnel will be paid an amount specified in "Attachment A." Part-time personnel working in support of the administration of the Election, including Central Counting Station, regional sites on election night will received pay for at least four (4) hours, minimum call for service, regardless of the actual hours worked.

7) SUPPLIES AND PRINTING

- a) The Elections Administrator will obtain and distribute all of the election supplies and election printing necessary for this Joint Election, including, but not limited to, all forms, signs, and other materials used by the presiding election judges and clerks at the polling places.
- b) The Elections Administrator will provide maps, if necessary, instructions, and other information that the presiding election judges need to conduct this Joint Election.
- c) Each Participating Political Subdivision must deliver a list to the Elections Administrator of candidates and propositions for their elections. The list must be in English and Spanish. The list must include the ballot positions for the candidates and the propositions. The list must include the correct spelling of each candidate's name and the precise wording of all of the propositions. The Elections Administrator will email each Participating Political Subdivision a Microsoft Word format form for their use to create the required list. As soon as possible after each Participating Political Subdivision has determined its ballot positions for the candidates and propositions in its election, the Participating Political Subdivision must email the completed Microsoft Word format form to the Elections Administrator. The Elections Administrator will use these electronic forms received from the Participating Political Subdivisions to create the ballot styles for this Joint Election. The Elections Administrator will deliver the proposed ballots to the Participating Political Subdivisions for approval. Each Participating Political Subdivision will be responsible for proofreading the proposed ballots and notifying the Elections Administrator of any corrections that are required for their particular ballots. The Elections Administrator is responsible for implementing the corrections made by the Participating Political Subdivisions to their ballots and then producing the ballots for this Joint Election.

8) OPTICAL SCAN CARD BALLOTS

- a) The Elections Administrator will allocate ballots for this Joint Election by determining the approximate voter turnout for comparable elections in each election precinct or partial election precinct and then adding **25%** to that number for each election precinct or partial election precinct. However, the minimum ballot allocation for each election precinct or partial election precinct will range from **25-50%** of the registered voters in each election precinct or partial election precinct depending on election type and authorized by the political subdivision (50% is recommended for local liquor elections).
- b) Additional ballots will be available for Early Voting by Mail and for use on Election Day to respond to any polling place that requests additional ballots and printed on an a needed basis. Cost per ballot will be forty-five cents (.45¢).

9) RETURNS OF ELECTIONS

- a) The Elections Administrator will establish and operate a central counting station to receive and tabulate ballots cast in this Joint Election under Chapter 127 of Title 8 of the Texas Election Code.
- b) The Elections Administrator hereby, in accordance with Sections 127.002, 127.003 and 127.005 of the Texas Election Code, appoints the following central counting station officials:

Central Count Station Manager: **Toni Pippins-Poole**, Dallas County Elections Administrator

Tabulation Supervisor: **(Daniel Bradley)**, Central Count Station Manager

Assistant Tabulation Supervisor: **(Danielle Grant)**, Central Count Station Lead Clerk

Presiding Judge: **Fay Matthews-Bridges**, Asst. General Counsel, Dallas ISD

Alternate Presiding Judge: **Shana Jennings**, City Secretary of Irving

- c) The Central Count Station Manager or her representative will deliver timely, cumulative reports of the election results as election precincts are tabulated. The Central Count Station Manager will be responsible for releasing cumulative totals and election precinct returns from the election to the Participating Political Subdivisions, candidates, press, and the general public by the distribution of hard copies or electronic transmittals (where accessible). The Elections Administrator will operate an election result center to release election results in the Health and Human Services Building, 2377 N. Stemmons Frwy., Suite 820, Dallas, Texas.
- d) The Elections Administrator will link any Participating Political Subdivision’s website to

DCED's website. Participating Political Subdivisions that want such website linkage should deliver their website address to the Tabulation Supervisor at DCED.

- e) The Elections Administrator will prepare the unofficial canvass report after all precincts have been counted, and will email a copy of the unofficial canvass to each Participating Political Subdivision as soon as possible after all returns, provisional ballots, and late overseas ballots have been tabulated, but in no event no later than **May 16, 2018**. All Participating Political Subdivisions will be responsible for the official canvass of their respective elections.
- f) The Elections Administrator will be responsible for conducting the post-election manual recount, unless the Texas Secretary of State grants a waiver under Section 127.201 of the Texas Election Code. If no such waiver is given, the Elections Administrator will provide notice and copies of the recount to each Participating Political Subdivision and the Secretary of State's Office. Each Participating Political Subdivision must notify the Elections Administrator if such a waiver has been granted or denied as soon as possible, but no later than five (5) calendar days before Election Day.

10) ELECTION EXPENSES

- a) The Participating Political Subdivisions agree to share the costs of administering this Joint Election as specified in "Attachment A." The Election Administrator will charge a general supervisory fee not to exceed ten (10%) percent of the total cost of this Joint Election as authorized by Section 31.100 of the Texas Election Code. In no event will the ten (10%) percent general supervisory fee be refunded to any Participating Political Subdivision. If the ballot, candidates, or propositions supplied by the Participating Political Subdivision are changed after their initial printing by the Elections Administrator due to a court order from a court of competent jurisdiction, the affected Participating Political Subdivision(s) agrees to pay all expenses associated with re-printing and re-programming the ballots pursuant to a court order including expenses for expedited services and "Attachment A" will be amended by the Election Administrator.
- b) Allocation of costs among the Participating Political Subdivisions will be according to a formula based on the average cost per polling place and the allocation of election day tabulators (hereinafter "M100's") in that polling place ("Unit Cost"). The Unit Cost will be determined by dividing the total of the itemized list of estimated election expenses by the total number of polling places. A "Polling Place" will be identified by and defined based on the presence and number of M100's and/or Election Supply Carts ("ESC"). Any Participating Political Subdivision that requests a different combination of precincts in polling places that exceeds the Unit Cost will be billed directly for any excess expenditures (e.g. supplies, equipment, personnel, etc.). **The cost of any special request from a Participating Political Subdivision, which is not agreed upon by all Participating Political Subdivisions, will be borne by the Participating Political Subdivision making the special request.** Each Participating Political Subdivision agrees that no Participating Political Subdivision will be billed less than the minimum of one full Unit Cost as

specified in "Attachment A."

- c) The expenses for early voting by mail and personal appearance will be paid by each Participating Political Subdivision as set forth in "Attachment A."
- d) The Elections Administrator will determine the final election expenses to the extent practicable within one hundred and eighty (180) business days after the final canvass of this Joint Election or the runoff election, if any. The Elections Administrator will provide each Participating Political Subdivision with a final, written accounting of all money that was deposited into, and payments that were made from, the Joint Election account(s) maintained by the Dallas County Elections Department for this Joint Election and the runoff election, if any.
- e) If the Elections Administrator requires additional money to perform its obligations under this Election Services Contract, then the Elections Administrator will bill each Participating Political Subdivision using the same method used to determine each Participating Political Subdivision's required deposit in "Attachment A" of this Election Services Contract ("Final Bill"). The Participating Political Subdivision shall pay the Final Bill within thirty (30) days of receipt except for any amount the Participating Political Subdivision files a timely good faith dispute under Section 17 of this Election Services Contract. After all of the expenses of this Joint Election are paid and disputes, if any, resolved, any monies that remain in the account maintained by the Dallas County Elections Department for this Election Services Contract will be refunded to the Participating Political Subdivisions (the "Refund") as soon as practicable.

11) DEPOSIT OF FUNDS

- a) Attachment A: Cost Audit details the cost and expenses anticipated for this election; Participating Political Subdivisions will initially receive an estimate cost audit. The Final Bill will be distributed as soon as all cost and expenses for the election can be determined. Each Participating Political Subdivision hereby agrees to deposit with the Dallas County Elections Department either half or the full balance of money listed in "**Attachment A: Deposit of Funds Detail**" of this Election Services Contract by the first deposit due date of **Tuesday, February 20, 2018**. If the Participating Political Subdivision makes a partial initial deposit on or by **February 20, 2018**, a full and final deposit must be made to the Dallas County Elections Department by **Friday, March 2, 2018**. The Dallas County Elections Department will place the money deposited by the Participating Political Subdivisions in a Joint Election account.
- b) The deposit of funds by each Participating Political Subdivision is an express condition precedent to the participation of each Participating Political Subdivision in this Election Services Contract. A Participating Political Subdivision may seek an extension from the Elections Administrator as to the due date for the deposit of funds. Such an extension must be sought in writing and prior to due date for such deposit by the Participating Political Subdivision. Any decision(s) made by the Elections Administrator will be provided in writing to the Participating Political Subdivision. The Elections Administrator, however, shall not be required to grant an extension for the deposit of funds by a

Participating Political Subdivision. For any Participating Political Subdivision that fails to deposit the total amounts specified in "Attachment A" by the dates specified in this Election Services Contract or any extension granted by the Elections Administrator, the Elections Administrator will be relieved from the responsibility to perform under this Election Services Contract for such Participating Political Subdivision.

- c) The Elections Administrator will only draw money from this Joint Election account to pay for election expenses that are included in "Attachment A" to this Election Services Contract and for other expenses that the Participating Political Subdivisions agree to in writing.
- d) If a Participating Political Subdivision withdraws completely from this Joint Election by **Friday, February 23, 2018**, or, by **Friday, March 9, 2018** for Special Elections, then the Elections Administrator will refund (as soon as practicable) that Participating Political Subdivision's deposit, less any money already expended before the withdrawal and less the general supervisory fee authorized by Section 31.100 of the Texas Election Code. In the event of a partial withdrawal from this Joint Election, deposits will not be refunded to the Participating Political Subdivisions.
- e) The Elections Administrator will not make partial refunds to a Participating Political Subdivision if any candidate(s) or propositions do not appear on the ballot for that Participating Political Subdivision.
- f) Deposits should be made out to Dallas County Elections Department and delivered within the mandatory time frame to:

Toni Pippins-Poole
Dallas County Elections Administrator
2377 N. Stemmons Freeway, Suite 820
Dallas, Texas 75207

12) RECORDS OF THE ELECTION

- a) The Elections Administrator is hereby appointed the general custodian of the voted ballots and all election records of this Joint Election to the extent authorized by Sections 31.094, 31.095, 31.096, and 31.097 of the Texas Election Code.
- b) Access to the election records will be available to each Participating Political Subdivision as well as to the public in accordance with the Texas Public Information Act, Chapter 552, Government Code, at the Elections Department, 2377 N. Stemmons Frwy, Suite 820, Dallas, Texas, at any time during normal business hours. The Elections Administrator will ensure that the records are maintained in an orderly manner, so that records are clearly identifiable and retrievable per records storage container. However, access to election records that contain confidential information that must be redacted pursuant to federal or state law may be provided at the offices of the Civil Division of the Criminal District Attorney's Office of Dallas County, Texas at 411 Elm Street, 5th Floor, Dallas, Texas.

- c) Pursuant to Section 66.058 of the Texas Election Code, the Elections Administrator will retain the election records at the Elections Administrator's main offices and Elections Warehouse for **sixty (60) days** after the date of this Joint Election. **Sixty (60) days** after the date of this Joint Election, the Elections Administrator will arrange for transport of this Joint Election records to Dallas County Record Storage. This Joint Election's records will then become the responsibility of Dallas County Record Storage for the remainder of the **twenty-two (22)** month preservation period. Dallas County Record Storage will be responsible for the destruction of this Joint Election records after the preservation period. The Participating Political Subdivisions agree the Elections Administrator may destroy the records from this Joint Election after the **twenty-two (22)** month preservation period without further notice to the Participating Political Subdivisions, unless the events in Section 12 (d) occur.
- d) The Participating Political Subdivisions must notify the Elections Administrator in writing within three (3) business days after any official or employee of any Participating Political Subdivision becomes aware of any election contest in connection with this Joint Election. In accordance with Section 1.013 of the Texas Election Code, the election records must be preserved until any election contest is completed and a judgment, if any, becomes final. Also, the election records will be maintained by the Elections Administrator if there is an active criminal investigation or proceeding related to the election records until such investigation or proceeding is finally concluded.
- e) The Participating Political Subdivisions acknowledge and agree that the Elections Administrator reserves the right to intervene in any election contest or litigation in connection with this Joint Election in order to preserve any available remedies at law, and to preserve the Elections Administrator's obligations under this Contract and the Texas Election Code.

13) EARLY VOTING

- a) Under Sections 31.094 and 271.006 of the Texas Election Code, the Participating Political Subdivisions hereby appoint the Elections Administrator to be the early voting clerk for all of the political subdivisions participating in this Joint Election. The deputy early voting clerks that will be appointed by the Elections Administrator are listed in "Attachment D."
- b) **This sub-paragraph applies only to a joint election with no partisan candidate on any ballot.** Participating Political Subdivisions may recommend people to the Elections Administrator to serve as a deputy early voting judge/clerk. If a Participating Political Subdivision recommends a person not listed in "Attachment D" and that recommendation conflicts with the recommendation from any of the other Participating Political Subdivisions involved in the election in that polling place, the Elections Administrator will conduct a drawing by lot from the recommendations to determine the deputy early voting judge/clerk. Once a person has been notified of his or her selection as deputy early voting judge or deputy early voting clerk, no changes may be made by any of the Participating Political Subdivisions.

- c) Any qualified voter for this Joint Election may vote early by personal appearance at the main early voting polling place or at one of the early voting branch polling places listed in Attachment B. Early voting will be conducted as follows: **on Monday, April 23, 2018 through Friday, April 27, 2018, from 8:00 A.M. to 5:00 P.M.; on Saturday, April 28, 2018 between 8:00 A.M. and 5:00 P.M.; on Sunday, April 29, 2018, between 1:00 P.M. and 6:00 P.M.; and on Monday, April 30, 2018 through Tuesday, May 1, 2018 between 7:00 A.M. and 7:00 P.M.**
- d) All requests for early voting ballots by mail that are received by a Participating Political Subdivision must be transported by runner on the day of receipt to the Dallas County Elections Department, 8th Floor, Health and Human Service Building, 2377 N. Stemmons Frwy., Dallas, Texas 75207 for processing. Persons voting by mail must send their voted ballots to the Dallas County Elections Department.
- e) All early voting ballots will be prepared for counting by an Early Voting Ballot Board appointed under Subchapter A of Chapter 87 of the Texas Election Code. Each Participating Political Subdivision will appoint one member to the Early Voting Ballot Board and will prepare a list notifying DCED of the appointee's name, telephone number, mailing address, and email address, if any, no later than **Friday, March 23, 2018**. The Participating Political Subdivisions agree to appoint David Morris as the presiding judge of the early voting ballot board. A list of Early Voting Ballot Board members will be furnished to each Participating Political Subdivision no later than **Tuesday, April 3, 2018**.
- f) A signature verification committee will be appointed in accordance with Section 87.027 of the Texas Election Code. A list of the members of the signature verification committee will be furnished to each Participating Political Subdivision.
- g) The presiding judge of the Early Voting Ballot Board shall deliver notices of rejected ballots in compliance with Section 87.0431, Texas Election Code.

14) CRIMINAL BACKGROUND CHECKS

The Elections Administrator, her agent or assignee will conduct a criminal background check (in accordance with statutory requirements) of any person who is expected to or scheduled to serve or work in this Joint Election. Any person that does not satisfactorily pass the criminal background check will be ineligible to serve or work in this Joint Election. Failure to obtain a criminal background check does not release the participating entity's obligation to pay for service rendered in good faith.

15) ELECTION REPORTS

During the early voting period for this Joint Election, the Elections Administrator will deliver daily reports to each Participating Political Subdivision of the Early Voting Location Turnout Totals and Early Voting Roster. The day after the early voting period ends, the Elections Administrator will deliver to each Participating Political Subdivision, a Daily Early Voting Roster by precinct report that includes the entire Early Voting period.

Pursuant to the Texas Election Code §87.121, the Elections Administrator will deliver these election reports by website posting, e-mail, or facsimile.

16) WITHDRAWAL FROM CONTRACT

- a) No deposits will be refunded after the deadline to withdraw from this Election Services Contract has passed.
- b) In order to withdraw from this Election Services Contract, a Participating Political Subdivision must deliver to the Elections Administrator any certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.
- c) The Elections Administrator will bill any Participating Political Subdivision that withdraws from this Election Services Contract for any expenses incurred prior to the Elections Administrator receiving copies of the certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.
- d) If there are any withdrawals from this Joint Election, within ten (10) business days after the deadline for Participating Political Subdivisions to make declarations under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code, said deadline being **February 23, 2018** the Elections Administrator will amend the attachments to this Election Services Contract as appropriate and provide updated copies of the amended attachments to all of the remaining Participating Political Subdivisions.
- e) The general supervisory fee authorized by Section 31.100 of the Texas Election Code will not be refunded.

17) AUDITING AND PROHIBITION ON WITHHOLDING OF DEPOSITS

- a) The Dallas County Auditor will conduct a review of the deposits and expenditures related to this Election Services Contract before the Final Bill or Refund is submitted to the Participating Political Subdivisions. Refunds will be submitted as soon as practicable.
- b) The Participating Political Subdivisions may request a financial audit of the Final Bill or Refund or dispute the Final Bill or Refund under this Section, if: 1) the Final Bill exceeds ten percent (10%) of the amount of the Participating Political Subdivision's initial deposit as required in "Attachment A" to this Election Services Contract; or 2) the accounting accompanying the Refund is ten percent (10%) less than the amount the Participating Political Subdivision determines, should be refunded, after its good faith review. The request for a financial audit or dispute must be done in accordance with Section 17 (d) below.
- c) Should the events in Section 17 (b) occur, in lieu of an audit or dispute, the Participating Political Subdivision may make a request that the Elections Administrator ask the Dallas County Auditor to review the cost allocation methodology for the Participating Political

Subdivision's Final Bill or Refund ("Review Request"). Participating Political Subdivisions must submit a Review Request to the Elections Administrator within five (5) business days of receipt of the Final Bill or the Refund, whichever is later. The Review Request must set forth, in detail, the basis for any challenge to the Final Bill or Refund. Corrections to the Participating Political Subdivision's Final Bill or the Refund, based on a Review Request, will be determined at the sole discretion of the Elections Administrator. A Review Request does not extend the timeframe in Section 17(d).

- d) Should the circumstances giving rise to an audit or dispute in Section 17 (b) occur, the Participating Political Subdivision may send a formal written notice of dispute of the Final Bill or Refund ("Dispute Notice") to the Elections Administrator. This Dispute Notice must be received by the Elections Administrator no later than thirty (30) calendar days from the date the Participating Political Subdivision receives the Final Bill or Refund. This Dispute Notice must provide: 1) an itemization of the disputed charge(s) by the Participating Political Subdivision; 2) the basis for the dispute; 3) the methodology showing how the Participating Political Subdivision arrived at the amount disputed; and 4) documentation in support thereof. The Participating Political Subdivision will have no right to withhold any undisputed amounts set forth in this Election Services Contract or reflected in the Final Bill. Payment of undisputed amounts in the Final Bill must be made by the Participating Political Subdivision as set forth in Section 10 (e) of this Election Services Contract.
- e) Failure of the Participating Political Subdivision to submit a timely Dispute Notice, as set forth in Section 17(d), shall waive any and all disputes, claims, or challenges to the Final Bill or Refund by the Participating Political Subdivision. The entire amount of the Participating Political Subdivision's Final Bill shall be due immediately; or, any estimated refund amounts will become final.
- f) If the Participating Political Subdivision files a timely Dispute Notice in compliance with Section 17(d), the Participating Political Subdivision will have the right to conduct a good faith financial audit ("Financial Audit") for the deposits and expenditures related to this Elections Services Contract. In conducting the Financial Audit, the Participating Political Subdivision will have no greater right to demand access to or copies of the County's governmental or election records than those rights specified in the Texas Election Code and the Texas Public Information Act. The cost of any Financial Audit conducted by the Participating Political Subdivision shall be borne by the requesting Participating Political Subdivision and may not be paid for with funds deposited with the Dallas County Elections Department under this Election Services Contract. Further, the Participating Political Subdivision conducting the Financial Audit shall pay the Elections Administrator the reasonable costs for time expended and copies provided in order to perform the Financial Audit. If the Financial Audit identifies overcharges by the Elections Administrator of more than ten percent (10%) of the initial deposit amount required by "Attachment A", the Elections Administrator will review and assess the findings of the Financial Audit and will negotiate, in good faith, to resolve any disputes for overcharges with the Participating Political Subdivision. The Elections Administrator shall not be bound by the findings or recommendations of the Participating Political Subdivision's

Financial Audit. The financial records will be retained at the County Election Administrator's office until the conclusion of the Financial Audit and resolution of all outstanding audit disputes.

- g) In the event the representatives of the Participating Political Subdivision and the Elections Administrator cannot agree on the amount of the disputed Final Bill as set forth in this Section, then the Parties may agree to submit to non-binding mediation. If mediation is acceptable to both parties to resolve a dispute concerning the disputed Final Bill, the parties will agree to use a mutually agreed-upon mediator. Unless the parties come to a written agreement at mediation, the mediation will not constitute a final and binding resolution of the dispute.
- h) The Participating Political Subdivision acknowledges that the practical effect of the Participating Political Subdivision withholding undisputed funds that are required under this Election Services Contract would result in breach of this Elections Services Contract and the other Participating Political Subdivisions' taxpayers subsidizing the withholding Participating Political Subdivision's election expenses.

18) NOTICE

Any addendum to, change/modification of, clarification of, and/or withdrawal from this contract requires written notice provided on the Dallas County Form, "Elections Services Contract Change Forms". Initial contract changes are due by **Thursday, February 8, 2018**. Whenever this Election Services Contract requires any consent, approval notice, request or demand, it must be in writing to be effective and must be delivered to the party intended to receive it as shown below:

19) LIABILITY FOR NEGLIGENCE

ALL PARTIES TO THIS ELECTION SERVICES CONTRACT AGREE TO BE RESPONSIBLE, IN ACCORDANCE WITH APPLICABLE STATE OR FEDERAL LAW, EACH FOR THEIR OWN NEGLIGENT ACTS OR OMISSIONS, OR OTHER TORTIOUS CONDUCT IN THE COURSE OF PERFORMANCE OF THIS CONTRACT WITHOUT WAIVING ANY SOVEREIGN IMMUNITY, GOVERNMENTAL IMMUNITY, STATUTORY IMMUNITY, OR OTHER DEFENSES AVAILABLE TO THE PARTIES UNDER FEDERAL OR STATE LAW. NOTHING IN THIS PARAGRAPH SHALL BE CONSTRUED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, IN OR TO ANY THIRD PERSONS OR ENTITIES. ALL PARTIES AGREE THAT ANY SUCH LIABILITY OR DAMAGES OCCURRING DURING THE PERFORMANCE OF THIS ELECTION SERVICES CONTRACT CAUSED BY THE JOINT OR COMPARATIVE NEGLIGENCE OF THE PARTIES, OR THEIR EMPLOYEES, AGENTS OR OFFICERS WILL BE DETERMINED IN ACCORDANCE WITH COMPARATIVE RESPONSIBILITY LAWS OF TEXAS, BUT ONLY TO THE EXTENT SUCH LAWS ARE APPLICABLE TO THE PARTY.

TO THE EXTENT PERMITTED BY LAW, IF LEGAL ACTION IS FILED AGAINST EITHER PARTY TO THIS ELECTION SERVICES CONTRACT, EACH PARTY SHALL BE SOLELY RESPONSIBLE FOR THEIR OWN RESPECTIVE COSTS AND DEFENSE OF THAT SUIT.

20) CHOICE OF LAW

This Election Services Contract will be governed and interpreted by the laws of the State of Texas.

21) VENUE AND JURISDICTION

The courts of the State of Texas and the United States of America that are physically located in Dallas, Dallas County, Texas are the exclusive jurisdiction and venue for any lawsuit, cause of action, temporary restraining order, temporary injunction, injunction, petition for extraordinary relief, mandamus, or any other legal proceeding or claim arising out of the performance of this Election Services Contract.

22) SEVERABILITY

If any term of this Election Services Contract is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the terms of this Election Services Contract will remain in full force and effect and will in no way be affected, impaired, or invalidated.

23) ENTIRE CONTRACT

This Election Services Contract, including any exhibits or attachments, contains the entire agreement between the Elections Administrator and the Participating Political Subdivisions concerning the duties required by this Election Services Contract. The Elections Administrator of Dallas County, Texas and each Participating Political Subdivision hereby expressly warrant and represent that they are not relying on any promises or agreements that are not contained in this Election Services Contract concerning any of the terms in this Election Services Contract. Except otherwise

specified in this Election Services Contract, no modification, amendment, novation, renewal, or other alteration of this Election Services Contract shall be effective unless mutually agreed upon in writing and executed by the parties hereto.

24) GENDER AND HEADINGS

In this Election Services Contract, words in the singular number include the plural, and those in the plural include the singular. Words of any gender also refer to any other gender. Headings in this Election Services Contract are terms of inclusion, not exclusion.

25) CONTRA PROFERENTEM

The legal doctrine of contra proferentem will not apply to this Election Services Contract. Consequently, any ambiguity that may exist in this Election Services Contract will not be construed against the Party who drafted this Election Services Contract.

26) ORDER OF PRECEDENCE

Any inconsistencies in this Election Services Contract will be resolved by reviewing and considering this Election Services Contract and Attachments A through G to this Election Services Contract together in context with each other.

27) SIGNATORY WARRANTY

The Elections Administrator of Dallas County, Texas and all of the contracting authorities of all of the Participating Political Subdivisions listed in "Attachment F" of this Election Services Contract represent that each has the full right, power and authority to enter into and perform this Election Services Contract in accordance with all of its terms and conditions, and that the execution and delivery of this Election Services Contract has been made by authorized representatives of the Participating Political Subdivisions to validly and legally bind the Participating Political Subdivisions to all terms, performances, and provisions set forth in this Election Services Contract.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

28) COUNTERPARTS.

This Election Services Contract may be executed in any number of counterparts with the same effect as if all signatory parties had signed the same document. All counterparts will be construed together and will constitute one and the same instrument.

City Council Special Meeting

3.

Meeting Date: 02/19/2018

Policy Statement: This request supports the City Council 2017-2018 Policy Agenda.

Goal(s): Financially Sound Government

Submitted by: Fabrice Kabona, Assistant to the City Manager

Agenda Caption:

Consider a resolution authorizing Dallas County to resell 4108 Interurban Road tax foreclosed property, by public or private sell, to the highest qualified purchaser, as provided by Section 34.05 of the Texas Property Tax Code.

Background:

Following a judgment of the District Court of Dallas County, this parcel of land was offered for sell at public auction for foreclosure of the tax liens, securing payment of delinquent property taxes, accrued penalty and interest, and court costs. This parcel is in the City of Lancaster. This parcel did not receive sufficient bid as set by law and was struck off to City of Lancaster as follows:

- 4108 Interurban Rd.: \$21,749.00

Dallas County is preparing for the resell of the property, as a tax foreclosed property, which is now in the ownership of the taxing authorities. Pursuant to Section 34.05(a) of the Tax Code, Dallas County is requesting the City of Lancaster's consent to sell said property to the highest qualified purchaser, by either public or private sale.

The sell of said property will bring it back onto the City of Lancaster's tax roll, increasing the tax base and often recouping portions of delinquent taxes due as a result of judgments.

Operational Considerations:

As trustee for the City of Lancaster, Dallas County will coordinate the public or private sale of the tax foreclosed properties.

Legal Considerations:

Dallas County handles all legal matters associated with the public or private sale process. The resolution authorizing the resell has been reviewed and approved as to form by the City Attorney.

Public Information Considerations:

Dallas County is responsible for all applicable legal notices required under the Texas Property Code for the public sale of tax foreclosed properties. This item is being considered at a Special Meeting of the City Council noticed in accordance with the Texas Open Meetings Act.

Fiscal Impact:

The judgment at the time of strike off was as follows:

- 4108 Interurban Rd.: \$11,128.34

The City may recoup some of its back taxes, and the property will be placed back on the tax rolls and we will begin to receive tax revenue. At this time, the City is receiving no tax revenue from this parcel. The City of Lancaster retains responsibility for the maintenance of all struck off properties until sold.

Options/Alternatives:

1. City Council may approve the resolution, as presented.
2. City Council may deny the resolution, as presented.

Recommendation:

Staff recommends approval of the resolution, as presented.

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LANCASTER, TEXAS, AUTHORIZING DALLAS COUNTY TO RESELL TAX FORECLOSED PROPERTIES BY PUBLIC OR PRIVATE SALE, TO THE HIGHEST QUALIFIED PURCHASER, AS PROVIDED BY SECTION 34.05 OF THE TEXAS PROPERTY TAX CODE.

WHEREAS, this matter was briefed to the Lancaster City Council ("City Council") on February 19, 2018 wherein the City Council agreed to use this form of Resolution to provide the County of Dallas consent to sell specific properties to the highest qualified purchaser by public or private sale; and

WHEREAS, several parcels of land were offered for sale by the Sheriff of Dallas County, Texas, at public auction pursuant to a judgment of the District Court of Dallas County, Texas, for foreclosure of the tax liens securing payment of delinquent property taxes, accrued penalty and interest, and court costs; and

WHEREAS, those parcels of land which did not receive a sufficient bid as set by law were struck off to the County of Dallas, the City of Lancaster and Lancaster Independent School District (Taxing Authorities) pursuant to Section 34.01(j) of the Property Tax Code; and

WHEREAS, by this resolution, the County of Dallas, as Trustee for itself and the other Taxing Authorities is authorized to resell these struck off parcels of land, which did not receive a sufficient bid as set by law and to execute quitclaim deeds for said parcels conveying the right, title, and interest acquired or held by the City of Lancaster as a party to the judgment foreclosing tax liens, and

WHEREAS, the City of Lancaster desires to resell said parcel(s) in an expeditious manner pursuant to Section 34.05 of the Property Tax Code.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LANCASTER, TEXAS:

SECTION 1. The City does hereby provide specific authorization to the County of Dallas to act as Trustee to offer for sale by public or private sale the parcels of land shown in Exhibit "A" attached hereto and made a part hereof and the Lancaster City Council does hereby consent to the sale of said parcels to the highest purchaser, even if the amount tendered is less than the market value of the land specified in the judgment of foreclosure or the total amount of the judgment against the property in compliance with Section 34.05(i) of the Texas Property Tax Code, or for an amount equal to or greater than its current market value as shown by the most recent certified appraisal role, if the sum of the amount of the judgment plus post-judgment taxes, penalties, and interest owing against the property exceeds the market value in compliance with Section 34.05(j) of the Texas Property Tax Code, and each taxing unit entitled to receive proceeds of the sale consents to the sale for that amount.

SECTION 2. This Resolution shall take effect immediately from and after its passage in accordance with the provisions of the law.

Consider a Resolution stating support or no objection for the application of Palladium USA to the Texas Department of Housing and Community Affairs for 2018 Housing Tax Credits.

Background:

On January 29, 2018, the City of Lancaster received a request from Palladium USA requesting city support for the Palladium at Lancaster multi-family development proposal. The Texas Department of Housing and Community Affairs state law provides an opportunity for the local jurisdiction to affect the scoring of an application by issuing a local resolution of support or neutrality in accordance with Texas Local Government Code 2306.671(b)(1)(B). The Texas Department of Housing and Community Affairs also sent a letter to Mayor and City Council members dated January 19, 2018. The following must be submitted prior to March 1, 2018:

- identify the specific development and clearly state support or no objection

Operational Considerations:

Due to the impending deadline with the Texas Department of Community Affairs, the applicant needed to submit this request. There is also a rezoning application that has been submitted to the Planning Division to request the Multi-family zoning. The proposed location for the development is currently zoned AO (Agriculture). Planning staff is in receipt of the application and is processing it simultaneously with this request.

Legal Considerations:

The City Attorney has reviewed the resolution as to form.

Public Information Considerations:

This item is being considered at a Special Meeting of the City Council noticed in accordance with the Texas Open Meetings Act.

Options/Alternatives:

1. City Council may submit a resolution of support.
2. City Council may submit a resolution of no objection.

Palladium Lancaster Overview of Housing Tax Credits (HTC)

Changes in the HTC program

The Texas Department of Housing and Community Affairs (TDHCA) has been engaged in refining and refocusing housing intended for the workforce over the past 6 to 7 years. Therefore, developments that have been funded with HTCs that are less than 6 years old are a completely different product and tenant profile than older developments that were developed under the Low Income Housing Tax Credit program. Below is a brief overview of a timeline that led to substantive changes that have made this funding source a much more sustainable option.

- In 2008 the Inclusive Communities Project (ICP) sued the Texas Department of Housing and Community Affairs (TDHCA) arguing that the agency's allocation of Low Income Housing Tax Credits resulted in a disparate impact on African-American residents under the Fair Housing Act. As a result of this law suit, the TDHCA refocused and restructured the program for receiving tax credits.
- As a result of this lawsuit, the TDHCA created a Remedial Plan that's purpose was to redistribute housing into High Opportunity Areas (HOA). These would be areas of growth and where new opportunity exists rather than in low income and economically depressed neighborhoods.
- The remedial plan served as a catalyst for the TDHCA to rewrite the HTC program in order to incentivize developments to develop in the path of growth and to serve a more purposeful tenant profile. The tool the TDHCA uses to distribute HTCs is the Qualified Allocation Plan (QAP) and the state has used this tool to change the program. Below are a list of some of the substantive changes that have been made to the program since this Remedial Plan served as a launching point. The point for the substantive changes were to locate developments in the path of growth and opportunity and provide a framework for long term sustainability.
 - The QAP defines what it calls Undesirable Neighborhood Features. Below is a list of features that would render a location ineligible for tax credits.
 - The Development Site is located within a census tract that has a poverty rate above 40 percent for individuals.
 - The Development Site is located in a census tract or within 1,000 feet of any census tract in an Urban Area and the rate of Part I violent crime is greater than 18 per 1,000 persons (annually) as reported on neighborhoodscout.com.
 - The Development Site is located within 1,000 feet of multiple vacant structures visible from the street, which have fallen into such significant disrepair, overgrowth, and/or vandalism that they would commonly be regarded as blighted or abandoned.
 - The Development Site is located within the attendance zones of an elementary school, a middle school and a high school that does not have a Met Standard rating by the Texas Education Agency.
 - The QAP defines what it calls Undesirable Site Features. Among those features would be any site that is too close to sexually-oriented businesses, heavy industrial or dangerous uses, railroads, or junkyards.
 - The QAP mandates that a development must be located within a mile of 6 mandatory services that would include things like a grocery store, pharmacy, restaurants, a hospital, a church, a bank, a public school and other existing services that would indicate a desirable living location.
 - The QAP also focused on the workforce as a tenant base as defined by families that earn 50-80% of the Area Median Income (AMI) instead of serving "Low Income" families (those who make 30% or less of AMI). Along with this came a rebranding of the program to drop the "Low Income" from the name and just call it the Housing Tax Credit program as it exists today.

Palladium as Owner/Manager

Palladium USA is a privately owned company based in Dallas with over 130 years' experience developing and managing high end apartments around the world including Dallas, London, Paris, Milan, Dubai and many more. We are not a merchant builder who will build and sell. It is our business plan to build and hold our assets long term. Therefore, we do not hire out development or management of communities and maintain a high standard of excellence through developing and managing ourselves.

- We hold long term. We do not build to sell. Our background is high end and our long term perspective guides every decision we make from design and construction to management. We design and build to the highest standards as can be seen in any of our communities around the DFW metroplex.
- We manage ourselves. We do not hire out management to a 3rd party as we have found that management companies are traditionally only concerned with making money. We manage ourselves as we are concerned about managing the physical environment for the long term, not just the short. We also are extremely concerned with managing our tenant profile and will not allow rule breakers to stay living in our community.
- We are high end developers. Our portfolio is not a portfolio of low income housing. Instead, we develop and currently own some of the nicest developments in DFW from luxury high rise to mid-rise to low-rise. When we develop housing for workforce, we use the same designers, architects, consultants and contractors that we do for our luxury products that sit at the top of the market. We do this because of our long term perspective. It would not benefit us to build at a reduced quality and then have to rehab our own development down the road.
- We develop in the path of growth and plan strategically to be a part of improving the community around us. DFW has a growing housing crisis. The cost to live in north Dallas is now out of reach for many good working people and we believe that growth will be flowing south. Therefore, we have identified Lancaster as an outlet for great opportunity.

RECEIVED JAN 29 2018

Texas Department of Housing and Community Affairs
Multifamily Finance Division
Notification of Submission of Affordable Housing Applications

January 19, 2018

The Honorable Marcus Knight
Mayor of Lancaster
P.O. Box 940
Lancaster, TX 75146

Re: Notification of Affordable Rental Housing Application(s) Proposed in Your City

Dear Mayor Knight:

The Texas Department of Housing and Community Affairs (the "Department") is in receipt of a preliminary application(s) for possible funding through the Competitive Housing Tax Credit Program to develop or acquire affordable multifamily rental housing in your community.

This notification is made in accordance with Tex. Gov't Code §2306.1114 to ensure that you are fully informed of the housing activity in your district and so that you can provide input on the proposed application(s) if you so choose. The Department greatly values your views concerning the need for affordable rental housing within your community and how the proposed development(s) may address that need. Additionally, state law provides an opportunity for the applicable local jurisdiction (the city and/or county) to affect the scoring of an application by issuing a local resolution of support or neutrality in accordance with Tex. Gov't Code §2306.6710(b)(1)(B). In order to affect the scoring of an application within its jurisdiction, the local government resolution must be submitted on or before March 1, 2018, identify the specific development, and clearly state support or no objection. Applications in some counties may be submitted prior to the March 1 deadline, in order to access points for disaster declarations by the Governor, and your letter is due with the earlier Application. Once submitted, the resolution cannot be withdrawn or amended. More information can be found on page 28 of the 2018 Qualified Allocation Plan found at <http://www.tdhca.state.tx.us/multifamily/docs/18-QAP.pdf>

Should the applicant(s) submit a full application to the Department on or before March 1, 2018, the Department will notify you again with more detailed information about the proposed development and provide information related to general public comment including statewide hearings. The Department's mission is to administer its assigned programs efficiently, transparently, and lawfully and to invest its resources strategically while developing high quality affordable housing which allows Texas communities to thrive. Through our multifamily programs, the Department encourages the new construction or rehabilitation of affordable multifamily housing, primarily through private developers. These developments benefit Texans in your community by providing potential employment, local tax revenue, and affordable, safe, and high quality housing for eligible households.

If you have any questions or need additional information, please contact Michael Lyttle, Chief of External Affairs, at 512.475.4542 or michael.lyttle@tdhca.state.tx.us.

EXECUTIVE SUMMARY
Palladium Lancaster
120-150 Unit Class A Constructed Multifamily Housing

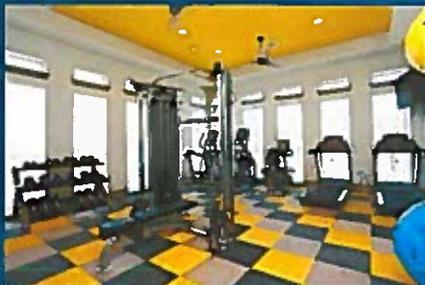

Palladium USA is a privately owned company with over 140 years' experience developing and managing high quality developments around the world including Dallas, London, Paris, Milan, Dubai and many more. Our office is located in Dallas. We have developed and managed luxury properties all over the world. In fact, we are developing a 30 story high rise in the Legacy West development just up the road in Plano. Palladium USA has an extensive history developing quality housing around the world and right here in North Texas. We are certainly a known developer in DFW and the quality of our existing developments speak directly to our capabilities and dedication to quality in our product as well as our ability to execute as promised. We have become extremely interested in helping develop residential living in close proximity to jobs and downtown Fort Worth.

North Texas is exploding in growth. Along with this economic boom has come a very real housing shortage with most home builders and developers focusing on the top 10% of the market. Very few homes are being built under \$300,000 and rental rates for quality apartments are at historical highs. Even aging homes that need a significant cash investment to bring them up to date are demanding high prices. Palladium, as a high end developer, has taken our quality class A product and positioned itself to serve the workforce that is needed to serve our economy. These are the medical staff, restaurant staff, the public servants, the child care workers and the many support staff in all the industries that serve our growing economy. We are able to develop Class A rental housing and offer it \$100-\$300 below market rents utilizing Housing Tax Credits and therefore allowing a very real and important segment of our economy access to great housing in areas where it is needed.

Proposed Housing

Palladium Lancaster will be a 120-150 unit, class A constructed multifamily community located northeast quadrant of Interstate 35 and Breezewood Lane (aerial attached), City of Lancaster, Dallas County, Texas. Comprised of 1, 2, and 3 bedrooms, Palladium at Lancaster will be a Class A constructed community designed in a distinctly upscale aesthetic that will use federal tax credits as a source of equity in order to be able to afford high end construction and still be able to offer affordable rents in the DFW market.

- Development cost will be \$180,000 a unit (Over a 23 Million dollar development)
- Class A construction
 - High percentage of masonry on the exterior
 - Articulation and variation of materials in the elevations in order to create architectural interest. Not flat walls along the exterior elevations
 - Granite Countertops
 - Upgraded cabinetry in the units
 - Vinyl Plank (wood look) flooring instead of carpet in the units living and dining rooms
 - Upgraded and high end look unit fixtures
- Resort style amenity package consistent with the nicest rental communities in DFW
 - Resort style pool
 - Fully appointed clubhouse with fitness center, business center, club room, and common area
 - Open space landscaped for a parklike setting with playground and barbeque picnic areas

Palladium USA is a developer of top quality rental housing around the world. We have existed for well over 140 years by holding to certain values. First, we are not a property flipper. We build, hold and manage our own properties long term. Currently we have properties in Western Europe that we have owned for over 100 years. Because of our long term commitment to our developments, we manage our properties ourselves as no third party management company would be willing to give our properties the attention we need in order to maintain them well for generations. For more information about Palladium USA, please look us up at www.palladiumusa.com.

- Palladium is not a merchant builder who builds to sell. Instead we prefer to hold our properties and plan to hold Palladium Lancaster for decades.
- WE MANAGE OUR PROPERTIES OURSELVES. This is extremely important as 3rd party managers are only concerned with getting the most rent and are not as concerned with long term maintenance or managing the resident population well.
- Omnium Management (Our in-house management company)
 - Each resident who wishes to live at our property will be required to go through an extensive background check.
 - We hire "Resident Retention Specialists" called CARES Teams from an organization called Apartment Life. These CARES Teams will be a married couple that attend a local church that we will give a free apartment to in order that they build the culture of community by hosting events and facilitating friendships.
 - The national average tenure for apartment renters is 11 months. We have achieved an average tenure of over 20 months by intentional management and creating an environment where people want to stay which speaks directly to the quality of the physical as well as the social environment we create.

Tax Credit Financing

The Texas Department of Housing and Community Affairs (TDHCA) administers annually Housing Tax Credits that are intended to serve the purpose of providing affordable housing for the workforce of Texas.

- Several years ago, the TDHCA reformed the focus and objective of the housing initiative in Texas. The current Housing Tax Credit Program focuses on serving primarily families earning 50-60% of the area median income (people earning up to \$50,000 annually). This demographic consists of the backbone of the economy: Civil Servants such as law enforcement and city staff; health care workers; educators; clergy; the many support staff in the numerous businesses in the region; restaurant staff; retail staff; etc.
- We are not proposing Section 8 Housing, Public Housing or Government Subsidized Housing. Palladium Lancaster will be privately owned (not government owned). It will use tax credit equity to bridge the gap between the high cost of constructing Class A rental housing and charging rents that the workforce can afford.
- Benefits of Tax Credit equity
 - The TDHCA requires the owner to hold the property for a minimum of 15 years. This is a requirement to use the funding. We expect to own this development for 30+ years.
 - Tax Credit funded rental communities have the lowest failure rate in the industry (.01%) due to the controlled rent structure that does not shift with fluctuating markets and the upfront vetting of each of these developments.
 - We will self-manage the property and we perform extensive background checks on our residents to screen for violent criminals and sex offenders.

Summary

Palladium at Lancaster will be a Class A constructed rental community that will serve the much needed workforce that is the backbone of our thriving community.
