City Manager Mauldin-Jones shared that this is a request to rescind the SUP for a machine shop that was approved in 1992 to permit this use on the property which is .596 acre in size. The purpose of repealing this ordinance is to "clean-up" the zoning of the property as the building will no longer be used for a machine shop and the current Land Use Table prohibits the use of machine shops on properties zoned Commercial Highway (CH). The applicant intends to renovate the existing 5,000 square feet building for use as a dance studio that will offer lessons in ballet, tap, jazz, hip hop, and other traditional dance classes to the citizens of Lancaster and neighboring communities. A dance studio is allowed by right in CH. City Manager Mauldin-Jones shared that on June 21, 2020, a notice for this public hearing appeared in the Focus Daily Newspaper. Additionally, Staff also mailed 11 notifications of this public hearing to property owners within 200 feet of the subject site and zoning signs were placed on the property. There was one (1) letter received in support and one (1) letter received in opposition of this request.

Mayor Hairston opened the public hearing.

There were no speakers.

North Houston School Road and has a subsequent companion item that follows. The property is approximately 4.7 acres in size. City Manager Mauldin-Jones shared that this request is to rezone the subject property from Agricultural Open (AO) to Retail (R) for a convenience store with eight (8) fuel dispensers on Lot 2; 6,510 square feet retail space and a 2,500 square feet restaurant on Lot 1 as shown on the attached Site Plan. Lot 3 will remain vacant. City Manager Mauldin-Jones shared that the current AO zoning only allows for single-family detached homes, farming, and ranching-related activities and accessory uses. City Manager Mauldin-Jones shared that on June 21, 2020, a notice for this public hearing appeared in the Focus Daily Newspaper and that Staff also mailed 20 notifications of this public hearing to property owners within 200 feet of the subject site and zoning signs were placed on the property. There were three (3) letters received in support and eight (8) letters received in opposition of this request. The eight letters received in opposition is 40% of the 20 notifications that were mailed out; the 40% triggers the requirement for three-fourth (3/4) favorable vote of all the members of the Council according to Lancaster Development Code (LDC) Section 14.208 City Council, Subsection (e) which states that, "Whenever such written protest is signed by the owners of twenty (20) percent or more of the area of the lots or land included in such zoning change, or of the lots or land immediately adjoining the same and within the above mentioned two hundred (200) feet radius, or land immediately adjoining the same and within the above mentioned two hundred (200) feet radius, such change in zoning shall require a favorable vote of three-fourths (3/4) of all the members of the Council." 40% of property within 200 feet of the site have submitted a letter in opposition to this request. Therefore, a favorable vote of three-fourths (3/4) of all the members of the Council would be required for approval of this request.

City Manager Mauldin-Jones shared with Councilmember Morris that current zoning only allows for single-family detached homes, farming, and ranching related activities. The proposed development will service existing surrounding developments as at least 20% of the sales will be dedicated to a full deli kitchen, fresh produce and dairy products for the convenience store. City Manager Mauldin-Jones shared during Planning and Zoning's public hearing that a recommendation for approval of the retail store space which is the convenience store and deli kitchen with 2 fuel pumps, but the companion did have a different outcome.

City Manager Mauldin-Jones clarified for Councilmember Strain-Burk that there were no plans to extend Houston School Rd.

City Attorney Ritter shared clarification, citing State law and LDC Code on the super majority, requiring 75 percent of all members of the Councils which would be 6 votes that are needed on both items.

City Attorney Ritter shared clarification that item 10 changes the current zoning from AO to Retail allowing for a convenience store with 2 gas pumps.

City Manager Mauldin-Jones confirmed with Councilmember Jaglowski that sustainable mitigation is being taken with the Millbrook East- Bridle Path extension.

Deputy Mayor Pro Tem Robinson requested other exit options be considered by the builder to Houston School Road. City Manager Mauldin-Jones shared that the builder does not own tracts of land to be considered for an additional exit to Houston School Road.

City Manager Mauldin-Jones shared with Council that the presented development only includes the rezoning request.

Mayor Hairston opened the public hearing.

## 14) CRIMINAL BACKGROUND CHECKS

The Elections Administrator, her agent or assignee will conduct a criminal background check (in accordance with statutory requirements) of any person who is expected to or scheduled to serve or work in this Joint Election. Any person that does not satisfactorily pass the criminal background check will be ineligible to serve or work in this Joint Election. Failure to obtain a criminal background check does not release the participating entity's obligation to pay for service rendered in good faith.

## 15) ELECTION REPORTS

During the early voting period for this Joint Election, the Elections Administrator will deliver daily reports to each Participating Political Subdivision of the Early Voting Location Turnout Totals and Early Voting Roster. The day after the early voting period ends, the Elections Administrator will deliver to each Participating Political Subdivision, a Daily Early Voting Roster by Vote Center report that includes the entire Early Voting period. Pursuant to the Texas Election Code Section 87.121, the Elections Administrator will deliver these election reports by website posting, e-mail, or facsimile.

## 16) WITHDRAWAL FROM CONTRACT

- a) No deposits will be refunded after the deadline to withdraw from this Election Services Contract has passed.
- b) In order to withdraw from this Election Services Contract, a Participating Political Subdivision must deliver to the Elections Administrator any certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.
- c) The Elections Administrator will bill any Participating Political Subdivision that withdraws from this Election Services Contract for any expenses incurred prior to the Elections Administrator receiving copies of the certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.
- d) If there are any withdrawals from this Joint Election, within ten (10) business days after the deadline for Participating Political Subdivisions to make declarations under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code, said deadline being August 27, 2020, the Elections Administrator will amend the attachments to this Election Services Contract as appropriate and provide updated copies of the amended attachments to all of the remaining Participating Political Subdivisions.
- e) The general supervisory fee authorized by Section 31.100 of the Texas Election Code will not be refunded.

## 17) AUDITING AND PROHIBITION ON WITHHOLDING OF DEPOSITS

- a) The Dallas County Auditor will conduct a review of the deposits and expenditures related to this Election Services Contract before the Final Bill or Refund is submitted to the Participating Political Subdivisions. Refunds will be submitted as soon as practicable.
- b) The Participating Political Subdivisions may request a financial audit of the Final Bill or Refund or dispute the Final Bill or Refund under this Section, if: 1) the Final Bill exceeds

- ten percent (10%) of the amount of the Participating Political Subdivision's initial deposit as required in "Attachment A" to this Election Services Contract; or 2) the accounting accompanying the Refund is ten percent (10%) less than the amount the Participating Political Subdivision determines, should be refunded, after its good faith review. The request for a financial audit or dispute must be done in accordance with Section 17 (d) below.
- c) Should the events in Section 17 (b) occur, in lieu of an audit or dispute, the Participating Political Subdivision may make a request that the Elections Administrator ask the Dallas County Auditor to review the cost allocation methodology for the Participating Political Subdivision's Final Bill or Refund ("Review Request"). Participating Political Subdivisions must submit a Review Request to the Elections Administrator within five (5) business days of receipt of the Final Bill or the Refund, whichever is later. The Review Request must set forth, in detail, the basis for any challenge to the Final Bill or Refund. Corrections to the Participating Political Subdivision's Final Bill or the Refund, based on a Review Request, will be determined at the sole discretion of the Elections Administrator. A Review Request does not extend the timeframe in Section 17(d).
- d) Should the circumstances giving rise to an audit or dispute in Section 17 (b) occur, the Participating Political Subdivision may send a formal written notice of dispute of the Final Bill or Refund ("Dispute Notice") to the Elections Administrator. This Dispute Notice must be received by the Elections Administrator no later than thirty (30) calendar days from the date the Participating Political Subdivision receives the Final Bill or Refund. This Dispute Notice must provide: 1) an itemization of the disputed charge(s) by the Participating Political Subdivision; 2) the basis for the dispute; 3) the methodology showing how the Participating Political Subdivision arrived at the amount disputed; and 4) documentation in support thereof. The Participating Political Subdivision will have no right to withhold any undisputed amounts set forth in this Election Services Contract or reflected in the Final Bill. Payment of undisputed amounts in the Final Bill must be made by the Participating Political Subdivision as set forth in Section 10 (e) of this Election Services Contract.
- e) Failure of the Participating Political Subdivision to submit a timely Dispute Notice, as set forth in Section 17(d), shall waive any and all disputes, claims, or challenges to the Final Bill or Refund by the Participating Political Subdivision. The entire amount of the Participating Political Subdivision's Final Bill shall be due immediately; or, any estimated refund amounts will become final.
- f) If the Participating Political Subdivision files a timely Dispute Notice in compliance with Section 17(d), the Participating Political Subdivision will have the right to conduct a good faith financial audit ("Financial Audit") for the deposits and expenditures related to this Elections Services Contract. In conducting the Financial Audit, the Participating Political Subdivision will have no greater right to demand access to or copies of the County's governmental or election records than those rights specified in the Texas Election Code and the Texas Public Information Act. The cost of any Financial Audit conducted by the Participating Political Subdivision shall be borne by the requesting Participating Political

Subdivision and may not be paid for with funds deposited with the Dallas County Elections Department under this Election Services Contract. Further, the Participating Political Subdivision conducting the Financial Audit shall pay the Elections Administrator the reasonable costs for time expended and copies provided in order to perform the Financial Audit. If the Financial Audit identifies overcharges by the Elections Administrator of more than ten percent (10%) of the initial deposit amount required by "Attachment A", the Elections Administrator will review and assess the findings of the Financial Audit and will negotiate, in good faith, to resolve any disputes for overcharges with the Participating Political Subdivision. The Elections Administrator shall not be bound by the findings or recommendations of the Participating Political Subdivision's Financial Audit. The financial records will be retained at the County Election Administrator's office until the conclusion of the Financial Audit and resolution of all outstanding audit disputes.

- g) In the event the representatives of the Participating Political Subdivision and the Elections Administrator cannot agree on the amount of the disputed Final Bill as set forth in this Section, then the Parties may agree to submit to non-binding mediation. If mediation is acceptable to both parties to resolve a dispute concerning the disputed Final Bill, the Parties will agree to use a mutually agreed-upon mediator. Unless the Parties come to a written agreement at mediation, the mediation will not constitute a final and binding resolution of the dispute.
- h) The Participating Political Subdivision acknowledges that the practical effect of the Participating Political Subdivision withholding undisputed funds that are required under this Election Services Contract would result in breach of this Elections Services Contract and the other Participating Political Subdivisions' taxpayers subsidizing the withholding Participating Political Subdivision's election expenses.

# 2020 City Council Retreat BACKGROUND, OBJECTIVES & APPROACH

#### Background, Objectives & Approach ... Background

The City of Lancaster engaged the Azimuth Group, Inc. ("AGI") and the Elim Group ("Elim") to plan and facilitate the 2020 strategic planning retreat for the Mayor, City Council, City Manager and City Secretary. The retreat was held on June 26-27 at the Lancaster Recreation Center. Due to the ongoing COVID-19 pandemic, participants observed social distancing, masking, and other safety precautions.

#### **Background**

The City of Lancaster, Texas is located in Dallas County and is governed under the Council-Manager form of government. Serving a population of approximately 40,000 residents, the City is situated within a strategically important growth corridor in Dallas's Southern Sector, with highly advantageous access to the national transportation network. Lancaster leaders have established a disciplined and consistent practice of annual strategic planning workshops to assist the Mayor, Council and executive staff articulate a collective vision for the community and to agree on specific objectives for the future of the community.

The stated *Vision* of the City of Lancaster is:

Lancaster is a thriving and diverse community where we value our historical assets and natural beauty. Residents and stakeholders are engaged and take pride in this City. Lancaster is the Shining Star of Texas with opportunities to live, learn, work and play.

The Lancaster **Mission** statement is:

Lancaster City government is financially sustainable and provides efficient customer-friendly services. Our citizens have trust and confidence in city government and leaders.

The City's six strategic goals – each supported by a set of operating objectives – are as follows:

- Financially sound city government
- Healthy, safe and engaged community
- Professional and committed city workforce
- Sound infrastructure
- Quality development
- Effective municipal operations

Together, these statements of Vision, Mission, and Objectives constitute the core of the Council's strategic plan and priorities. The City Manager's annual budgeting process defines and operationalize actions required for the successful execution of the Council's strategic intent.

For the 2020 retreat, the ongoing effects of the worldwide COVID-19 pandemic required certain changes in the physical layout of the meeting space to ensure social distancing, and participants observed, to the extent feasible, personal protective practices such as masking, hand washing and limiting physical contact with one another.

#### Background, Objectives & Approach ... Objectives, Scope and Approach

Together, AGI and Elim completed a focused work program to achieve the City's objectives for the retreat. Consultants completed interviews with the Mayor and each member of the City Council, completed an online assessment, planned and organized the strategic planning retreat, and facilitated a series of activities concentrated on strengthening the cohesion of Council/staff team, addressing residential growth issues, updating Council policies and protocols, and discussion of the strategic implications of both the pandemic and an increased focus on assuring social equity.

#### **Objectives**

The intended outcomes of the strategic planning retreat were clearly articulated by the City in advance and are rooted in the organization's commitment to annual strategic planning retreats. The objectives for the annual retreat include:

- Support the City Council's efforts to be a strong and cohesive governing body, building trust, and collaborating to address the evolving needs of the Lancaster community.
- Refine, as needed, the specific, high-priority goals and objectives required to move the city forward.
- Review and revise as necessary the policies, procedures and practices the City Council uses to guide its governance and decision-making processes.

The AGI/Elim team worked to enable open discussion of the city's current challenges and opportunities and to create a collegial atmosphere for City leaders to forge agreement on the highest order priorities to address over the coming year. The planning session was also intended to solidify the shared commitment to the City's strategic priorities and to create a unifying frame of reference to guide daily policy and operating decisions, organizational structures, and governance.

#### Scope and Approach

The scope of the 2020 strategic planning retreat mirrored that of prior retreats and included the following tasks:

- Working with the City Manager's office, City Secretary and Mayor to develop a program to best serve the needs of the City Council.
- Administration, analysis and discussion of the DiSC "Five Behaviors of a Cohesive Team" model.
- Strengthen teamwork, collaboration, mutual respect, and trust between and among Council members and City staff.
- Examination of the Council's goals and priorities with respect to the physical growth of the community and, more specifically, the character and design of future residential neighborhoods.
- Reviewing and revising the Council's strategic goals based on past success and future needs.
- Facilitation of the City Council's annual review of its rules and procedures and the identification of needed clarifications or amendments.
- Incorporation of team building exercises and activities to enhance communication, comprehension, and collaboration among both elected and appointed leaders.
- Documenting the results of the retreat in a written summary report.

## 2020 City Council Retreat THE FIVE BEHAVIORS OF A COHESIVE TEAM

#### The Five Behaviors of a Cohesive Team ...

Building on the Council and staff's work over the past three years, facilitator Mike Conduff introduced the concept of team cohesion and the behavioral attributes that characterize cohesive teams.

#### Overview of the Five Behaviors of a Cohesive Team

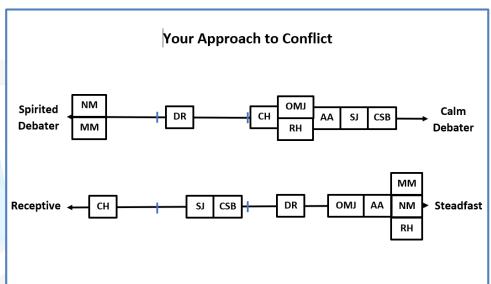

- In examining the Five Behaviors of a Cohesive Team, the Lancaster Council members, City Manager and City Secretary each completed a self-diagnostic, DiSC based instrument. This profile placed an emphasis on educating the Council about the importance of Trust, Productive Conflict, Commitment, Accountability and Staying Focused on Outcomes in advancing effective governance.
- The Council reviewed and discussed these behaviors in light of two critical continuums focused on:
  - Conflict (Spirited Debater versus Calm Debater and Receptive versus Steadfastness)
  - Accountability (Keeping the Peace versus Addressing Problems and Being Attentive to Feelings versus Sticking to Logic.)
- The Council recognized that while both extremes were evident on all four continuums, the key to building solid and committed relationships is recognizing each person's tendencies and accounting for those in important discussions.
- A next step in the self-examination process is to ask each member of the team to rank the team in these behaviors and examine the results from a best practice perspective.

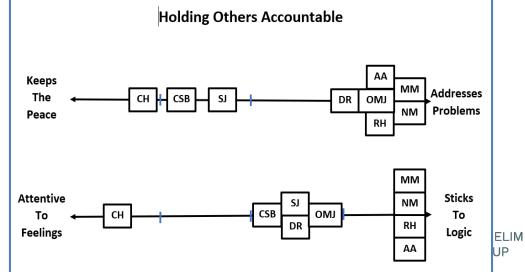

#### The Five Behaviors of a Cohesive Team ... Behavioral Continuums ...

The following continuum charts show how the City of Lancaster elected and appointed leaders' styles differ on the critical behaviors of Conflict and Accountability.

#### The Five Behaviors of a Cohesive Team ... Trust ...

When the Council members were polled on the "Trust" behavior, 57% (four members) describe their level of trust of their Council colleagues as "Fair," while 29% (two members) characterize their trust level as "Pretty Good" and one member feels "Not so good" about trusting the group as a whole.

#### The Five Behaviors of a Cohesive Team ... Embrace Conflict ...

Within cohesive teams, constructive disagreement – conflict – can be productive. The Lancaster Council, however, often experiences conflict as "draining," "argumentative," a "rumble," "draining," "exhaustive," even as an "attack."

### What Constitutes a Personal Attack?

- An abusive remark about another person
- Any degrading remark
- Associated with feelings and not supported by facts
- Bullying

### Appropriate Reaction to an Attack?

- Someone has to "throw the yellow flag"
- The offended party should first seek clarification

#### When I say CONFLICT, you say...

ready argument corner....trust rumble work challenge conversation awarding draining exhausting attack

"Sometimes I want to run up the score so you won't want to play me again."

"What are the ground rules?"

"I have to remind myself, 'Q-TIP' – quit taking it personally."

Other thoughts about the Five Behaviors included those listed below.

#### **Accountability Challenges Include:**

- Gaining agreement on the "how" not so much as the "what" of our decisions
- Balancing priorities across Council Districts vs. the interest of the City as a whole
- Gaining agreement on the proper approach to problem solving

#### I (we?) are Committed to:

- Success
- Integrity
- Being Genuine
- Keeping my word

### What Did we Learn from the Five Behaviors Conversations?

"We need to understand and respect that we are each different people"

"A good orchestra needs multiple instruments playing in tune"

# 2020 City Council Retreat EQUITY, INCLUSION, AND COUNCIL PROCEDURES DISCUSSION

#### Council Rules & Procedures Review ...

The Council devoted significant time to a discussion of how best to incorporate concepts of social equity and inclusion into the City of Lancaster's policies and procedures documentation. Additionally, the Council proposed other revisions to assist the Council in improving their effectiveness and efficiency as a governing body.

#### **Council Rules & Procedure Changes**

#### Section I - Mayor-City Council Relations

- A.3 Elaborate and explain the role of the Mayor as the spokesperson for the City including the authority for issuing proclamations on behalf of the City and the procedures governing the request for a proclamation by a member of the City Council
  - After discussion, the City Attorney was directed to develop a revision to the rules and procedures to memorialize current practices and customs.

#### Revision of Resolution 2019-10-84 Regarding Social Inequity

Following City Council discussion, the City Attorney was directed to draft and return for adoption the following amendments to the social inequity resolution to broaden its coverage, as follows:

- Replace the term "Social Equity" with "Racial and Social Equity" throughout the resolution
- Add language inclusive of other "marginalized populations" as included in the City of Austin social justice ordinance
- B.3. Review the need for clarification regarding the rules for citizen comments at Council meetings and work sessions
- E.1 Update Council training expectations to include such training as cybersecurity and FEMA training
- E.4 Add the National Civic League and the National League of Cities as organizations from which Council members are encouraged to seek training
  - After discussion, the City Attorney was directed to review and draft revisions for Council consideration and possible adoption

# 2020 City Council Retreat RESIDENTIAL DEVELOPMENT PRIORITIES

#### Residential Development Focus Session ... Mixed-Use Development ...

As a growing community, Lancaster policy makers have an opportunity to impact the future physical character of the city's neighborhoods. Workshop facilitators guided the Council through a discussion of each of the major categories of allowable uses, from the highest to the lowest densities.

86% of the Council Agree or Strongly Agree that mixed-used (residential and commercial) development has an appropriate place in Lancaster's future development.

Mixed use residential development is appropriate for the City of Lancaster's future.

#### Council Remarks on Mixed-Use Development

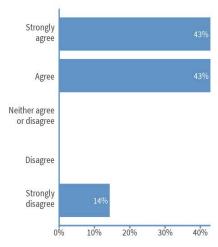

#### **Positives**

- Appropriate for student housing in the Campus District and in Downtown Lancaster
- Fulfills millennial generation expectations
- Provides for "ready-made" commercial customers
- Security
- Environmental impact
- Property value (due to density)
- Could help to revitalize the commercial sector

#### **Negatives**

- Not appropriate in primarily residential areas
- Not a suitable land use for suburbs, this is more of an urban land use
- Changing buying patters are making restaurant and retail development less attractive
- A revision to the Comprehensive Plan should be considered

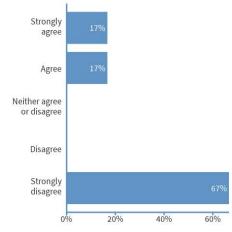

67% of the City Council members Strongly Disagree that multi-family development is appropriate for Lancaster's future development without significant limits on density, appearance and amenities.

# Council Remarks on Multi-Family Development

- We don't want to increase the percentage of rental units in Lancaster (we have enough now)
- We have enough high-density apartments today – prefer lower density, up-scale apartment complexes
- We do need to have a broad mix of housing types and multi-family meets a market need.
- We are missing the top end of the residential market (not the lower end)
- Support for such development will be location-dependent
- We should consider a revision to the Comprehensive Plan (to better manage where and what types of multi-family should be allowable)

Multi-family development is appropriate for the City of Lancaster's future.

#### Residential Development Focus Session ... Moderate Density (6-7 units/acre) Development ...

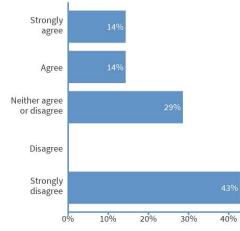

The City Council expressed mixed opinion on the appropriateness of residential development in this moderate density category of 6-7 dwelling units per acre. Three members Strongly Disagree that this use is appropriate, two are neutral, two Agree or Strongly Agree that this type of development is appropriate for Lancaster.

#### Council Remarks on Moderate Density (6-7 u/a) Development

- This is what we have now and we don't need more supply in this category
- How can we make this "untypical?"
- We want 2,000 square feet or more dwelling sizes
- We need policies and standards to drive a higher dollar value per square foot
- There is a risk of over-supply driving market values down

Moderate density residential development (6-7 units/acre) is appropriate for the City of Lancaster's future.

#### Residential Development Focus Session ... Mid-Density (4-5 units/acre) Development ...

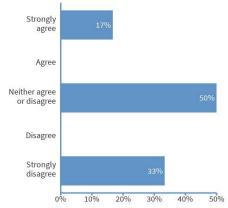

The City Council members are similarly divided on the appropriateness of single family development in the 4-5 units per acre density category. With six members expressing an opinion, one member Strongly Agrees that this usage is appropriate for Lancaster's future, while three members are neutral and two members Strongly Disagree.

## Council Remarks on Middle Density (4-5 u/a) Development

- Sufficient inventory in this category currently exists
- We need to increase the minimum allowable square footage and require higher end finishes
- Developments of this type should require more community amenities

Mid-density residential development (4-5 units/acre) is appropriate for the City of Lancaster's future.

#### Residential Development Focus Session ... Low Density (2 units/acre) Development ...

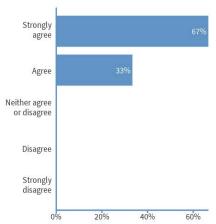

100% of the six Council members expressing an opinion Agree or Strongly Agree that low density development in the 2 units/acre density category is appropriate for the future of Lancaster's residential development.

# City Council Remarks on Low Density (2 u/a) Development

- We don't currently have this product to offer potential buyers
- We have never had an expectation that developers and builders will deliver this level of housing
- We need this to capture the "move-up" needs of the market
- Residents in this type of neighborhood will bring higher expectations of city service delivery
- How do we attract this kind of product?

Low density residential development (2 unit/acre) is appropriate for the City of Lancaster's future.

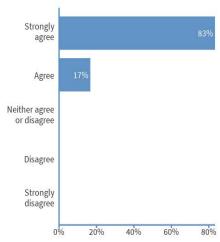

Estate single family residential homes in the 1 unit/acre density category is strongly supported by the six participating Council members, with five members in Strong Agreement and one member in Agreement.

#### City Council Discussion on a Potential Residential Development Incentive Program

- A proposal for a Residential Incentive Program was proposed by Councilmember Strain-Burk and reviewed in a Council workshop on June 22, 2020
- What type of incentives? Tax rebates?
   Refunds of a % of local purchases? Fee waivers or reductions?
- Who benefits? Buyer or developer?
- Do incentives stay with the land or with the developer or builder?
- What are the timeframes for eligibility and compliance? Permitting to completion? Something else?
- How many lots would it take to qualify?
   Five? Ten? More?
- Only for densities of 2 units/acre or less?
- When are incentives accrued? Front-loaded? Back-loaded? Triggers?
- Where are the precedents or examples of successful programs of this type?
- How much would it cost, both for the incentives and for program administration?
- Would need a pilot program to test viability

Estate home residential development (1 unit/acre) is appropriate for the City of Lancaster's future.

#### LANCASTER CITY COUNCIL

**City Council Regular Meeting** 

4.

**Meeting Date:** 08/24/2020

Policy Statement: This request supports the City Council 2019-2020 Policy Agenda

Goal(s): Financially Sound City Government

**Submitted by:** Sorangel O. Arenas, City Secretary

#### **Agenda Caption:**

Consider a resolution approving the terms and conditions of an interlocal agreement by and between the City of Lancaster and Dallas County Department of Health and Human Services to provide certain health services.

#### **Background:**

The City of Lancaster contracts annually with Dallas County Health and Human Services in order to provide certain public health programs for citizens of Lancaster. These health services include: control services for tuberculosis, sexually transmitted diseases, and other communicable diseases, laboratory services (chemical, biological, bacteriological analysis); immunizations; child health care; high risk infant case management; and home visits.

Dallas County provides certain health services to various cities throughout Dallas County on a contract for services basis. This cooperative effort allows cities in Dallas County to participate in providing public health services for their residents, which helps promote the effectiveness of local public health programs.

#### **Operational Considerations:**

Dallas County Health and Human Services provides program health services such as immunizations, child health care, and control services for communicable diseases for Lancaster residents at various locations throughout Dallas County on a sliding fee scale based on ability to pay. Fees charged for services by the County help offset Lancaster's program costs for each year.

#### **Legal Considerations:**

The agreement is unchanged from last year and has been previously reviewed and approved as to form by the City Attorney.

#### **Public Information Considerations:**

This resolution is being considered at a Regular Meeting of the City Council, in accordance with the Texas Open Meetings Act.

#### **Fiscal Impact:**

The FY 2020/2021 contract is the same as last year. There is not an increase in fees for services. The cost as stated in Section 3, Budget, (C) of the contract is twelve thousand one hundred six dollars (\$12,106.00). This is the amount of the City's share of the total cost less federal and state funding. The City has budgeted for these services in the FY 2020/2021 budget.

#### **Options/Alternatives:**

- 1. City Council may approve the agreement for health services for its residents through Dallas County Health and Human Services.
- 2. City Council may deny the agreement for resident health services. This would leave residents without access to these health services.

#### **Recommendation:**

Staff recommends approval of the resolution and interlocal agreement, as presented.

Consider an amendment to Resolution 2020-06-44 to include language requested by the Office of Governors (OOG).

# **Background:**

The United States Department of Justice (DOJ) notified the City of Lancaster of pre-allocated grant funding in the amount of \$50,414 that could be used for projects relatable to COVID-19 such as overtime, equipment, hiring, and personal protective equipment (PPE) specifically for law enforcement personnel. The deadline for this grant was May 29, 2020, and the City of Lancaster submitted an application prior to the deadline. On June 8, 2020, we received notification that the grant application was approved.

The OOG Public Safety Office implemented an extension to the DOJ grant that allows the City of Lancaster to apply for additional funding above the pre-allocated funding amount of \$50,414 provided by the DOJ. This additional grant provided by the OOG allowed for an estimated amount of funding needed for the performance period of 2020-2021. An estimated amount of \$339,412 was submitted to cover overtime, PPE, and COVID-19 related supplies of law enforcement. On June 15, 2020, staff submitted an application for funding to cover future estimated overtime, PPE, and supplies due to COVID-19. The OOG extension program requires qualifying applicants to also submit a resolution of the governing body authorizing submission of the application in order for the application to be reviewed and considered by the OOG.

On June 22, 2020, Council approved the resolution to accept funding from the OOG through the Coronavirus Emergency Supplemental Funding (CESF) grant.

On August 13, 2020, staff received a request from OOG to amend resolution 2020-06-44 to include language in the clause of assurance that the City Council agrees that in the event of unused, lost, or misuse grant funds will be returned to the OOG.

Re: Request for Review and Removal of Texas Historical Commission Marker No. 6655, located in Lancaster, Texas

#### **Dear Honorable Commissioners:**

I write in my capacity as Mayor of the City of Lancaster, Texas (the "City"). The City is a thriving community that was named an All-American City in 2019 by the National Civic League, and is proud of the diverse body of citizens who choose to live and work here. The purpose of this letter is to request a review and removal of Historical Marker No. 6655 (the "Marker"). The Marker is sited at 220 W. Main Street at the site of our current Municipal Court Building, formerly the Veteran's Memorial Library. The marker was erected by the Texas Historical Commission in 1936, and has text as follows:

# Site of CONFEDERATE ARMS FACTORY

Established by Joseph H. Sherrard, William L. Killem, Pleasant Taylor and John M. Crockett in 1862 to manufacture pistols for the State of Texas.

Erected by the State of Texas, 1936

The City Council discussed this item during a work session on August 17, 2020 and at a City Council meeting on August 24, 2020. The review was prompted by a letter from a concerned citizen which is attached as part of the supporting documentation. Following deliberation, the City Council voted to formally request that the Texas Historical Commission review the monument, and after review, remove it from its current site.

The primary reason for the City's request is expressed in the citizen's letter: that any educational value of the Marker and the site that it commemorates is greatly outweighed by the reference to the Confederate States of America, and the painful associations with the system of slavery that the Confederacy fought to preserve.<sup>2</sup> The Marker has recently become the focus of

<sup>&</sup>lt;sup>1</sup> The City recognizes that the Commission has exclusive jurisdiction over the placement or removal of the Marker, as noted in the Texas Centennial Marker Policies adopted on July 31, 2009.

<sup>&</sup>lt;sup>2</sup> The letter writer refers to monuments to the Confederacy as being "deeply hurtful" to members of the community.

protest activities and has become a strong reminder of times when equal treatment under the law was denied to many on a local, state, and national scale.

In addition, an examination of the history of the arms factory also brings into question whether the reference to the production of arms for the Confederacy is supported by the historical record. A scholarly article notes that while the factory had a contract with the State of Texas's Military Board, it was unsuccessful in actually producing the 400 pistols contracted for, and after extended excuses from the factory, the contract was terminated by the State.<sup>3</sup> Furthermore, even during its operation, there were suspicions that the factory was in fact "a front for military exemption and that equipment, labor, and metal stock were [diverted from the contracted purpose and instead] devoted to consumer goods."4 Finally, the way in which the contract itself was procured would likely be regarded today as problematic due to conflict-ofinterest laws.<sup>5</sup> Viewed in light of scholarship that has occurred since the 1936 erection of the monument, the site can --- at best --- be considered a failed business venture which was intended to arm a rebellion against the United States of America. When viewed in a more unfavorable light, the factory may have a front used to divert materials intended for state use for personal gain, raising the question of whether there may be more appropriate events and sites within the City to commemorate with a monument. In any case, the consensus among historians seems to be that the site never actually produced a meaningful number of weapons for the Confederacy and that most pistols produced at the site were made after the Civil War.<sup>6</sup>

For these reasons, I would like to respectfully ask that the Commission review the monument and consider removing it. Should you have any questions or need any additional information regarding this request, please do not hesitate to contact me.

Sincerely,

Hon. Clyde W. Hairston, Mayor CITY OF LANCASTER, TEXAS

The City Council discussed this item during a work session on August 17, 2020 and at a City Council meeting on August 24, 2020. The review was prompted by a letter from a concerned citizen which is attached as part of the supporting documentation. Following deliberation, the City Council voted to formally request that the Texas Historical Commission review the monument, and after review, relocate it from its current site.

The primary reason for the City's request is expressed in the citizen's letter: that any educational value of the Marker and the site that it commemorates is greatly outweighed by the reference to the Confederate States of America, and the painful associations with the system of slavery that the Confederacy fought to preserve.<sup>2</sup> The Marker has recently become the focus of

protest activities and has become a strong reminder of times when equal treatment under the law was denied to many on a local, state, and national scale.

In addition, an examination of the history of the arms factory also brings into question whether the reference to the production of arms for the Confederacy is supported by the historical record. A scholarly article notes that while the factory had a contract with the State of Texas's Military Board, it was unsuccessful in actually producing the 400 pistols contracted for, and after extended excuses from the factory, the contract was terminated by the State.<sup>3</sup> Furthermore, even during its operation, there were suspicions that the factory was in fact "a front for military exemption and that equipment, labor, and metal stock were [diverted from the contracted purpose and instead] devoted to consumer goods."4 Finally, the way in which the contract itself was procured would likely be regarded today as problematic due to conflict-ofinterest laws.<sup>5</sup> Viewed in light of scholarship that has occurred since the 1936 erection of the monument, the site can --- at best --- be considered a failed business venture which was intended to arm a rebellion against the United States of America. When viewed in a more unfavorable light, the factory may have a front used to divert materials intended for state use for personal gain, raising the question of whether there may be more appropriate events and sites within the City to commemorate with a monument. In any case, the consensus among historians seems to be that the site never actually produced a meaningful number of weapons for the Confederacy and that most pistols produced at the site were made after the Civil War.<sup>6</sup>

For these reasons, I would like to respectfully ask that the Commission review the monument and consider relocating it to a museum – either locally or in a State of Texas facility or in another place where it may be considered in a more appropriate context. Should you have any questions or need any additional information regarding this request, please do not hesitate to contact me.

Sincerely,

Hon. Clyde W. Hairston, Mayor CITY OF LANCASTER, TEXAS

Re: Request for Review and Amendment of Texas Historical Commission Marker No. 6655, located in Lancaster, Texas

#### Dear Honorable Commissioners:

I write in my capacity as Mayor of the City of Lancaster, Texas (the "City"). The City is a thriving community that was named an All-American City in 2019 by the National Civic League, and is proud of the diverse body of citizens who choose to live and work here. The purpose of this letter is to request a review and amendment of the language on Historical Marker No. 6655 (the "Marker"). The Marker is sited at 220 W. Main Street at the site of our current Municipal Court Building, formerly the Veteran's Memorial Library. The marker was erected by the Texas Historical Commission in 1936, and has text as follows:

# Site of CONFEDERATE ARMS FACTORY

Established by Joseph H. Sherrard, William L. Killem, Pleasant Taylor and John M. Crockett in 1862 to manufacture pistols for the State of Texas.

Erected by the State of Texas, 1936

The City Council discussed this item during a work session on August 17, 2020 and at a City Council meeting on August 24, 2020.
